## Presidents Report July for August 2017

Sunday 23<sup>rd</sup>. Run to Packhams for lunch.

Well... What can I say. It has been a perfect day for vintage motoring. Scarcely a cloud in the sky, only a slight breeze and the welcome hospitality from the Packham family once again. Clearly there has been many hours spent in preparation by Nancy and with Keith & Charles manning the bar-b-q a scrumptious lunch has been enjoyed by all. Thanks again to you both from the bottom of our hearts. It was good to see our new members joining us today. New faces and vehicles are always welcome.

As some of you may be aware, long stalwart of our Club Ken Gazzard has decided to leave the district. Ken has been a member for many years and has been an excellent contributor all that time being involved in many projects and assisting in many rallies and events. We wish him and Loan the very best of health and happiness in their new chapter. Ken and Loan, you will be missed.

Despite the fact we are in the middle of winter, though you would barely notice with the lack on any substantial rain and the predicted flurry of snow, there is plenty on the events calendar to keep us all busy. There are up to three events per month for the next six months with lots of opportunity to keep us on the road. A number of combined runs with other clubs in the district, Lithgow, Bathurst, Cowra, Parkes and the Sporting Car Club to mention just a few. All coming together in the spirit of motoring pleasure.

John will be in the chair for the next meeting. In the meantime keep warm and stay healthy.

*Happy rambling.*

*Kerry Risstrom.*

EDITORS RAMBLE

The events committee have met again (Which I forgot to attend, hence the BOT) and have managed to get some exciting new club runs and events up and running for the second half of 2017, early 2018. It is a lot easier for a group of people to do this rather than leaving this task to one person. If you have any ideas for any events or runs that you would like to happen, please let us know so we can include it in the events calendar.

Thankyou, once again, to Rosemarie Amos for updating our sponsors page.

I had the pleasure of gliding at the Bathurst Soaring Club. What an amazing and beautiful trip. Its an easy flight and event to do, just visit Pipers Airfield , on Freemantle road ,Eglinton, on any weekend or public Holiday , pay \$200 and off you go. It sounds expensive but if you think of the associated costs involved, I think its good value. The Soaring club members would be more than interested in group bookings from any car club, or just turn up yourself. they are a very competent and friendly group of people and have a great club house with facilities that are available to visitors. contact John on 0425281450.

Due to unforeseen circumstances, there have been some changes to the July ,August and September supper roster,

On the cover of this months magazine is Bernie and Elizabeth Schell's little 1964 Austin Healy Sprite mk3 . I have added some information on this car from Wikipedia, the free encyclopaedia.

An invitation from the Yass Antique Motor Club for an event to be held on Saturday November 14th. The Cootamundra Antique Motor Club 26th Fathers day swap meet to be held on 3rd September. Forbes Motor Show incorporated, letter and entrants registration form set down for Sunday 1st October.

A revised inspection day notice from Bernie Schell.

In the for sale section you will notice that Ted Cutler's beloved 1928 Chevrolet 4 is for sale . This is a significant car to the ODAMC as it was the first car registered with the club and bore the plate number 001. Ted is also one of the first founding members of the club.

Bob McNeil rang to say that the Model A Ford club where having their presidents run and would be in Orange from Friday 22nd - Monday 25th September 2017. Discuss at the next meeting re possible interaction with this club during their stay in Orange. some page fillers from my calendar that I think can be apt.

## **Annual Inspection Day**                      **(Revision Notice)**

The annual club inspection day will be held on Sunday 26<sup>th</sup> November 2017 at the car club building starting from 8am.

Vehicles on conditional registration with the ODAMC with a registration expiry date between 26<sup>th</sup> November 2017 and 26<sup>th</sup> May 2018 will be inspected on this day. This is because the certificate of roadworthiness (Pink Slip) and the club safety checks are now valid for 6 months. If you are unable to attend on the day then a certificate of roadworthiness (Pink Slip) may be required for the vehicle.

The following documentation will need to be sighted and details recorded by the Registration Officer on the day.

