Meetings are held in the Club Rooms on the 3rd Monday of each month commencing at 7:30pm at Louie Lane, Spring Creek. All visitors are welcome. Note, the editor and /or club members do not necessarily share the opinions that may be expressed in the magazine.

## President's Report March Meeting 2013

It was pleasing to see such a good roll-up at our recent meeting. Our little club is functioning well and carrying on the spirit of historic motoring, all the while providing a plethora of events to suit all tastes and lifestyles.

Wellington Vintage Fair saw our own club members John and Leigh Streatfeild appear with the Morris Minor Club, only to take out the Club Participation Award. Well done the Morris Minor Club.

The Cumnock Show saw four of our club members with their cars on show. Our Scottish heritage was a feature of the day with Belinda Marriott taking out the Best Dressed prize on the day. Congratulations Belinda. No one seemed to recognize our club member Don Marriott, sporting a Orange wig and tartan hat. No doubt about our Don, he has a hat to suit all occasions.

The Canberra Wheels Show proved quite spectacular. What a pity we couldn't all attend with over 1200 vehicles on display and several million dollars of Mercedes Benz Sports Cars making for a record appearance.

The March monthly run to Robin Hood Hotel proved an opportunity of giving the car a run on the road and sharing a meal together, at the same time not making a whole day of it, leaving plenty of time to mow the lawn.

The Temora Air Show in November - there may be a vacancy at our motel in Cootamundra. If you are interested in attending please contact Peter Amos to check. This is usually a spectacular air show, with a variety of flying machines doing their stuff. If you have not yet been I recommend you make the effort. You will not be disappointed.

The midweek run to Borenore Caves for a picnic lunch in April, again a great place to visit. I spent many an interesting day exploring the area as a youngster. Floating an instant custard setting in the cool water, only to see it washed away by a sudden disturbance in the water flow. Usually at the hands of some not so good intentioned boy scout, all too happy to upset a Girl Guide picnic lunch.

Our Autumn Tour is coming up fast. The next rally meeting will not be until after our April meeting. A clean up day has been scheduled for Saturday 27<sup>th</sup> April.

Keep an eye on the events calendar. There is always something on the please everyone. Participation is the name of the game.

Happy rambling,  
Ms Kerry Risstrom

*ORANGE DISTRICT ANTIQUE MOTOR CLUB INC*  
EDITORS RAMBLE

This Month magazine contains the Entry Form for the Central Tablelands Autumn Tour for 2013. A flyer for the 40<sup>th</sup> Annual General Motors display day with a poster from Leon of the 'Holden range from 1948-1971, and a letter from the Transport, Roads and Marine services regarding Historic Vehicles. I thought I would include it as other clubs are running it and it is probably a reminder for us all.

I went to Canberra to view and take some pictures of Motofest but somehow got the wrong weekend. Should have gone to 'Spec savers'. I had a good Kayak around Lake Burley Griffin and a beautiful Malaysian curry instead so it wasn't a total waste of time.

Please note the change in contact person for Wangerang Industries. I will attempt to email this Mag to members, who have expressed an interest to receive it via email instead of hard copy,

