## **PRESIDENT'S REPORT FOR JULY 2014**

Well members it has been a busy time with the vintage car club with some enjoyable runs lately. Thankyou to John S for the run to Edmond Suttors at the Rocks Hill with his collection of early farming equipment followed by a good lunch at the Bee Keepers Inn. Don't forget that the next main run is to Bathurst the Sunday after the meeting.

Christmas in July was well attended with over twenty members. We welcomed David New and his wife who at the next meeting have become members. David has an early 50's Mercedes. A big thankyou to Kerry for organising this event. On the subject of Christmas our Christmas party will be held at the Wentworth Golf Club in November date to be finalized at the meeting.

We have had enquiries regarding a film evening with the Sporting Car Club more on this later.

At the July meeting I attempted to consolidate the formality of the entering club runs through the meeting, my system did not work as easily as I had hoped I will explain this more thoroughly next meeting.

Don't forget the Presidents run numbers for bookings are to be in before the August meeting so that we can confirm our accommodation.

I realise that this perhaps is a little bit early but club registration inspection day at the end of November please ensure that your basics eg. light windscreen wipers horn blinkers etc are in order before you present your vehicle.

That's all for now

Keith

**CORRESPONDENCE OUT:** Nil.

**TREASURER'S REPORT:** Treasurer Bob Boaden tabled the treasurer's report and financial statement. The question of the outstanding Wangarang Invoice for \$66.51 was raised and this amount will be clarified by Chris Bromley prior to payment being made. Other accounts presented for payment by way of reimbursements to Peter Amos for \$724.96 for materials for club house kitchen modifications and Bruce Heinrich \$27.30 for Office Works printing of the 2014 Register of Club Members. Moved by Bob Boaden and seconded Bob McNeil that the treasurer's report be accepted and the above applications for reimbursements as presented be passed for payment. CARRIED.

**EDITOR'S REPORT:** Chris Bromley indicated that the above outstanding invoice was possibly to do with the recent mailing system changeover and he would check it out and advise accordingly prior to payment of the account. All good so far as the magazine is concerned and is always receptive to items for inclusion in the next or subsequent editions.

**EVENTS REPORT:** John Streetfeild reported on past and future events as listed in the events calendar with particular reference to the visit to Edmund Suttors property and his impressive antique display. As there was no charge for this visit John suggested that the club recognise Edmund for his contribution by way of some club appreciation. Moved Chris Bromley and seconded Kevin Penson "That a suitable gift be purchased to the value of approximately \$20 of the grape variety for presentation to Edmund Suttor in recognition of the club's appreciation. John Streetfeild to arrange." CARRIED.

The Christmas in July dinner on 19<sup>th</sup> was an outstanding success with 20 members or so in attendance who enjoyed an excellent meal with some frivolity and socialisation associated with the Christmas theme. Our thanks are due to Kerry Ristromm who was behind the organisation of this event and was much appreciated by all in attendance. The 'yea of the day' to Kerry. Other items for the events calendar are dealt with hereunder in general business.

**GENERAL BUSINESS:**

An application for club membership was made by David TOY and his wife Susan from Milthorpe having met club requirements of attending two previous club events. We welcome them into the club and trust that they will enjoy club activities and socialisation with other members.

OTHER FUTURE DATES TO KEEP IN MIND ARE (1) **ANNUAL CLUB REGISTRATION 8.30AM ON SUNDAY 23<sup>RD</sup> NOVEMBER 2014** and (2) **ANNUAL CHRISTMAS DINNER WENTWORTH GOLD CLUB ON SATURDAY 29<sup>TH</sup> NOVEMBER 2014.**

As mentioned in the incoming correspondence a survey form has been received from the Bush Council in regard to modified vehicles being considered for the issue of "M" number places. The survey had two pages of options to be considered. As the proposition of modified vehicles being issued with historic plates has long been opposed to by this club which remains compliant to the current RMS policy. The survey form has been perused by Bernie Schell and Keith Packham and returned to the Bush Council with these views being maintained and the proposal of "M" plates being left to those who wish to persue that option.

