President's Report December Meeting 2012

I hope all our members were able to spend Christmas and the festive season with those near and dear to you.

Our Christmas Party was a quiet intimate affair at Kelly's Rugby Hotel and I think anyone who was able to make it would agree, a beautiful meal. The Club awards were announced that evening beginning with the presentation of a bunch of flowers to Margaret Bowyer for her special efforts on producing the beautiful beaded doll for raffle at our Easter Rally. Margaret was very humble in receipt and advised us the Lady who won the Doll put her alongside all her other dolls and named her *Margaret*. A fitting tribute to her creator. She also said it was the first time in many years she had received flowers. *I'll say no more on that score.*

Next up was the highest points score for club participation, The Les White Award. This award went to Peter and Rosemarie Amos. A matrix of points gained has been supplied for any club member who would like to examine same. Congratulations to the Pete & Rose. A job well done collating events for the club.

The Pride of Ownership Award went to Les and Sandra Cridland for their little yellow Austin 7. A source of pride for Les for many years. I have photo evidence of the Austin's participation in our Easter Rally in 1994.

The Club Person of the Year Award was presented to Keith Packham. This award was well deserved as, if not for Keith's and of course his side kick Nancy's enthusiasm for the club we would not have held our very successful Easter Rally, among other events. Keith and Nancy have been one of our longest and most dedicated club members for more years than either of them would care to mention. Thank you both. You have enriched the club immensely and congratulations.

It would appear as if our club will hit the ground running with the calendar for 2013 already filling up. First up will be the Vauxhall Club visit Wednesday 9th Jan. Due to work commitments I will be unable to attend however I know those who do will enjoy seeing these beautiful vehicles lined up around our own Lake Canobolas. See events for details. The Elvis festival will again provide it's usual amount of excitement. Australia Day will see many of our members scattered around various organized events.

Later in the year the Temora Air Museum will be holding a three day event. Due to the overwhelming attendance at this event accommodation will need to be booked soon. Please advise numbers and nights at the January meeting. Drivers of historic vehicles will receive free admittance to the event on static display. See our events or speak to Peter for information.

I am pleased to announce Bruce Heinrich has offered to take on the position of Secretary. With our retiring Secretary Robert to fill in for him on occasions when he is not available. We now have a full committee with all positions filled. A busy and exciting year ahead of us.

Happy rambling,
Ms Kerry Risstrom.

EDITORS RAMBLE

This Month there is an Entry Form for the Central Tablelands Autumn Tour for 2013. I have also kept the ' CARnival application for Australia day, 26th January. Sent in by Bob McNeil, in case there are any late entries. Also a Exhibitors registration form for the Highlands and vintage Fare to be held on 9th and 10th of February.

As you will see by the minutes, we have a few new office bearers, there help is greatly appreciated and many thanks go to the outgoing holders of these positions. The office bearer's page has been updated accordingly.

Rego day was interesting, as usual. Cars that run like clock work all year seem to pick rego day to blow light bulbs, seize wheel cylinders, jam on brakes, and any other irritating malfunction they can think of. You have to love old cars

I would just like to take this opportunity to wish all our readers, club members and others, a very happy and safe New Year.

Please be reminded that some membership subscriptions of \$40.00 are now overdue and Payment now would be greatly appreciated. Please see Kevin Penson for a receipt. Magazine postage and membership will cease if payment is not received.

This month's magazine, is a little late as Wangerang Industries, our printers, have been on well earned holidays, until 2nd January 2013.

Bob McNeil emailed and sent some pictures in "Chris

Went down to Bathurst to the Early Holden Nationals, hundreds of cars on display, great weather. Cars came from most states, some with caravans, some trailered, from the wild to mild. Our old fj ran down like it should and even parked in the carpark we fielded questions and lookers while we were there, not many originals left. Came home after lunch with our son Ian and his new wife Jess, they were on their way back to Sydney after being to Tassie.
Bob".

FJ, yeah right

Taxi !!!

Came a long way with van. W.A

Thanks Bob. The pictures looked a lot better in colour, particularly the Taxi.
