Presidents Report June for July 2018

John is unavailable for a couple of meetings so I'll be in the Chair for June and July.

Wonderful to see a full house again at our meeting on Monday night. Faces old and new enjoying the fellowship of the historic vehicle movement.

A couple of well attended runs of recent weeks. The casserole night held in our warm and comfortable club rooms a successful gathering. The annual run to Manildra Amusu Theatre to meet up with fellow clubs from Cowra, Parkes and Dubbo another crowd pleaser.

Coming up this July - Sunday 22nd run to the historic O'Connell Pub. I love this place, it is full of history for those who take an interest in the past and enjoy good pub food. It is a good run there and to follow the back roads home, no need to touch the highway at all. Unfortunately I will be visiting our nation's capital city that weekend. (No escaping the cold there..!)

Our two big rallies are well underway with The Canobolas Country Rally being held 29-30th Sept, 1st October, fast approaching.

John has advised the President's run to Young has had to be cancelled at this stage due to technicalities. More on this later.

Aside from other events you will find listed on the events calendar, planning for our Autumn Tour for 2019 is also well underway. (More details later in the year.)

There is lots to read in our magazine. So in order to keep yourself informed and in touch give it a good look. Chris Bromley does a wonderful job of getting the magazine together, mailing and emailing to our members. It is also wonderful to see the number of articles our members contribute to keep our interest up. So if you spot something you would like to share please forward to Chris for publication.

We were all saddened to hear of the passing of past member Ron Shewin some weeks ago. Ron and his wife Jenny came to our club some years back and they both slotted themselves in very well. Ron was responsible for cataloguing our club library and did a wonderful job after years of neglect. Our thoughts go to Jenny and her family.

We in Orange are in the grip of winter with the winter solstice upon us this Thursday 21st June. I don't know about other people but I own a coat and at this time of year I tend to wear it.

Happy rambling.

Kerry Risstrom.

Vice president.

Some little page fillers.

* I think my neighbour is stalking me as she's been googling my name on her computer. I saw it through my telescope last night.

*If you think nobody cares whether you're alive, try missing a couple of payments to the bank.

*Not all who wander are lost. Some are just generally slow, annoying people.

*Does running late count as exercise?

Motion: Letter to be sent to CHMC to nominate Keith to the position of Vice –President.

Moved by: Kevin Penson **Seconded by:** George Tait **Carried.**

- Dave Gray gave an answer to a question he had asked at an earlier meeting regarding the history of the ODAMC. Several members gave accounts of historic events that have contributed to the colourful history of the club now known as Orange District Antique Motor Club Inc. For any new members who were not aware of the clubs inauguration in 1972 to become ODAMC Inc. in 1987 it was very interesting. It is evident that a lot of very dedicated people, past and present have worked very hard over the years to make ODAMC the club it is today. We offer these people our gratitude.

BUT: No Nominations.

EDITORS RAMBLE

Welcome to the July edition of the ODAMC newsletter. I hope you enjoy it. It was good to be able to get to a club meeting last Monday and see such a great turn out of current and new members, even on such a cold evening. We haven't received many reports or photos this session, so don't forget, if you attend any runs, send in some pictures and a quick note to attach to it.

This month's edition includes an article sent in by Dave Grey regarding the History of the ODAMC club that he found whilst rummaging through Keith and Nancy's shed.

Keith sent in an article in relation to a change to Clause 10, Fees and subscriptions for membership of the Council of Heritage Motor Clubs, that I mentioned in last month's edition but forgot to put in.

There has been some changes made to last month's events calendar. Sunday 22nd July's run is to O'Connell, not Browongle, as stated. September 30th, run to Mayfield gardens has been deleted and replaced with Canobolas rally that includes 29th, 30th September and 1st October. Not 6th October as stated. I do apologise for any confusion.

Entry form for the Canobolas country rally that runs from September 29th through to October 1st being hosted by the ODAMC. Also included is an accommodation guide for Orange. This link should take you to the webpage. <https://www.visitorange.com.au>

A big thank you to Rosemarie for all her effort in sending the entry forms out to all the car clubs in the area and all her work in getting the extra information needed to help make this a great rally and Keith, for organising the rally in the first place.

I think it's also timely to mention those other club members who put a lot of work and effort into the club. Anne, who does a lot more work than her role as secretary requires, Bruce and the building gang for their work on the new disabled toilet. Kerry for stepping in as President when required, Bernie, and the team for making vehicle inspections and rego day's possible. The events committee for making interesting runs and venues and all the members who send in articles and pictures to the newsletter to make it an interesting read. What a great group of people who make the club function as it does.