### EDITORS RAMBLE.

Last Month Wangerang added the post out of the magazine into the package. This seems to have gone well as I haven't heard of anybody not getting the magazine. I did inquire about having some business cards made but this service is not available. Club information sheets have been added to the mag again this month and these can be used to distribute out to people who may be interested in joining the club. Welcome to new members David and Susan Toy from Millthorpe.

We would like to welcome a new sponsor for the club, **Naughtons on the hi-way**. Naughtons offer a wide range of services including Ute and pantec rental, Mechanical repairs, car servicing, wheel alignments, rego checks, Naughtons have been my service station of choice for the past 15 years and Darren has been my mechanic for most of that period so I can certainly recommend them.

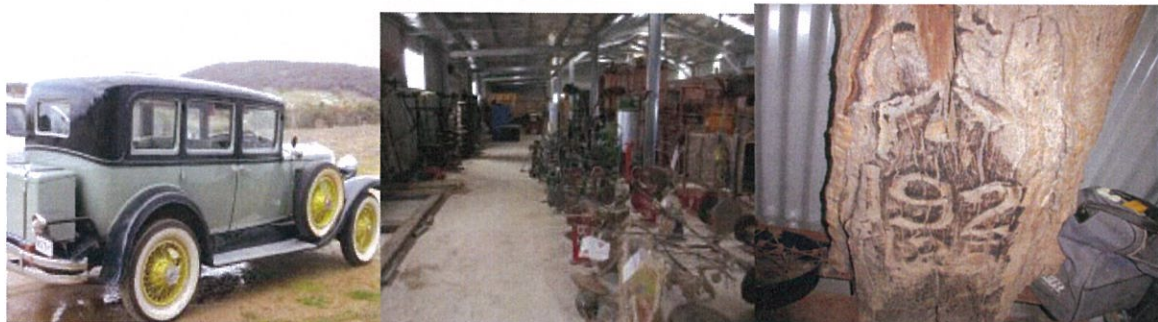

This Month's magazine contains a Flyer for the "Meet You In Molong" event, to be held on September 13th. One for the "Motoring expo" to be held on October 5th, one for the Dubbo vintage truck and tractor show to be held on August 9th. And an invitation and application form for the Presidents run to Hill End to be held on 25th - 26th October. Bob sent in a report and some pictures of the Sunday run held on 6/7 to The Suttors property and the Christmas in July run. Ken sent in a link to an article Oilfield Dodge 1920. Andrew sent in a link to Retroautos. I have also included some interesting signs that were sent in to me that I'm sure some of us will agree with.

**Rego day is 23rd November, from 8.30am. Bernie reminded us all to have our vehicle Declaration forms completed and to have done basic checks of Brakes, lights and tyres, prior to the actual inspection.**

As we have a 1939 Mercury on the cover of this months mag I thought It would be appropriate to include an article of the same car.

### Sunday Run 6.7.14

Sunday didn't look too good when I first looked out before brekky, but by 9.15 all was sweet and we dragged the blue flyer up to Cook Park to meet up with the others. Out of town into light fog to pull up at our sponsors " Two Fat Ladies " for a hot cuppa , some cake OR even scones and jam maybe even bacon and eggs. Next move was to head east with lights blazing to pull into Mr E Suttors property. Time to stretch the legs and have a look in a really good mancave, well laid out with room to get around even for wheel chairs. Very interesting collection, but its obvious that one shed is never enough and neither was the time we spent with this informative owner, Thanks. For most it was onto the Bee Keepers for lunch and then a tour of the brewery. Bob and Marg

## Xmas in July

Organized by Kerry, this event has to be a high point on our social calendar, Thanks Kerry. People came early to light the fire and when most of us arrived at 5.30 for nibbles the place was buzzing, right on time we all sat down and Kerry, with the help of her team produced a magnificent dinner, followed by "to die for dessert" and of course to chew up a few calories some entertainment in between. Everybody who turned up had an enjoyable evening. Thanks members, a great night out. Bob and Marg.

