Presidents Report December for January 2018

"Another year over and a new one to come...."

Thank you Kerry for standing in during my absence - good to have your experience as back up.

Great to see the usual suspects taking care of business for 2018 following the AGM. It was most rewarding to see a good attendance for our last meeting for 2017 plus new potential members.

The events committee will meet at 6:30 prior to the January meeting. Feel free to contact members if you have ideas for 2018 runs.

Awards for members noted at December meeting will be presented at January meeting.

Thank you Anne and Peter for making my job so easy in 2017.

Finally on behalf of your executive, a very happy Christmas to all members and families.

Safe travels and remember ...it is better to be five minutes late than dead on time.

John N

Just a few little page fillers

Another year has passed and we're all a little older. Last summer felt hotter and winter seems much colder.

There was a time not long ago when life was quite a blast. Now I fully understand about 'Living in the Past'

We used to go to weddings, Football games and lunches. Now we go to funeral homes and after-funeral brunches.

We used to have hangovers, from parties that were gay. Now we suffer body aches and while the night away.

We used to go out dining, and couldn't get our fill. Now we ask for doggie bags, Come home and take a pill.

We used to often travel to places near and far. Now we get sore asses from riding in the car.

We used to go to nightclubs and drink a little booze. Now we stay home at night and watch the evening news.

That, my friend is how life is, and now my tale is told. So, enjoy each day and live it up. Before you're too damned old!

EDITORS RAMBLE

The first magazine for 2018. I do hope you all had an enjoyable Christmas and New Year period. As we are in a new year, there have been a few changes to the office bearers, these have all been updated so I would ask you all to read them and let me know if there are any errors or items that need correcting.

Once again, I will ask if anybody would like to receive their copy of the magazine by email. This is a much cheaper way to receive your mag and of course it is in full colour. Just give me your address and email address and I will swap you over. Please enjoy the January edition of the ODAMC.

All Members are reminded that those who have not paid their membership club dues (due in November) and are using cars that display H plates (Historic Registration) that as from 01/01/18 you are non-financial members of the club and as a result are now driving unregistered, uninsured vehicles, under RMS guidelines you could face a fine of \$2000. This includes people who have opted for the 60 day log book system. You must be a financial member of a recognized club to have the privilege of using the H plate system. You will be deleted from the ODAMC mailing list as from this month. If you have not paid your club membership fee, so please do so.

There is a letter from the Roads and Maritime Authority regarding Classic Vehicle Log book system that has now been extended to 30th September 2019.

There has been some Discussion over the legal ramifications and eligibility of L and P plate drivers of historic cars and some issues regarding seat belts in some vintage cars. The best advice for all concerned is to check out the Roads and Maritimes Web page for the most up to date information.

Ann sent in a report and some great pictures of the twilight run out to the Magill's on December 7th 2017.

She also sent in a short report from the Christmas Party held at the club house. No pictures unfortunately.

"On a very wet evening and in the midst of a thunder storm 33 members attended the Christmas Party at the Club House.

The atmosphere was jovial, food was great and plenty of it.

After enjoying dinner Kevin Penson ordered the girls out of the kitchen and with the help of the boys did all the dishes and cleaning up.

Great work guys."

Also included is an invitation and application to attend the 2018 Gnoo Blas Annual Classic Car Show to be held on February 17th 2018.

An entry form for the Parkes Antique Auto Club pre 1931 Autumn Rally, to be held 4th – 6th May 2018. (For Veteran Vehicles manufactured before 1931)

Flyer for the Quenbyan showground Sunday 4th March 2018.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.

Twilight Run Out to The Magill's

After several days of rain we had a lovely sunny afternoon for the Twilight Run to the Magill's at Clifton Grove.

Members totalling 27 came from far and near for a barbeque, a look in the shed and a walk around the garden.

A nice way to relax before the run up to Christmas. December 7th 2017

Dear stakeholder

Classic Vehicle Log Book Trial

I am writing to you today to provide an update on the Classic Vehicle Log Book Trial, which came to the end of its two year trial period on 30 September 2017.

We are pleased to let you know the preliminary evaluation determined the Log Book Trial be extended for two years.

The extension has already taken effect immediately from 1 October 2017 and will end on 30 September 2019.

This extension will:

- Allow classic vehicles under the Historic Vehicle Scheme (HVS) and the Classic Vehicle Scheme (CVS) to continue to be driven for 60 days of general use (for maintenance and personal use) over the course of a calendar year, in addition to club organised events.
- Allow CVS members to participate for a longer period in the Log Book Trial given the CVS was introduced in December 2016
- Enable Roads and Maritime to conduct more detailed data analysis and engagement with key stakeholders to determine if the arrangements available under the Log Book Trial require adjustment for the Log Book to become a permanent feature
- Give members of the HVS additional time to evaluate the Log Book Trial within their respective clubs.

Details on how to apply and opt in to the log book trial can be found on the RMS website at <http://www.rms.nsw.gov.au/roads/registration/get-nsw-registration/classic-vehicles/log-book-trial.html>

Yours sincerely

Car club events organisers are always looking for new and interesting places to visit so this is a ready-made, organised event for a full weekend away in the country.

It's 25 years this month that a small group of people decided the history of the former Gnoo Blas road racing track should be preserved, called themselves Gnoo Blas Revisited and asked the City Council to rename Orange Sportsground Sir Jack Brabham Park, because it was here Sir Jack started his road racing career. They sold chook raffle tickets for funds to put up the old corner signs. The group then formed the Gnoo Blas Classic Car Club with eight members. Today 25 years later it has more than 230.
