President's Report December 2011

A big thank you to Peter and Joan Stonestreet for allowing us to invade their garden for morning tea Sunday 23rd Oct before heading down to Newbridge for lunch at the local pub. A great way to spend a lazy Sunday eating drinking and being entertained by all local people. Let's hope we can do it again.

From what I hear our annual rego day went off without a hitch. Good to see all those club members who choose to have their vehicles on Conditional Registration, keeping them in good working order. Thanks to Bernie our registration officer for his efforts on the day and all those club members who assisted.

A good rollup for our AGM at the November meeting was pleasing to see. All positions have been filled. I have been privileged to sit in the President's Chair for another year. This is the easiest job as I feel it's the club members who do all the work.

A big thank you to Peter and Rosemarie Amos for the wonderful job they have done as editors of our magazine for the past four years. This is a big commitment each month to keep our members informed and entertained. A big thank you also to Chris Bromley for taking on the position as Editor. Remember the magazine is only as good as the content so lets keep those articles coming. It's not just up to the editor of the day to contribute, all club members are encouraged to put in anything which might be of interest to our club members and other clubs.

Our Christmas Party held in the club rooms was a great night of friendship , fellowship and of course good food. Thanks again to the Amos family and particularly Rosemarie for all that home cooking. Those luscious deserts kept everyone coming back for more. No shortage of good cooks in this club.

Our Club Awards were announced on the night so I am pleased to list all winners as follows:-

Les White Memorial Trophy (points score)	Peter Amos
W Cameron Pride of Ownership Trophy	Dick Jane
Club Person of the Year	Ken Gazzard.

Congratulation to all winners. I feel everyone would agree, all well deserved.

Keith will take the Chair for the December meeting as I will not be available. I will hopefully be available for the January meeting and the Rally meeting that same week. Have a safe and happy break for the festive season. I'm going for a sleigh ride. Merry Christmas.

Happy rambling.
Kerry Risstrom, President.

Experience Orange and District for Easter 2012

Come and join us on the beautiful central tablelands. Orange and the surrounding historic towns and villages offer scenery coloured by autumn tones as well as a variety of local produce and wines.

Orange is located on the Mitchell Highway 260 kilometres (160 mi) west of Sydney at an altitude of 862 metres (2,828 ft). Orange presently has a population of approx 35,000 and the city is a major provincial centre.

Mount Canobolas provides a landmark back drop for the city with an altitude of 1,395 metres (4,577 ft) it gives commanding views of the district.

Orange is a well-known fruit growing district, and produces apples, pears, and many stone fruits such as cherries, peaches, apricots and plums (no oranges because it is too cool) A large number of vineyards have been planted and the area has become known for wine production. The growth of the wine industry has been coupled with the further development of gourmet food as a feature of the region.

Orange has a temperate climate, with rainfall distributed fairly evenly throughout the year. So bring your cardigan or jumper and breathe the clean fresh county air.

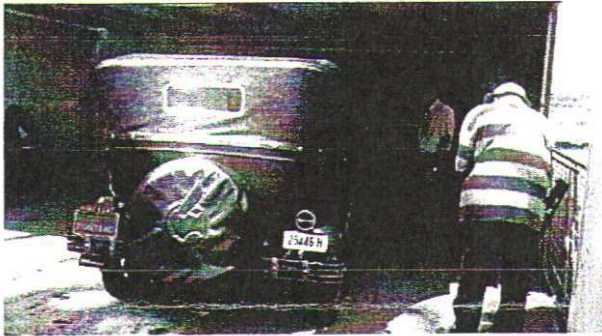

Come and join us for scenic runs, a chance to catch up with old friends and make some new ones, enjoy good country hospitality and share a common interest in historic vehicles.

Rego. Day 27th November Bernie Schell and his crew of Scrutineers were kept busy on Sunday 27th November when 32 club vehicles were checked for rego. Most were in pretty good order but for a few minor adjustments and repairs to be made. It was good to see Paul Slattery who has re-joined the club bring along his T-model Ford to re-register. A lovely morning tea was had during the morning with all inspections being completed by 12:00 pm.

Christmas Party 3rd December Our Christmas Party was held this year in the Club House, which proved to be a very happy and successful night full of Christmas cheer. There were plenty of members who helped set up, serve the meal and clean up after everyone was well and truly fed! Many thanks to all those who helped, "many hands make light work". Thanks to those ladies who dressed accordingly in the Christmas spirit, the flashing earrings were a great asset when the generator ran out of petrol! President Kerry also presented the annual awards during the evening. Congratulations to Ken, Dick and Peter.