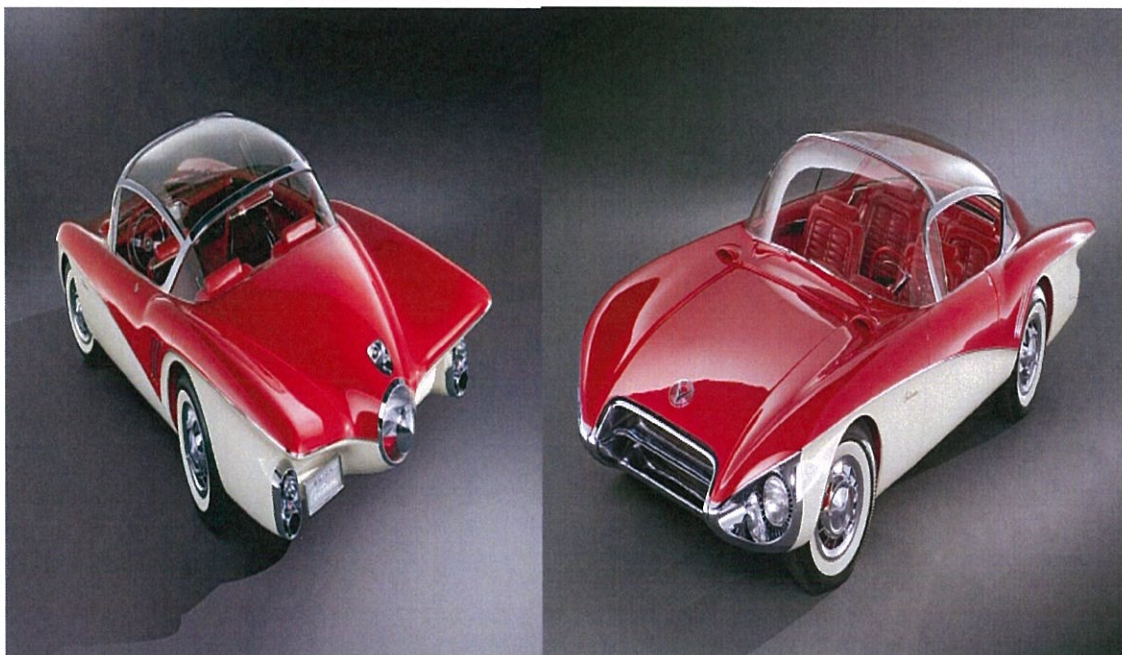

Thought the members might enjoy this, albeit it is a Dodge which is possibly why it fell over! Cheers Ken

We couldn't drive our cars like that today. They wouldn't make it!

Thanks Andrew

**The Mercury Eight** was the first model of the [Ford Motor Company's Mercury](#) marque and was produced from the 1939 through the 1951 model years. It was the only model offered by Mercury until the marque starting producing multiple series in the 1952 model year, at which point it was dropped as a model designation

1939 Mercury 8 Town-Sedan

The advertisements for this car declared it to be "The car that truly dares to ask 'Why?'" , referring to the idea that a big car couldn't also be economical.<sup>[1]</sup> The Mercury was priced in the thousand dollar range, several hundred dollars more than the Ford V-8, several hundred less than the [Lincoln-Zephyr](#) and about the same as the upper range [Oldsmobile](#) and [Dodges](#) and the lower-range [Buicks](#) and [Chryslers](#), sales from all of which, it was hoped, the new Mercury would usurp.<sup>[1]</sup> Its engine was a 95 hp version of the [Ford flathead V8 engine](#), its styling was inspired by the Zephyr, and it had [hydraulic brakes](#) from the beginning.<sup>[1]</sup> With a wheelbase of 116.0 in (2,946 mm) and an overall length of 196.0 in (4,978 mm), it was a good sized car, which the Ford company advertised extensively, together with its up-to-20 mpg performance-"few cars of any size can equal such economy."<sup>[1]</sup> Double sun visors became standard in 1940.<sup>[3]</sup> Braking was via 12 inch [drums](#).<sup>[4]</sup>

Although "Eight" script would not appear on the front of the hood until the 1941 model year, sales literature prominently referred to the car as the "Mercury Eight" from the very beginning. This is no doubt because the actual series names, 99A in 1939<sup>[1]</sup> and 09A in 1940,<sup>[1]</sup> were somewhat less enticing. A 1940 09A model has the words "Mercury Eight" in an emblem that runs from front to rear alongside the top hood lines on both sides. It appears as chrome wording on top of a double red bar.

By the end of 1940 Mercury could run with the headline "It's made 150,000 owners change cars!"<sup>[1]</sup>