1. Historic Vehicle Declaration (RMS form #1259) partially filled out.
2. Registration Papers current or renewal.
3. Current certificate of Comprehensive Insurance
4. Proof of Club Membership.
5. Certificate of Operations for the vehicle (Purple Form kept in the vehicle).

### **Note.**

The annual inspection of vehicles on Conditional Registration outside of the expiry dates listed above may require either an ODAMC roadworthy check or a certificate of roadworthiness (Pink Slip). This will be at the discretion of the Registration Officer

The Historic Vehicle Declaration Form will **not** be signed off this year unless the above documents are sighted and details recorded by the Club Registration Officer beforehand.

Club members with vehicles on HCRS are reminded if their membership fees are not paid by the due date they are not financial members and their registration and CTP will be void! (ie the vehicle is unregistered and uninsured).

**Subject:** Cargo Markets.

Hello everyone,

The end result.

Thank you all so much for the support to myself and importantly to Russell. I hope you all had a great day, sales wise and socially. The networking is an important part of the markets and I hope that was successful as well.

Between us all we raised a stunning **\$5,997.85** with more to come in. Everyone was so generous and we hope to have another once the weather is a bit better. We were so lucky with the weather.

Can I please ask if you all could give me feed-back as to what was good, what wasn't, how can we do better, and anything else to make it better next time. Would you come again and if not why??

One more thing, we have a lot of hay for sale at \$5 a bale, so if you know anyone who could benefit from mulch for their garden, ask them to call us on 63643207. We can deliver to Orange, Molong and Canowindra.

Again, many thanks and hopefully see you next time.

Kind regards.

Kathy.

# Austin-Healey Sprite

From Wikipedia, the free encyclopedia.

The **Austin-Healey Sprite** is a small open [sports car](#) which was produced in the [United Kingdom](#) from 1958 to 1971. The Sprite was announced to the press in [Monte Carlo](#) by the [British Motor Corporation](#) on 20 May 1958, just before that year's [Monaco Grand Prix](#). It was intended to be a low-cost model that "a chap could keep in his bike shed", yet be the successor to the sporting versions of the pre-war [Austin Seven](#). The Sprite was designed by the [Donald Healey Motor Company](#), with production being undertaken at the [MG](#) factory at [Abingdon](#). It first went on sale at a price of £669, using a tuned version of the [Austin A-Series](#) engine and as many other components from existing cars as possible to keep costs down.

When the Mk. II Sprite was introduced in 1961 it was joined by a [badge-engineered MG](#) version, the [Midget](#), reviving a model name used by MG from the late 1920s through to the mid 1950s. Enthusiasts often refer to these later Sprites and Midgets collectively as "Spridgets." The MG-badged version of the car continued in production for several years after the Austin-Healey brand ceased to exist.

## Mark III

The Mark III Sprite was also marketed as the Mark II MG Midget – differences between the two were again restricted to minor trim detailing. Although still 1098 cc, the engine had a stronger block casting, and the size of the crankshaft main bearings was increased to two inches (engine code 10CC).

A new (slightly) curved-glass windscreen was introduced with hinged quarterlights and wind-up side windows. Exterior door handles were provided for the first time, with separate door locks. Though the car could now be secured, with a soft-top roof the added protection was limited. The rear suspension was modified from quarter-elliptic to semi-elliptic leaf springs, which gave a more comfortable ride for a near-negligible weight penalty as well as providing additional axle location, the upper links fitted to the quarter-elliptic models being deleted. Though scarcely sybaritic, these changes helped the Sprite and Midget compete with the recently released Triumph Spitfire. 25,905 Mark III Sprites were made. Engine: 1964–66: 1098 cc [A-Series I4](#), 59 hp (44 kW) at 5750 rpm and 65 lbf·ft (88 Nm) at 3500 rpm

Dear Club Members

## SAVE THE DATE

The year is flying by, and we are fast approaching November when 'Classic Yass' will once again show case many beautiful and interesting vehicles from around the state *and beyond*. I would like to ask if you could mention 'Classic Yass' at your next meeting and possibly add it to your web-site, magazine and calendar if you've not already done so. This year, the event will be held on *Saturday November 4th*.

