Other Events:

Kevin Boyer reported that he had attended a trip to the Lithgow Small arms factory with the Austin Club. \$14 admission including morning tea. Interesting Tour and he strongly recommended it as a Club Outing. Kevin also suggested a run to Mudgee at some time.

Anne Magill and Chris Bromley agreed to assist with the midweek run on 6th June.

August Run to be decided.

There was a long discussion concerning the role of the Events Committee. The main thrust was that some Events Committee members who were normally very active are either unwell or absent on trips and there appears to be lack of activity. At the previous meeting the President had explained that Runs and Events should be decided at a general meeting, and there was a perception amongst some members that the Events Committee has been disbanded. A motion proposed by George Tait that the Events committee be reconstituted was withdrawn when the following was explained:

1. Any member, or the Events Committee, could propose an event or run.
2. The proposed event is then presented and approved at a general meeting to be entered in the minutes.
3. Events Committee then attend to details.
4. The Events Committee consists of: Richard Bloomfield, David Toy, John Nicholson, and Keith Packham.
5. Keith Packham will convene an Events Committee Meeting in the near future.

General Business:

Kevin Penson sent a condolence card to the family of Allan Payne on behalf of the Club.

Movie at Manildra at present is "the Green Book".

Keith Packham gave report on AGM of CHMC. There is a meeting with RMS on 23rd May. Main topics will be "H" plates, Classic Car Scheme and Log Book Scheme. There is an online survey available for either individuals or Clubs. Committee has submitted a form on behalf of the Club and Keith will bring a copy of our submission to the next Meeting.

Anne Magill reported that there had been a mistake picked up in the latest Register of Members. Anne requested that members advise her promptly of any errors.

Anne reported that the Club had obtained a part Grant to cover the purchase of a defibrillator. Total cost is \$2675, Grant is \$1300 and Club would have to pay \$1375. Nigel Coutts, who has some experience in this

field, explained that any person could use it as the machine was self- explanatory and self- regulating .i.e.it is not possible to use the machine on a patient if it was the wrong treatment. Motion to proceed was proposed by Dave Gray, seconded by Eddy Livermore. Carried.

Peter Amos outlined the Club's financial position following the increase of printing the Magazine from .70c to \$2 per copy. This is by far our greatest expense. Various suggestions were made to reduce the costs including Electronic only and Bi-Monthly magazine, but it was decided to keep to the present format. Peter explained that with other increases in cost it would be necessary to increase the annual fees to \$60 at next AGM to cover. Members appeared to accept the position.

Secretary reported that no members had come forward to record the attendance at events for the points score. Secretary is prepared to collate the figures on the spreadsheet but it will now be up to members to advise if they have attended an event. There will be a book at each meeting to record the details. If you are unable to attend a meeting it will be necessary to contact the Secretary.

B.U.T.: Dave Kane.

Raffle prizes won by: Jake Kane

Meeting closed: 9.50 pm.

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC Presidents Report for May 2019

Another successful Autumn Tour. Our rally entrants just love coming to the Central Tablelands and the rain on Friday certainly didn't dampen anyone's enthusiasm. You just have to admire their motoring spirit. Well done by Peter & Rosemarie, and, the club as a whole. Everyone plays their part. Now Dubbo is getting in on the act with their Autumn Tour scheduled for the same weekend 1st – 3rd May 2020. Now alternating with Parkes Club such is the popularity of the Vintage, Veteran movement.

We have plenty on over the coming months so get your winter woolies out and hit the road.

We will also be catching up with some of our fellow clubs in the district with our annual run to Manildra Pictures in June joining with Parkes Club. A combined run with the Australian Sporting Car Club and a catch up with Bathurst Club also on the agenda. This year's President's run will be to Mudgee as this was mentioned as a suggested run. More information on this event in the coming weeks.

As always the midweek runs proving popular with runs to Cargo/Molong, Macquarie Woods/Beekeepers Inn and some local venues. Keeping the club together in motoring fellowship.

Stay warm and healthy over the winter.

Happy rambling.

Kerry Risstrom

President.

Email from Dubbo Antique Auto club. 2020 Rally

Hello everyone,

We at Dubbo Antique Auto Club have been informed by Council that another group of enthusiasts are also having a gathering in Dubbo on the same weekend as our Pre-1931 Rally, Friday 1st to Sunday 3rd May, 2020.

We recommend that you book your accommodation ASAP to avoid missing out as it could get a bit difficult to source if you leave it too much later.

Regards,

Ginny Mather, for the committee.

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
EDITORS RAMBLE

Welcome to the June 2019 edition of the ODAMC newsletter, I hope you enjoy it. It has certainly been an active month for the club. We have gained some new sponsors for this year, as you will see on the sponsor's page.

