ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
President's Report May Meeting 2013

Let me congratulate our club members and particularly Peter and Rosemarie Amos for the organization of our recently held Autumn Tour. It was a tremendous success.

This rally is certainly proving a very popular event. This is attributed to the beautiful autumn weather we experience in our city and the many country roads we are able to travel along at our own pace without interfering with the local traffic in safety and pleasure. The number of local clubs and organizations we can engage in providing morning teas and lunches etc also makes it much easier to run. Our thanks go out to all those people who made the rally the success it was.

For the benefit of all I have listed below the winners of awards,

Best Veteran Vehicle Entry No. 53 Neville Preston 1913 Talbot 12HP ACT member of the Veteran Car Club of Australia from Wyong

Best Vintage Vehicle Entry no. 63 Ted & Pat Cliff 1926 Bayliss Thomas member of the Vintage Vehicle Club of Australia from Collaroy Platue

People's Choice Entry no. 52 Mark & Maria Tait 1929 Studebaker President 8 member of the Vintage Vehicle Club of Australia from Glenmore Park

Shannon's Choice Entry no. 49 Barry & Carolyn Burns Chevrolet Superior K Roaster member of Dinosaur Drivers Register from Cowra

A few brave souls made the trip to Carcoar for a visit to the Carcoar Hospital Museum and BBQ lunch last Sunday. Due to the cooler weather it was decided to cut the run short and head home with the idea of visiting Carcoar again some time in the spring, this time taking in the School of Arts and Historic Court House. Thanks to John Nicholson for organizing.

We welcomed two new members to our club at our May meeting. Dennis Horton and Peter Hamilton, Welcome to you both.

Keep your battery charged and don't let it run flat. Just because of a few frosty mornings it is no excuse for not keeping those cars on the road.

Happy rambling,
Kerry Risstrom

General Business:

Applications for membership to ODAMC were received from Mr. Peter HAMILTON & Mr. Dennis HORTON having previously met club requirements of attending two prior meetings or club runs. Moved Chris Bromley Seconded Keith Packham that both be granted club membership. CARRIED. On behalf of our President we hope that you enjoy your association with the ODAMC.

The correspondence item inviting applications for heritage grants from Crown Lands was discussed and the general opinion of the meeting was to leave this correspondence in

obeyance until the next round of applications that would be invited during October 2013. Club members would be aware that a current application has been prepared and submitted by our member Frank Johnson also to Crown Lands for the external painting of the club house and a response is yet to be received.

Our delegate to the CHMC Keith Packham has undertaken to prepare a report from the draft minutes of the AGM held at Pambula for inclusion in the club magazine.

As a carry over from the minutes our previous April club meeting Keith sought approval to write to the CHMC (Bush Council) in regard to the non-compliance of vehicles on conditional registration with the view that the subject be brought up for discussion at the next half yearly meeting of the CHMC.

This pros and cons of this subject was discussed at length and concluding the discussion the following motion was moved by Bob McNeil - "That the Orange District Antique Motor Club bring to the attention of the CHMC that non-compliant vehicles with mechanical or other alterations other than original being granted eligibility for conditional historic registration by some clubs, that action be taken to remind all clubs affiliated with the bush council to refrain from this practice to alleviate any future question of integrity of the current approval which is likely to bring the historic registration policy into disrepute"

Seconded: Denis Horton. CARRIED.

BUT: Not awarded – no nominations.

Raffle Won by: Jim Coomber

Autumn Tour Report

Well what a great Rally we had with 74 vehicles entering and just perfect weather. I would like to thank all those members who assisted in any way to make the weekend run so well.

Many who entered have complemented us on having such an enjoyable time, one family being the Sultana family from Greystanes. Unfortunately Grandparents, Chris & Mary were unable to make it. Pictured below, parked near the old church in Trunkey Creek are their five cars being 3 Chryslers, a Buick and a model A Ford. I have included an E-mail sent to us after the Rally. – Peter Amos

Dear Peter and Rose,

We wish to thank you and the committee for a wonderful rally that my family enjoyed so much.

My children and grandchildren look forward to joining in again at your next Autumn Tour.

I imagine my grandchildren telling their cousins how much fun they had that many more will want to come next time!

Mary and I are really sorry to have missed it. Hopefully, Mary and I will be able to come next time.

Kind regards,

Chris Sultana

EDITORS RAMBLE

This Month's magazine contains a report and pictures from Anzac day that were sent in by Bob McNeil. These should have been in last month's magazine but due to my travel commitments, they missed the early deadline. We also have a report and picture from Peter Amos regarding the Autumn Tour and a report from Bob. Thanks everyone. Your submissions and pictures are always very welcome. The autumn tour was a huge success; I managed to catch up with the tour in both Blayney and Trunkey. I took a heap of photographs of some beautiful cars. It was very impressive to see them all so have included some pictures, at random. Congratulations to everyone who had anything to do with the rally. Particularly Peter and Rosemary Amos. I have burnt 11 CDs of the pictures I took of some of the cars during the rally and these will be available from the club house for those that are interested.

Jenny Hart sent in an email,

Just wanted to thank you again for a wonderful time we had at your 2013 Autumn Rally. The weather was just perfect to enjoy the countryside and to catch up with old friends and meet new ones .We always look forward to the autumn rally in Orange as it is such a lovely area to visit. Many thanks.

Jenny Hart

Anzac Day 2013

The crowd at the dawn service this year was larger than previous gatherings. Home for brekky, then fire up the truck so it was ready to go at 6.45, clear the ice from the screen and head off, just out of town ran into heavy fog which quickly turns to ice, again, struggle on to Millthorpe and clear air and skies. Don has already arrived. At 7.30 everybody steps off for the Park and soon the service is over and it's time to point the vehicles towards Carcour, roundup the stragglers and dawdle along to the cenotaph. Service over, crank up the trucks, crunch a few gears [no good having teeth if you don't clean em] slow a few cars down on the run to Mandurama, time for a bikkie while the main group lay wreaths at the hall and then onto the park for the main service. The large crowd, including G Tait, well all 50 of them slow our progress out of town for the short drive to Lyndhurst. Once again cars wizz past on double lines, most loaded to the eyeballs with family and holiday junk. The march and service at Lyndhurst is a little more laidback as there's no more rush, except to get it over and get to the back room where the tea and cake is always served, the ladies really know how cook up a storm. The run home is via the Gap Rd, dirt but 13Klm,s shorter, into Forest Reefs and finally, for me HOME, Don still has a while to go.
Bob.

Autumn Tour 2013

Friday got off to a good start with the first cars booking in nice and early, enjoying a cuppa and cake. By lunch most had arrived and the afternoon run got under way, out to the Berry farm, Lucknow struggled to cope, but no one complained. For us Sunday started early and we headed out to Blayney via Springside, Tallwood, and Browns Ck rd. Time for a break, talk, stare and take photo's. Heading off to Newbridge, Hobbys Yards and onto Trunkey Ck to totally block up the main st. Not much happens in Trunkey Ck the locals tell me but when it does it happens all at once, as the Sheep Dog Trials were on at the same time as we visited. Good run home. Sunday morning was hectic with the BBQ,s running hot, most of the work involved washing up and in this department the ladies did a great job. Thanks to ALL who helped and to the organizers, Great job. Bob.
