Presidents Report for February 2019

President's Report January meeting 2019

Welcome to a new year of historic motoring. The January meeting was a full house in our club rooms which is pleasing to see.

We were all very saddened to hear of the recent passing of long time member Janelle Wilton. Janelle was a very active member for some 15 years and participated in lots rallies and other outings. Our condolences go to her family and many friends.

The year ahead is looking like another busy year in our club. I am pleased to announce the 2nd Monday of the month we have slotted in to our events calendar a Ladies Day to be held in our club rooms from 9.30am. This is something which is long overdue and I anticipate many happy hours of fellowship to take place at these meetings. Just what happens at these meetings, well you will just have to turn up and see for yourself. All welcome.

A good roll up was enjoyed at a recent event in Lyndhurst to visit the property of Richard and Alison Clark. The family have been in the timber industry for a number of generations, so provided our members with a wonderful display and information of the history of timber in NSW. There is nothing quite like the feel and look of genuine timber. It was a privilege to be invited to the Clark family home and our thanks go to them and to Richard & Rhonda Bloomfield for organising.

The annual Gnoo Blas display is the next event on the calendar, always a crowd pleaser. The bi-annual Autumn Tour is now in full preparation and from all accounts will be well attended by some new comers as well as familiar faces. I urge all members to enter the rally. Not just those who are privileged to own a vintage or veteran vehicle. All other members can attend the runs morning teas, meals and of course the presentation dinner. Regardless of the vintage of your vehicle we are all part of the one club.

We only get one chance at life. So participation is the way to get the most out of it. I wish everyone a happy, healthy and successfully new year.

Happy rambling.

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
EDITORS RAMBLE

Welcome to the February 2019 edition of the ODAMC newsletter, I hope you enjoy it.

There were a few errors in last month's Events calendar. The two events set down for Thursday's 14th of February and March, should have been for Thursday's 7th of February and March. This has now been corrected and I do apologize for any confusion this may have caused.

After the last club meeting, there was a vote to include an extra monthly event for members of the club, so there has been an edition of a Ladies morning that will be held at the club house ,every second Monday of the month at 10am. People attending are reminded to bring your own refreshments and snacks. The first scheduled time for this is Monday 11th February, at 10am. We hope you all enjoy it. Sounds like a bit of fun and a giggle.

This month includes a flyer for the Young Heritage Motor Club's 5th Annual Car Muster to be held on Sunday 31st March. This has been placed in the Non club events section.

Some pictures I took at the Millthorpe BBQ, It rained as if we were in North Queensland. It brought the attending members closer together though. I got back home and not a drop, Oh well.

A very good turn out to the Sunday 20/01 run for lunch at the Lyndhurst Hotel. It was the hotels last day operating as a food venue so they certainly went out with a bang. We managed to empty out their entire stocks of food. Even the local Take away did a roaring trade. The proprietor of the take away asked me to thank the club for coming to Lyndhurst. She said she expected to sell a few extra coffees but had surpassed all her expectations and had to get her husband off the lounge to come and help. It makes you realize how these little village businesses really appreciate the clubs patronage.

Anne sent in some pictures and a short report of two of our members who participated in the Elvis festival street parade in Parkes and some pictures of our visit to Woodview, the property of Richard and Alison Clark who hosted a display and talk about Timber that was enjoyed by all who attended. Thank you Richard and Alison. Charles sent in some great American car accessories Ads from the 1950's, it's surprising any of us survived.

Anne also sent in a mystery photo, Who belongs to these legs?
Les Cridland sent in a cartoon that I think we can all relate to.

This month's edition also includes the application for the pre 1931 autumn tour to be held on 3rd, 4th and 5th May 2019. Keith sent in an application and some information regarding the Bush Council Rally to be held from 17th _ 20th May 2019.

All Members are reminded that those who have not paid their membership club dues (due in November, last year) and are using cars that display H plates (Historic Registration) that as from 01/01/19 you are non-financial members of the club and as a result are now driving unregistered, uninsured vehicles. Under RMS guidelines you could face a fine of \$2000. This includes people who have opted for the 60 day log book system. You must be a financial member of a recognized club to have the privilege of using the H plate system.

Members attending any events are encouraged to take pictures and send them in so they can be put in the newsletter.

Don't forget to support our sponsors whenever you can as they support us.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated

Out and about.

Millthorpe BBQ, absolutely poured down. It brought all club members together in a group huddle under the roofs of the shelters, trying to keep dry. Got back to Emu Swamp and not a drop

Two of our members putting on a show in the street parade at the Parkes Elvis Festival.

Some interesting ideas from the early 60s. sent in by Charles

As a health professional, I was a bit concerned about the baby in the hammock but as the Ad states. Rear view vision is not impaired, thank goodness. The flare o flames, on the back of my Capri, just that finishing touch I have been looking for. I don't usually use gravel for my oil disposal but I will now , why didn't I think of that ?

Disposing of used engine oil can be a problem. Solution: Dig a hole in the ground with a posthole digger and fill it with fine gravel. Then pour in the oil. It will be absorbed into the ground before your next change. Cover the spot with soil.

*Car club events organisers are always
 looking for new and interesting places to visit
 so this is a ready-made, organised event for
 a full weekend away in the country.*

It's 26 years this month that a small group of people decided
 the history of the former Gnoo Blas road racing track should be
 preserved, called themselves Gnoo Blas Revisited and asked the
 City Council to rename Orange Sportsground Sir Jack Brabham
 Park, because it was here Sir Jack started his road racing career.
 They sold chook raffle tickets for funds to put up the old corner
 signs. The group then formed the Gnoo Blas Classic Car Club with
 eight members. Today 26 years later it has more than 290.
