Presidents Report for January 2019

As this is my final president's report, I would like to thank all office bearers for a job well done and wish the new executive a successful 2019.

Congratulations to the award recipients and thank you to all who, with wives or partners, volunteered their time and expertise for club events.

That our club is growing from strength to strength is entirely due to its members. My only suggestion would be that we need to raise our profile with other clubs and the people of Orange. Perhaps more joint club runs and charity outings such Lee Hostel and UPA which were very well received.

Kerrie and I wish you all a safe and happy Xmas and look forward to catching up next year.

Happy motoring

John N

A message from outgoing ODAMC Secretary Anne Magill.

After joining the Orange District Antique Motor Club in 2016 it came as a surprise to find myself as The Secretary in 2017 and again in 2018.

In 2017 I hardly knew more than a few names of the members and even less about the running of the club and the area of Orange and the surrounds.

It was a steep learning curve but one that was well worth the effort. Being Secretary of ODAMC has given Owen and me the opportunity to meet a lot of interesting people with a mutual interest in historic vehicles. Thank you to these people for giving me this opportunity.

I would like to wish the new committee every success in their future endeavours.

Happy and safe motoring to all the members.

Kevin Bowyer wrote another part to his story of being a beekeeper honey producer.

The first picture shows our International Acco truck loaded with stringy bark honey. The hive loader on top of the truck is a Walter Kelly of Kentucky model from the 1950s. This picture was taken around the Blowering Dam area and you can see the cleared hills in the background that was part of 1800 acres of native trees, bulldozed and burnt to make way for a pine plantation. The second picture shows bee hives full of stringy bark honey, also taken around the Blowering Dam area. The third picture is of bees full of spotted gum honey. The bag in the foreground is full of pine needles used for smoker fuel. During the warmer months we would often cool off by finding streams running off the hills. I remember once my tucker box fell off the truck but luckily I had a good supply of baked beans and King Oscar sardines. Kevin Bowyer

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
EDITORS RAMBLE

Welcome to 2019, I hope you all had an enjoyable and safe end to 2018.

As we are in a new year, there have been a few changes to the office bearers, these have all been updated so I would ask you all to read them and let me know if there are any errors or items that need correcting.

Unfortunately, my computer suffered a major hissy fit after a windows update, as a result all emails and email addresses were lost. I reloaded 51 of the old ones that I had written down on a piece of paper but 23 of them were returned. It will take a while to sort this out but I do ask you if you have sent anything in to the club over the past few weeks to please resend it as it has probably been lost. New club members are most effected as I don't have a copy of their email addresses. I do apologize, in advance, for any inconvenience this may cause.

Welcome to the January 2019 edition of the ODAMC newsletter, I hope you enjoy it.

All Members are reminded that those who have not paid their membership club dues (due in November, last year) and are using cars that display H plates (Historic Registration) that as from 01/01/19 you are non-financial members of the club and as a result are now driving unregistered, uninsured vehicles. Under RMS guidelines you could face a fine of \$2000. This includes people who have opted for the 60 day log book system. You must be a financial member of a recognized club to have the privilege of using the H plate system. You will be deleted from the ODAMC mailing list as from next month. If you have not paid your club membership fee, so please do so.

Marcus sent in a flyer for the 2019 Australia Day celebrations at Cowra, sounds like a bit of fun. Anne sent in some pictures from the Christmas dinner and awards presentation for 2018. Kevin Bowyer sent in another chapter in the life of a bee keeper/ Honey producer with some pictures taken of the old truck and machinery used around that era, this has been added to the bottom of the presidents report

Anne also sent in some pictures from the club rego day. She also sent in a short note about being our secretary for the club. It would have been a daunting task for a relatively new member and she managed superbly, Thank you Anne, This is also at the end of the president's report. This month's edition also includes the application for the pre 1931 autumn tour to be held on 3rd, 4th and 5th May 2019. Keith sent in an application and some information regarding the Bush Council Rally to be held from 17th _ 20th May 2019.

Members attending any events are encouraged to take pictures and send them in so they can be put in the newsletter.

Don't forget to support our sponsors whenever you can as they support us.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated

AUSTRALIA DAY 2019 STATIC DISPLAY

The Lachlan Valley Social Motor Club invites the members of your club to attend a static display to be held in Bryant Park, Cowra, on Australia Day 2019.

This display will be part of Cowra's celebration of Australia Day and is a follow up to the display staged in 2018. It is being staged with the co-operation and involvement of Cowra Council and if 2018 is any yard stick it will be a great event.

It is timed to start at 1.30pm and will run until about 4.00pm.

The Rotary Club of Cowra will be running a free sausage sizzle at lunch time, with drinks available to purchase, Glenn Todd from Shannons will be there for some of the afternoon at least and we also hope to have a coffee cart and some other local group involvement.

We know that your members will, in all likelihood, be attending events in your home town or elsewhere but if anyone would like to make the trip to Cowra you will be warmly welcomed.

Car club events organisers are always looking for new and interesting places to visit so this is a ready-made, organised event for a full weekend away in the country.

It's 26 years this month that a small group of people decided the history of the former Gnoo Blas road racing track should be preserved, called themselves Gnoo Blas Revisited and asked the City Council to rename Orange Sportsground Sir Jack Brabham Park, because it was here Sir Jack started his road racing career. They sold chook raffle tickets for funds to put up the old corner signs. The group then formed the Gnoo Blas Classic Car Club with eight members. Today 26 years later it has more than 290.