There is some very interesting items in the FOR SALE section this month with two pages, I wish him luck finding his car. This is the first time we have had two pages since I have been the editor.

Before and after shot of Dave's meal during the mid-week run. Chris obviously hasn't got a wide angle camera to fit Dave in post meal. The sign says it all. On Ya Dave, you do us proud.

Members attending any events are encouraged to take pictures and send them in so they can be put in the newsletter.

Don't forget to support our sponsors whenever you can as they support us.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.

HISTORY OF ORANGE DISTRICT ANTIQUE MOTOR CLUB

Prior to the club formation in 1972 several enthusiasts would travel to Dubbo for a car club meeting each month. In May 1972 an inaugural meeting was held at The Hotel Canobolas which was attended by 77 enthusiast families, this group became the foundation members as they formed the 'Central Western Vintage and Veteran Auto Club'. The meetings were then held at the Orange Public School. As a relatively new club they hosted the 1975 Bush Council Easter Rally.

In January 1980 the members inspected an abandoned and vandal damaged building. In February of that year the Lands Department gave tenancy to the club and a lease was taken out on the old Bloomfield School on 1st March 1980. This building is still our current club house. In 1985 a board of trustee's was appointed from within the club. The land was first owned by Joseph Moulder, he built his first home near gosling creek and called it 'Bloomfield', during the latter part of the 1800's the area further developed to a thriving village, supporting a Post Office, a branch of NSW frozen meats, a hospital, and a community involved in mixed farming.

A provisional school was formed in November 1886 followed by the building of the public school in 1899. Students traveled to the school from a wide area. For that era an unusual means of transport was by train, with the students alighting at the Bloomfield siding. The school closed in 1962.

The first Canobolas Country Rally was held in 1981 and the club has continued holding this rally every three years with the next one to be held the long weekend October this year.

In 1987 the club became incorporated and the name was changed to 'Orange District Antique Motor Club'.

The club hosted the Easter Rally for the second time in 1994 with 200 plus entries. The inaugural Autumn Tour was held in April 2005; this event has been held every two years and is for specifically for pre 1931 models.

The club is now hosting the third Easter Rally which coincides with celebrating our 40th anniversary of vintage motoring in Orange.

Even though our club is relatively small with only 50 plus members we are still able to host rallies, with this being the third Easter Rally with a Canobolas Country Rally every three years and Autumn Tour every two years. We have monthly runs and events plus numerous social activities.

We have an obligation with our lease to maintain the building. Over the years we have added toilets and a concrete floored out door area. Last year a major project of painting and repairs was done by club members.

This is a brief history of the club from

(7) FOR SALE. 1934 NASH Twin Ignition Ambassador 8, Model 1294L Sedan.

It goes beautiful & drives lovely. The only noise was the thrust bearing. Which was new, but must be dry. Motor reconditioned, new brakes and brake drums, gearbox and diff dismantled checked and reassembled. There is a couple of things to do on the car to make it 100%, the overdrive linkage (I think I have it all) accelerator cable and pulleys (I have all), brake light switch (I have original now), I have sought parts

from all over the world for this car but it is probably 95 % original. **The car is offered for sale by its owners Tom and Rhonda Dowse itdowse1934@gmail.com Mudgeeraba, Australia Tel - 0404024292**

This was the Lord Mayor of Melbourne's car 1934-1938.

Serial Number 522969L, Eng 406269, Seaman Body1294-142.

Additional photos showing the frame off restoration, and the video of the car on the road, may be viewed at this address

(7) Missing – Presumed lost.

Some years ago I had to part with the love of my life, my 1928 Phaeton. Circumstances beyond human control took it away from me and now I would like to get it back if I can. I sold it to a used car salesman in Marooka Brisbane who had won a pile at the casino, he should have stopped while he was in front but didn't and had to sell the A not that long afterwards. A friendly assistant at Queensland Transport told me that it was no longer registered in Queensland, so I have to assume it went out of the state.

The number plate was 28 – FRD and the car is quite distinctive as the photo testifies. Extensive mods had been employed and the car was easily capable of being driven every day. Hydraulic brakes, high compression head giving it a 100 kph capability. Interior light comes on when you open any of the doors, stereo under driver's seat, bar in back seat area, runs on unleaded, push button start, and lots more. I would like all Model A clubs to please farm this letter out to all and sundry across Australia. I am prepared to offer a \$100 reward for information leading to its owner and location. I know this is a long shot, but anyone that has ever sweated over a vintage car for 14 years, knows how it feels, so getting it back to be able to pass it on to my family is now my fervent wish. Many thanks in advance for your help. Contact details are email: willeyian@gmail.com and my son Evan: 0438 264 489, or daughter Rebecca: 0410 544 089.
