Presidents Report for July 2019

VICE PRESIDENT'S REPORT

On a very rare occasion that our President Kerry was unable to attend the July meeting. We opened the meeting with a minute reflection for Lloyd Stevens who passed away recently; Lloyd was a founding member of this club. He was involved with the formation of the club in 1972. Lloyd and other used to travel to Dubbo for Vintage Car meetings. They called a meeting to see if there was enough interest to form a club in Orange, The one that was form is the club that we enjoy today, up until the last couple of years Lloyd rarely missed a club meeting, he enjoyed his vintage cars, his Humbers and Chev truck plus other in his collection.

I would like to welcome our new member Max Osborne. Welcome Max and enjoy the club. I would like to thank George and Kerry Gillett for their donation of out St Johns Ambulance defibrillator.

It might be winter but we can still enjoy our club runs Parkes Telescope, Bathurst Bell Tower and President's run also the run to Crookwell and Goulburn with the Sporting Car club (see editor's ramble in July magazine)

Xmas party and presentation night at Duntry League,
AHMF 2020 Rally at Albury end of March 2020.

Some comments have been made regarding our constitution and By Laws these need to be attended to before the AGM.

Happy rambling

Keith Packham

Annual Inspection Day

Vehicles on conditional registration with the ODAMC with a registration expiry date between 25th November 2018 and 25th May 2019 will be inspected on this day. This is because the certificate of roadworthiness (Pink Slip) and the club safety checks are now valid for 6 months. If you are unable to attend on the day then a certificate of roadworthiness (Pink Slip) may be required for the vehicle.

The following documentation will need to be sighted and details recorded by the Registration Officer on the day.

1. Historic Vehicle Declaration (RMS form #1259) partially filled out.
2. Registration Papers Current or renewal.
3. Current certificate of Comprehensive Insurance.
4. Proof of Club Membership.
5. Certificate of Operations for the vehicle (Purple Form kept in the vehicle).

Note

The annual inspection of vehicles on Conditional Registration outside of the expiry dates listed above may require either an ODAMC roadworthy check or a certificate of roadworthiness (Pink Slip). This will be at the discretion of the Registration Officer.

The Historic Vehicle Declaration Form will not be signed off this year unless the above documents are sighted and details recorded by the Club Registration Officer beforehand.

Club members with vehicles of HCRS are reminded if their membership fees are not paid by the due date they are not financial members and their registration and CTP will be void! (ie the vehicle is unregistered and uninsured).

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
EDITORS RAMBLE

Welcome to the August, 2019 edition of the ODAMC newsletter.

I mentioned in last month's newsletter that I would be away until early August and as result this edition would be late. I had the first two weeks of my planned four weeks holiday in the Campervan and saw a lot of outback SA, then onto Ayres Rock, The Olgas, and Kings Canyon then onto Alice Springs before cutting across to Townsville and Magnetic Island. Unfortunately I blew the head gasket in my campervan, 119 km out of Alice Springs so my planned trip came to a grinding halt.

I contacted the NRMA as was informed that I had Premium coverage with them. They organized accommodation at a resort in Alice Springs, a rental car and return air flights to Sydney and Orange. I have never been so impressed with the level of help the team at premium care offered. It made a disastrous situation very manageable. It will still cost a lot of \$ for the repairs but could have been so much worse without this assistance. I know a lot of members travel long distances and I can only urge you to get premium cover or similar. It always seems a bit expensive at the time of payment but after this, I wouldn't travel without it.

Euan received this email regarding an upcoming event.

Good afternoon Euan,

I have attached a flyer for the upcoming event at Old Errowanbang.

I am opening my home to the public for the first (and probably only) time to the public. Funds raised over the weekend will go to Dolly's Dream in support of Dolly Everett who at 14 took her own life after bullying got too much. The Everett family being personal friends to my family and I thought this was a great way to support them and a great cause.

I would like to invite the Club to nominate the weekend as a club run and display the cars for the public. I will set aside a car park within the homestead grounds to make a great display.

Our gate charge per person will be \$10.00 per head, but with the car club would like to offer you a \$10.00 per car to get in. I'm hoping the club members will appreciate the discount.

The dates are Saturday 2nd and Sunday 3rd November from 9.00am.

We are hoping to see about 3000 people through the gate over the two days.

If you could table the flyer and suggestion to come to the next meeting, that would be much appreciated. If the invite could also be extended to the other clubs in the area, they will also be most welcome.

Thanking you

Regards

Bernie has requested that that all members remember that Sunday 24th November @ 8.30am, is the Annual registration inspection day at the club house. A flyer has been placed in this newsletter to remind all members of the requirements for club registration.

We haven't received any pictures or reports for this month so I have added some pictures I took whilst in Alice Springs at the Kenworth/ Ghan train museum. Well worth the visit if you are ever up that way. Hope you enjoy, some very interesting items to look at.

Don't forget any member is more than welcome, and encouraged, to make suggestions for events. Also any members attending events are encouraged to take pictures and send them in so they can be put in the newsletter. It's a bit boring without any reports or pictures.

Don't forget to support our sponsors whenever you can as they support us.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated,