Peter and Rosemarie sent in a large report and pictures from the Autumn Tour for Pre 1931 vehicles. What a mammoth task, and by all reports, what a mammoth success. The club members certainly appreciate all the hard work put in to make this event the success it was. Lance also sent in some pictures from the autumn tour and a picture from The Ironbark festival street parade.

It was pointed out at the meeting that there was an error in last month's supper roster, Dave and Dianne Mackay where doing it twice. Sorry about that, this has now been corrected so please check the roster.

Please note that the regular ladies day, at the club house, set down for Monday 10th has been changed to Tuesday the 11th, for this month only (June) due to Monday being a Public holiday.

As some members of the events committee have been unable to attend for various reasons, Anne and I, have agreed to stand in as events committee members for the remainder of this tenure. As some of the events committee members have now returned, we were able to have an events committee meeting so there will be a heap of new events proposed at the next meeting. Look's good. All members of the club are asked to put forward events ideas, any ideas are always welcome and help to add a little something to the club.

Bob McNeil sent in a picture and report from the Orange show. The vehicles shown are David's 1933 Bedford VXC ute, Dave and Jacob's 1927 Federal Scout and Bob's 1954 FJ Holden ute and his 1964 850 mini. A fine turn up of machinery, and as usual, do the club proud

Bob also sent in a report from the Motorist appreciation day held at Wellington where all clubs where invited. It was a great day with cars coming and going so quite a liquid display, very enjoyable.

As mentioned at the meeting, The Newsletter has now become quite expensive to produce, we have been getting it done very cheaply for a long time but inflation has now caught up with us. I will be looking at some ways to try and keep the newsletters size in check and may decide to put future flyers in the non-club events section instead of full page insertions, Maybe also to limit the number of pages. Any ideas or thoughts from club members would be greatly appreciated.

Last month Euan requested for a club member to take on the point scoring role, unfortunately there were no takers, As a result of this, Euan asked for the following to be added into the newsletter.

To record points for the points score it now up to each Member to advise the Secretary when they have attended an event (apart from monthly meetings).

A book will be available at each monthly meeting to record your attendance. If you are unable to attend the monthly meeting please advise Secretary direct.

*Cheers,
Euan Coutts.*

The Dubbo Antique Auto club also sent in an email regarding accommodation for the 2020 rally. I have added this to the bottom of the minutes, after the president's report. It sounds like a full weekend in Dubbo that week.

Don't forget to support our sponsors whenever you can as they support us.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated,

Out and about.

Orange show 2019

Saturday morning it didn't look good, but off we went for the 147th orange show, the crowd was down and the number of side shows down due to a clash of venues, Hawksbury show was on the same w/end. With 5 cars on display and four future and past Miss Show girls the club did what was required and the parade went off without a hitch. The weather held off and around 4pm we headed home, eager to do it all again on Sunday. The vehicles must have made a good impression as the girls came back on Sunday to have more photos taken on the back of the trucks. All in all another good show and on a side note a club member took out some prizes in handicraft. Well done Angela. 6 different vehicles over the two days, Bedford, Federal x2, Chev. Fj, Mini. J Kain, D Kain, R Torrissi, Bob Mc N.

Wellington run 2019

Nice start to the day as dawn showed a clear sky and the promise of a fine day. Ten o'clock saw a good line up of cars at Cook Pk, with Berny and Liz leading we turned our heads north-west. When we arrived the street was well lined with cars from several clubs, time for a cuppa, the local shops did a brisk trade and come lunchtime some headed for the club while others availed themselves to other venues. Several of us came home thru Yeoval and Cumnock stopping in Molong for a break. Traffic in general was considerate with only a few passing in silly places. Bob.

Lance sent in a picture from **The Ironbark festival, 2019**. Street parade

Autumn Tour 2019 Rally Report

Well our bi-annual Autumn Tour is done and dusted for another year. This year we have had the most number of entries for this event yet. The show of hands at the Presentation Dinner indicated that we had quite a large number attending for the first time. Most of these visitors were keen to return for the next rally and all participants had a great time in Orange.

We had good media coverage by Nine, Win, Prime, ABC Radio, Central Western Daily and Blayney Chronicle. Our Mayor Red Kidd came along in the rain to Emus Rugby Club to welcome entrants to our city and we also appreciated Orange Rotary Club for providing lunch in the soggy conditions. Saturday turned out to be a perfect day and the villages of Newbridge and Lyndhurst coped with the influx of vintage motoring enthusiasts extremely well.

There are too many club members to mention names, but I would like to thank you all for making the rally a huge success, your assistance was most appreciated. The ODAMC members made for a great learn. All meals were enjoyed and our farewell breakfast at our club house was great, thanks to all who helped.
