ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
President's report for March 2015

The March meeting was well attended. Thank you to the club members who attended and helped with the dinners that was provided for the Wagga Club. They were very appreciative of our efforts even though this was at short notice, mention was made at the last meeting of this group coming to Orange.

Dubbo 50th Anniversary celebration 30th to 31st May find entry forms in the magazine. The Packham's have registered for this event and are staying at the Able Tasman Motor Inn Newell Highway Dubbo Cost \$135. Per night this is across the road from the venue for the evening meal.

The twilight run has been cancelled due to a mix up of dates as it was to be on Easter Friday maybe we will have a casserole evening at the club house at a later date.

The Autumn Tour is fast approaching only one meeting before the event. I would like to encourage members to get their entries in. Plans are completed we will shortly be calling on club members for certain jobs. I would like to ask the ladies if they could bring a cake or slice for registration and morning tea on Friday 1st May and queries contact Nancy or Kerrie. This will be greatly appreciated to help make a successful rally. At last count there was over 70 entries with some people indicating that have not entered as yet.

The Sunday run will finish with a visit to the Orange show this section has been made a club run for all club cars.

At March meeting Kerrie requested table centre piece decorations to suit the vintage theme that can support a candle put you thinking caps on we need approximately 20 items.

Our treasurer has indicated that some people have not paid membership as yet please check your files to make sure you have paid.

We are attending the Easter Rally in Armidale and will attend the Bush Council Meeting as Orange's delegate.

Yours in vintage motoring

Events report: John Streetfeild reported on past and future events as per the events calendar. His concerns are that he arranges events which are over- ridden by others which adds confusion and affects attendance at events. Secretary Bruce stated the club has no proper events committee and until this is corrected John has to organize events without assistance and left open to criticism. So what about getting a proper events committee on the go with half a dozen club members in an attempt to improve the present situation. Subject: Oberon Steam and Vintage Car Show

I've have written this description of our weekend at the show on behalf of Don Marriott as he would like to express how much he enjoyed the weekend...

We arrived in the jeep at Oberon Thursday evening ready for the Steam and Vintage car show to start the next day. We were up for an early start Friday morning as we were joining the Oberon to Rockley run. We left for the run and followed directions until we arrived in Rockley where there was a wonderful lunch prepared for us all. After finishing our food, we had the opportunity to explore the historic Rockley flour mill which was filled with facts and memorabilia about the town and explained how the mill use to work.

We continued on from Rockley, admiring the beautiful countryside as we passed through. Arriving back in Oberon we parked at the Steam and Vintage Showground and it was the perfect opportunity to catch up with some old faces and admire the other vehicles that had joined.

On Saturday morning we joined the 10am parade and I think it was one of the largest to date with a variety of vehicles from steam engines, military jeeps, vintage cars and trucks joining. We paraded through the town of Oberon and parked at the Showground once again.

We walked around and enjoyed the other vehicles that had partaken in the parade, looked around the stalls, steam engines and restored engines people had bought to the show. There was a penny farthing riding around along with a miniature steam engine to! The show was very busy and it was an excellent turnout! I thoroughly enjoyed the event and will be looking forward to the event again next year and hope to see an even bigger turnout!

Kind regards, Don.

The Mainline was offered in 2-door [sedan](#), 4-door sedan, 2-door [coupe](#) and 2-door [station wagon](#) body styles. Dear fellow Vintage Motoring Enthusiast,

We would like to extend an invitation to you to join us on the 1st / 2nd / 3rd May 2015 for our bi-annual Autumn Tour.

The Tour is organized especially for pre 1931 vehicles. Over 70 vehicles entered our last Tour including 2 veteran vehicles. It is anticipated that this year we may have up to 100 entries.

Orange is known as the "Colour City" and Autumn is certainly a great time to come and visit. The early mornings may be a little frosty but the days are mostly moderate and sunny making perfect weather for touring around our colorful countryside.

Entries close on Friday 17th April. Registration will commence from 9:00 am on Friday the 1st May at our Club House, 11 Louie Lane, Orange with a free morning tea being provided.

After lunch there will be a short Run around the outskirts of the city visiting several places of interest. A map will be included in your Rally Bag.