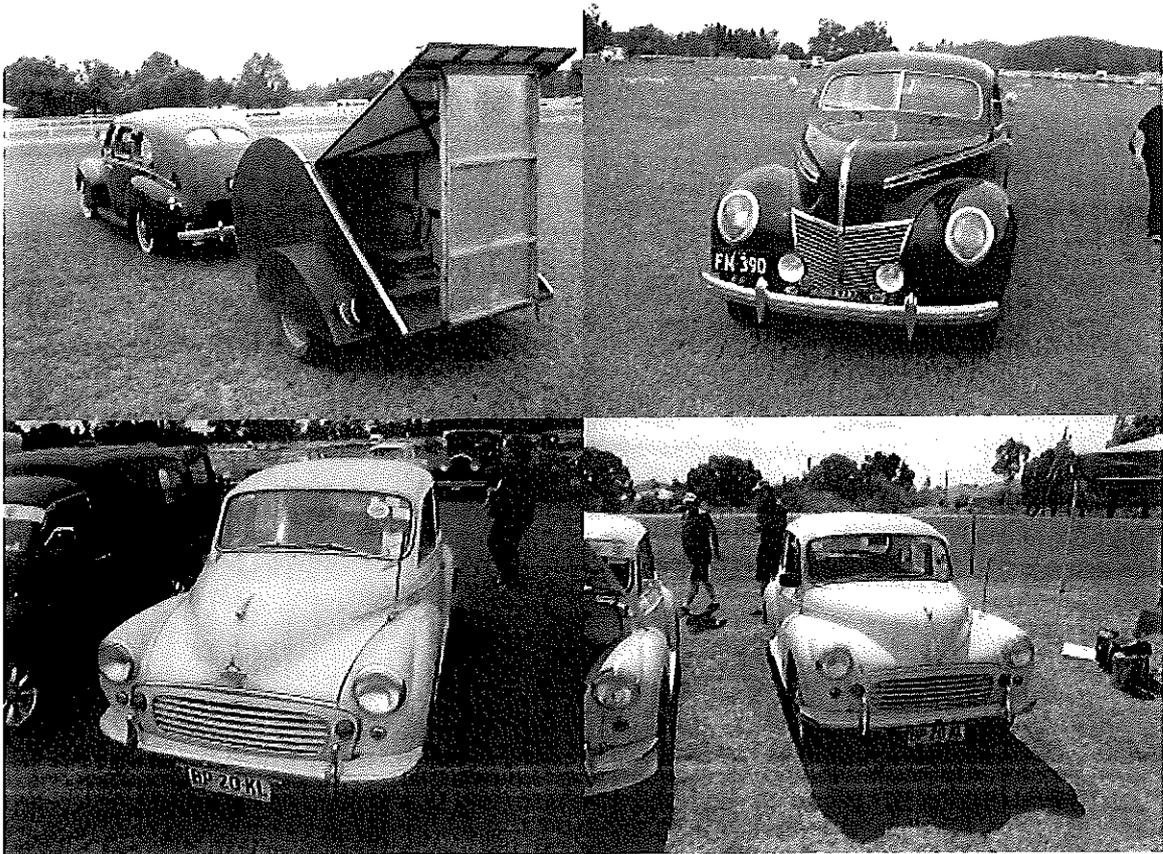

Rosemarie Amos sent in a report with some pictures

George Tait, John Nicholson, Rob McKenzie, Richard Bloomfield and Peter drove their cars for Darren & Stacey (Mill Café owners) wedding last Friday. The cars looked fantastic and the chauffeurs also looked the part! Great day, despite the drizzly weather. George's luggage box also doubles as a champagne bar! Cheers Rosemarie

## *ORANGE DISTRICT ANTIQUE MOTOR CLUB INC*

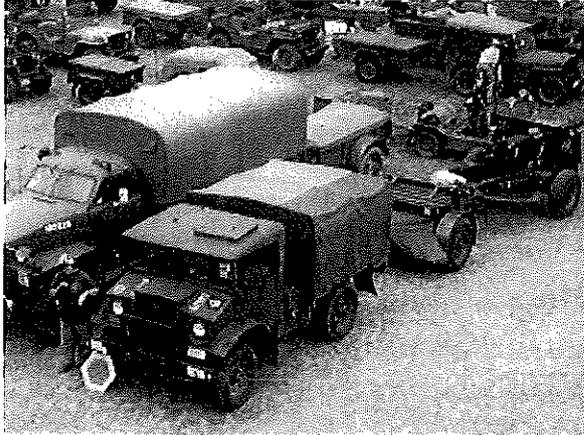

I attended the Wellington antique fair. It was a cold drizzly windy day and the numbers seemed to be down a little because of it. Still very enjoyable. I saw a couple of our cars where there. Plenty of goodies at the swap section.

Bob McNeill sent in a report and some pictures from Corowa.

Year of the Trailer saw 261 entries turn up this year, most with one trailer some like ourselves had two. From MACK trucks with Stuart tanks, to mini Mokes with genuine army trailers. This year there were three truck, limber and gun combinations, most ever. The parade thru town on Saturday morning took over 1/2 hour to pass the clock tower on the way to the showground for the display and swapmeet. We got away early Wed morning, arriving in Corowa late in the afternoon, weather warm and fine, spent Thursday and Friday checking out who had what and catching up with old friends. The Chocolate and whisky factory is to DIE for. The Murray River was still high enough to swim the amphib jeeps and Alvis Salladin, some people feel strange after driving down to the river and straight off the boat ramp into the water without getting wet. We loaded up on Sat afternoon and headed home. This event, now in it's 34 year just keeps getting bigger. Bob Marg. also Don attended. Bob sent in a flyer from the Orange Show society which I have included in the mag.

*ORANGE DISTRICT ANTIQUE MOTOR CLUB INC*

Thanks for the Pics Bob. It looks like a mammoth task to me.

My contact details are 63659224 or 0428659224 and my email is [cbromley111@optusnet.com.au](mailto:cbromley111@optusnet.com.au) for any information, news, interesting stories or pictures, or anything that we can add to the newsletter. All is gratefully appreciated. Chris.

# Historic vehicles

## Background

This policy has been produced by Roads and Maritime Services (formerly Roads and Traffic Authority) in conjunction with the Council of Motor Clubs, the Council of Heritage Motor Clubs NSW, the Old Motoring Club, the XW-XY Falcon Owners' Club, the Classic Italian Motorcycle Club and the Velocette Owners' Club.

Roads and Maritime Services registers historic vehicles under the Conditional Registration scheme, which provides the vehicle with limited access to the road network and Compulsory Third Party (CTP) insurance cover. Historic vehicles registered under this scheme are exempt from the payment of stamp duty, motor vehicle tax and national charges.

Conditional registration is only an option for historic vehicles if the registered operator of the vehicle is a member of a Roads and Maritime Services-approved Historic Vehicle Club and the vehicle's use of the road network is restricted.

See the list of Roads and Maritime Services-approved Historic Vehicle Clubs below (updated quarterly).

