ORANGE DISTRICT ANTIQUE MOTOR CLUB INC

Presidents Report for March 2019

Another good roll up for our mid-autumn meeting with this Wednesday 20th being the equinox. A great time of year for heading out on the roads.

A good attendance for the midweek run to Molong on the 7th. Lunch at the local RSL Club before venturing out to visit John Lee's shed, open for inspection. Just like all men's sheds, full of works in progress. No doubt lot's of good words of advice given out on how to proceed with those projects. Thanks to John for allowing the club to visit.

Another happy outing for ladies day at our Club rooms Monday 11th. Now increasing in numbers.

An interesting trip to Abcrombie House on 17th for those first time visitors. A popular venue for the club over the years. A taste of yesteryear and a look back at our local history and how these properties influenced early settlement.

Blayney show the next item on the events calendar Saturday 23rd. Free entry to any classic drivers. 10.00am start.

Yes. Yours truly did receive the Balls-up-Trophy. I defy anyone to admit they have never lost their glasses as some stage in their lives, and then admit to finding them in the most unusual of places. Enough said.

Happy rambling.
Kerry Risstrom
President.

Greetings far and wide from the Bathurst Historic Car Club.

Our annual Gold Country Rally is just around the corner and this year we have something special in store for participants. Following a number of bumper years we have decided to showcase this year's main event at the world renowned Mayfield Garden. Mayfield Garden is the largest private display garden in the Southern Hemisphere, and inspired by the great gardens of Europe, is one of the Central West's most famous attractions. We have also decided to increase the number of entries, allowing more motoring aficionados to participate.

On Saturday our main tour will take us on a leisurely cruise towards Oberon before arriving at Mayfield. Owner Garrick Hawkins has invited participants to take part in a private lap of the entire garden precinct before displaying our cars. Included in this year's entry fee is entry to the Mayfield Water Garden. Saturday's lunch will be catered for by the Mayfield café and restaurant.

Our presentation dinner will once again be held at the Gold Fields on Mt Panorama where accommodation can also be booked. <http://bathurstgoldfields.com.au/>

Attached to this email you will find both an entry form and a PDF brochure about Mayfield Garden that is best read once printed. For further information about the Garden visit this link. <https://mayfieldgarden.com.au/>

My apologies if this email arrives to you multiple times, merging mailing lists has proved difficult.

Welcome to the April 2019 edition of the ODAMC newsletter, I hope you enjoy it. My home answering machine has not been working properly. It has been taking messages but not on our machine so I have no idea where they are going. It is best to contact me either via email cbromley111@skymesh.com.au or via my mobile number, 0428659224. The answering service on this is working fine.

The entry for the Council of Heritage Motor Clubs, closed on 15/3 so, has now closed.

Dave grey sent in a picture and report about run out to John Lees Workshop on the 7th March 2019. Looks like it was an interesting visit with lots of positive murmurs and comments being heard.

Scam emails are still being sent so if you receive anything from this email address block it or just delete it (John Nicholson <presidentemailofficial0@gmail.com>)

We received this invitation from the Bathurst Historic car club and have included the entry form and the program that was sent in with this email. It should be a good event. Bathurst events usually are. I have added some more information at the bottom of the president's report

Out and about.

The mob at John Lee workshop 7th march 2019.

On a beautiful autumn Day under clear skies we meet for our monthly mid-week club run, this one taking us to Molong via Euchareena
A run of around 90kms. A good roll up of 16 members and 10 cars left Orange and had a leisurely drive out to Molong, noting the country side looked greener and some dams were full out to Euchareena from then on back into full drought. A nice Lunch was had in the Molong R.S.L Club
Then on to the highlight of the day a tour of John Lee's collection of some 8 cars in various stages of restoration plus a tour of his workshop,
What a collection thanks to John for sharing this with us. Then a run back to Orange what a top day, if you didn't make this one think of joining us next month.
Runs are held the first Thursday and third Sunday of the month.