Saturday will see us travelling on quiet country roads to visit the historic "Old Errowanbang Woolshed" built in 1886 where after a tour your morning tea will be available. We will then travel on to the small village of Neville for lunch where the vehicles will be judged, before returning to Orange. This run will be approximately 80 miles or 130 klms.

Dear fellow Model A owners a warm welcome to Young you'll love it.

Young is situated on the South West Slopes of New South Wales in the heart of the Hilltops Food and Wine Region, Young is renowned for glorious undulating countryside, vineyards, orchards, fascinating pioneering history, and exciting events and for being known as the Cherry Capital of Australia! Rich in history and character, the area was catapulted to the forefront of Colonial New South Wales with the discovery of gold in 1860. Chinaman's Dam, just out of town, is a popular picnic spot where the Chinese miners sluiced their gold after the riots, and is now home to the Lambing Flat Chinese Tribute Gardens. Young is also part of the Hilltops wine region, boasting several wineries with cellar doors. Where is Young I hear some of you say! www.visityoung.com.au/ and how do I get there!

Bathurst Bicentennial Colonial Fair

WE NEED YOU

Bathurst City is celebrating its **Bicentenary** on Thursday 7th May 2015, and to celebrate, the *Bathurst District Historical Society (BDHS)* is staging a "Bicentennial Colonial Fair" on Thursday afternoon 7th May and then on **Saturday 9th May 2015**.

As a part of this Colonial Fair, **on the Saturday**, there will be a display of Vintage Vehicles that were produced on or before **1945**. These vehicles can be cars, trucks, motorbikes, or bicycles. These vehicles can also be unregistered, providing they are in good condition and can be transported to the display site beforehand. Here is your chance to display your unregistered vehicle(s) that few of us ever get to see. Cartage assistance may be provided for unregistered vehicles in the Bathurst Region upon application. For those further afield, some travelling cost may be subsidised if we want your vehicle and we can find a sponsor to cover our costs.

The vehicles will be displayed either along the park side of Stanley Street or in the adjacent newly paved parking lot (see map overleaf). There may be only space to display about 75 vehicles (number yet to be determined) so applications must be made and be approved or else you will not be able to enter your vehicle(s) for display. There will be no entry fee to display your vehicle(s), nor will the public pay an entry fee.

An application form is provided overleaf. Applications may be:

Mailed to: Al Hammond, 1 Huntingdale Close, Robin Hill NSW 2795,

Emailed to: al.hammond@bigpond.com (**Enquires: 0488 977 702**)

Below is a brief list of some of those Saturday's activities/displays to be included in the Fair.

Marine Corps re-enactment; Settler's slab hut; People moving about in Colonial dress (i.e. Red Coats, convicts, etc.); Pipes, drums and brass bands; Convict barrack; General Colonial display(s) including a surgeon's tent; Lost trades such as wheelwright, whip maker, blacksmith, rope maker; Horse shoeing; Goldfields display; Stocks and demonstrations of their use; Indigenous (Wiradjuri) camp/display; Spinners, Weavers, Embroidery & Tapestry Displays; Colonial children's games; Maypole dancing by school children; Jumping castles; Merry-Go-Round; A small farm animals display; The Flying Pieman Organ; Vintage vehicle display; Ancient internal combustion and steam display; Steam traction engines; Army display; Vintage aircraft flyby; Tours of the New Flag Staff Complex; Damper stall; Food & drink stalls and more.

If your military vehicle club wishes to make a Club Run to Bathurst at the time of the BCBF with vehicles that cannot be in our primary display area, I'll see what I can do to accommodate the visit. Perhaps we can set up a special army display along the riverbank, behind the Showground, opposite the *Ancient Internal Combustion and Steam Engine* display – there should be plenty of room there.

You can find a lot of information on what activities will take place in Bathurst during the whole year by visiting <http://www.bathurst200.com.au/> and following appropriate links to the *Events calendar*, *Accommodation*, etc. This is a living website so it will change as information becomes available. The Bathurst District Historical Society is planning on extending its website to cover the *BB Colonial Fair* but as yet it has not done so. You can keep a lookout for it on <http://www.bathursthistory.org.au/>.