**Note:** For information about adding new clubs to the Roads and Maritime Services-approved Historic Vehicle Club list, please contact the Historic Vehicle Coordinator, Driver and Vehicle Administration, Grafton on (02) 6604 9391.

## Eligibility

An historic vehicle must be 30 years of age or older as from the year of manufacture.

Trailers can be registered under this scheme, provided all the requirements are met.

Vehicles must be as close to original condition as possible, with NO alterations except for safety features such as seat belts and turn indicators or period accessories and options, if desired.

**Note:** LPG conversions are acceptable providing the Historic Vehicle Declaration is completed by the Club Registrar.

The registered operator must be a member of a Roads and Maritime Services-approved Historic Vehicle Club. Proof of club membership (Historic Vehicle Declaration) must be provided to Roads and Maritime Services prior to establishing or renewing conditional registration. Club membership cards are **not** acceptable.

## Vehicle roadworthiness

A vehicle operating under the scheme must be declared roadworthy by:

- A safety inspection report (pink slip) issued by an Authorised Inspection Station examiner, or
- A club declaration of roadworthiness (valid for 42 days) issued by a club official (a safety inspection report **must** be provided if the club is less than two years old).

- If the vehicle is an historic plant vehicle, a customer roadworthiness declaration must be provided.

## Vehicle use

Vehicles can only be used for events organised by their Club, another Club or recognised community organisations provided an official invitation has been received and documented by the Club in the official minutes, or the official 'Day Book'.

Vehicles can also be used on a road or road related area for:

- Servicing within a short distance from their place of garaging
- The inspection of the vehicle.

If a longer journey is necessary, the member must notify the Club Secretary so that they can enter the details in the Club's official 'Day Book' or minutes.

Any Club member wishing to use their vehicles for the carriage of persons to or from a wedding or reception should first check their legal obligation under the *Passenger Transport Act 1990* with Transport for NSW's Accreditation and Licensing Section on 1800 227 774 or (02) 9891 8900. The Club must also authorise the use of the vehicle for this purpose.

Vehicles must display conditional registration number plates and a current registration label.

Name bars may be affixed to the number plate provided the positioning of the name bar does not obscure the number plate.

## Conditions

Historic vehicles registered under the conditional registration scheme are subject to the following conditions of operation:

- 'Registered operator must be a member of an authorised motoring club'
- 'Use only in conjunction with an authorised club event or maintenance'

The name of the registered operator's Club must be entered as a special condition. If the registered operator belongs to more than one club, the name of the primary club or both clubs may be entered as a special condition as requested. Other conditions may be applied as required.

The Certificate of Approved Operations, detailing the conditions applicable to the operation of the vehicle, must be carried in the vehicle whenever the vehicle is used on a road or road related area.

## Loads

Historic vehicles registered under the conditional registration scheme must meet the following requirements if carrying a load:

- Loads cannot be carried for commercial purposes. Loads must either be the private property of the vehicle owner and/or carried as part of a club event.
- The maximum load allowed is two thirds of the manufacturers load limit, and

- The load has to be restrained to the performance based standards detailed in the Load Restraint Guide

## Seatbelts and child restraints

Motor cars, tourers and limousines can only carry one person per seating position. Seat belts must be worn, where fitted.

Drivers of historic vehicles registered under the conditional registration scheme are exempt from the requirement to fit child restraints when carrying children between 12 months and seven years of age, **provided:**

- They have written advice from an authorised engineering signatory that it is not reasonably practicable to install seatbelts and/or child restraints in the historic vehicle, and
- This written advice is carried in the vehicle when transporting any child between 12 months and seven years of age.

All passengers under 12 months of age must be restrained in an approved child restraint

## General

This policy applies to NSW and ACT Clubs listed on Roads and Maritime Services' database. All members must be financial members of these approved Clubs and must be NSW residents.

Vehicles registered under the scheme may operate temporarily in other States and Territories, under the same conditions as apply in NSW. Temporarily is considered to be three months continuously.

Interstate vehicles (operating under a similar scheme in their home state/territory) may be driven in NSW if they legally comply with the rules and regulations of their permit/registration.

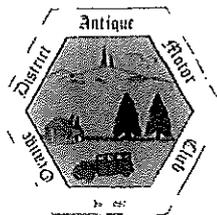

### Some page fillers

Two elderly women were driving in a large car, both could barley see over the dashboard. As they were cruising along, they came to an intersection, the light was red, but they went straight through. The woman in the passenger side thought "I must be loosing it, I could have sworn we just went through a red light" after a few more minutes they came to another intersection and the light was red again. Again they went through it. The woman in the passenger seat was almost certain that the light had been red but was really concerned that she was loosing it. She was getting nervous now. At the next intersection, sure enough, the light was red and they went on through that as well. So she turned to her friend and said "Mildred, did you know that we just ran through three red lights in a row? You could have killed us both" Mildred turned to her and said "Oh, am I driving?"

Only Irish coffee provides in a single glass all four essential food groups, alcohol, caffeine, sugar and fat. (Alex Levine)

My luck is so bad if I bought a cemetery, people would stop dying. (Rodney Dangerfield)

# Central Tablelands Autumn Tour 2013