Again Classic Yass will be held in two parks, Banjo Paterson Park and River Bank Park where we will park cars in roughly chronological order - motor show style. 'The Hips' (with '*Rockpile*' Jones and Paul McCann both of *Ol' 55* fame) will once again entertain us through the day in the park and again in the evening, at the Saturday night dance. *Saturday morning will also feature the official start of the Alpine Rally, ensuring a memorable start to a fun weekend!*

We are in the process of making arrangements with other groups to provide further attractions on Sunday in the close vicinity of Yass, making it a great weekend in the Yass Valley. We will be keeping the web-*site* and Facebook page up to date as arrangements are confirmed. (web-*site* to be updated soon)

We look forward to seeing some of your members at this great event.

Kind Regards

**You are invited**

to enter the

**Council of Heritage Motor Clubs**

**Annual Rally**

hosted by the

**Namoi Valley Antique Vehicle Club Inc**

**Easter 2018**

Good Friday 30th March to

Easter Monday 2nd April

at **NARRABRI**

Open to

All pre 1988 vehicles

NB: Entries will close at 200 or on the 31st January 2018, whichever is reached first.

The **Namoi Valley Antique Vehicle Club (NVAVC)** is honoured to be again given the privilege to host the Council of Heritage Motor Club's (CHMC) Annual Rally in 2018 in our Fortieth Anniversary year and twenty eight years after first hosting in 1990.

The format for the Rally will be similar to previous rallies, but with the facilities not available to cater for the expected entry numbers at a realistic cost, we have had to look at alternatives.

We hope that you can participate over the Easter weekend and enjoy the environs of the Namoi Valley, as well as the camaraderie of like-minded people. You are welcome to arrive early and depart later than the Easter weekend to enjoy the local attractions. Rally activities will be as follows:

**Friday** From 10.00 am to 4.30 pm - Registration at Narrabri Information Centre, with a welcome cuppa supplied. There is an option of a fish meal at the RSL or your choice at other town venues. The CHMC AGM will be held at 7.30 pm at the RSL.

**Saturday** Assemble at 9.00 am for a car display behind the Information Centre. This display will encompass the Concours d'Elegance and Mal Mason Judging. The display is a short walking distance from the town centre and will allow those inclined to shop or have coffee if desired. After lunch entrants will be free to choose their afternoon activity at their leisure.

Please note that the display venue is within close proximity to KFC, McDonald's, Subway, the Bakery and other food outlets if you wish to make use of that option for lunch.

Dinner from 7.00 pm will be at the RSL. There will be no music so people can talk, but light entertainment will be provided.

**Saturday afternoon tour options to include:**

1. Santos Gas Field Coach Tour: Numbers are limited and are available on a first served basis, cost \$8.00 per head. Allow approx three hours.
2. Self Drive to the Fish Farm for a tour. Can cater for approx 40 vehicles. Cost \$8.00 per head. Please note this is approx 20 km from Narrabri and has approx 5 km of heritage road. Allow approx three hours.
3. Self drive to Mt Kaputar National Park, approx 50 km east of Narrabri. This again contains heritage road and is not recommended for two wheel braked vehicles. An excellent trip to be done with caution. Allow four hours.
4. Self drive to the CSIRO Telescope approx 22 km and Yarrie Lake a further 6 km, with only a short section of heritage road at Yarrie Lake. Allow approx two hours.
5. Visit the Old Gaol Museum in the town precinct. Allow at least an hour.
6. Self drive to Sawn Rocks, about 33 km on a bitumen road, with an easy walk to the Rocks. Allow 2.5 to 3 hours. Parking is limited to about 20 cars at any one time.

**Sunday** Ecumenical Church Service at 8.30 am.  
9.30 am Assemble behind the Information Centre for a cuppa before departing for Wee Waa where lunch will be served before the return trip to Narrabri.  
Assemble at 5.00 pm at the RSL for a light meal and Presentation of Awards. This will allow those who desire an early night the opportunity to do so, but you are welcome to linger if you wish.

**Monday** 7.30 am Farewell Breakfast to see you on your way if you have to leave on Monday.
