ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
President's Report

For those of us who were lucky enough to attend the Wagga Wagga Easter Rally in 2010 were privileged to enjoy the company of George and Pat Tait and see their beautiful 1925 Studebaker win 'Best Vintage' award. A proud moment for them both no doubt. A cherished memory George will carry with him as sadly his beloved Patricia lost her battle for life on Saturday 28th January this year.

George and Pat became part of our Club only a few years ago after George spent many years restoring his Studebaker. They both became a regular at the Easter Rallies and opened their garden 'Sunny Downs' to the club members for a wonder round and a bring your own lunch, a beautiful place for them to leave the city life behind some thirty years ago. It is clear to those who knew Pat she took all the best out of life. Our thoughts and prayers go out to George and his sons Greg, Peter and John and their families.

Unfortunately the weather did not play it's part for the Australia Day celebrations in the district with numbers being well down on previous years. A high five to those club members who made the effort to attend any of their local gatherings.

A good roll up of club members attended the Gnoo Blas Classic and a number of members also attended the dinner on Saturday evening. One of the best to be held so far. Congratulations to Dennis Gregory and his team.

The run out to Four Mile Creek then on to the Amos house for lunch was well attended, again the weather putting everyone under the verandah and no chance of putting the new boule court into practice.

The library has now been set up in the club rooms and everyone is encouraged to make use of it.

It is good to see the *Permission to Move* system in full use within our club with a number of members taking their vehicles to various events throughout the country.

Our Easter Rally is only a matter of weeks away now and all club members can expect a phone call asking them to contribute in some way. I know everyone will step up to the plate and help spread the load.

Happy rambling.
Kerry.

*The flower doesn't dream of the bee.
It blossoms and the bee comes.*

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
EDITORS RAMBLE

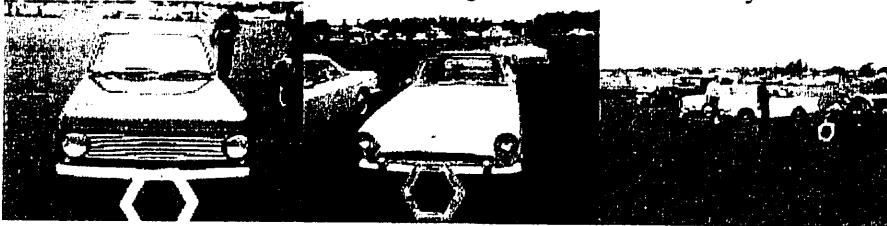

Bob emailed to say,
"Newman Pk was the place to be on Sunday 11.2.12 as ex servicemen lined up to pay their respects. Each year the Nashos hold their annual get together with members coming from across the Central West, numbers down a little this year but with support from 1/19th reg, Kinross cadets, Air cadets, and both the Brass and Pipe Bands backed up by the St Johns volunteers its well worth going to. [L Stevens, K Bowyer marched.]"

I took some pictures of club member cars and some other interesting vehicles at Bathurst swap meet. Bob's email managed to say it all.

"Sunday morning dawned as we headed towards Bathurst for yet another Swap, not knowing what the weather held in store, it was sunscreen and umbrella at the ready. A good crowd already there and a lot of stalls, as is the growing trend more modern stuff than antique. Quite a few ODAMC members seen during the day, some carting out their bargains, myself included. A great social event being able to catch up with people whom we only seem to run into at swap meets. Bob."

Yet another cold and gloomy morning presented itself for the Gnoo Blas meeting on the following weekend. Apart from a short shower, the rain mostly held off. And whilst numbers were down a little earlier in the day, by mid morning, the sun came out (sort of) and so did hundreds of spectators. A really well organized and attended day.

Just a reminder that some membership subscriptions of \$40.00 are now overdue and Payment now would be greatly appreciated. Please see Kevin Penson for a receipt.

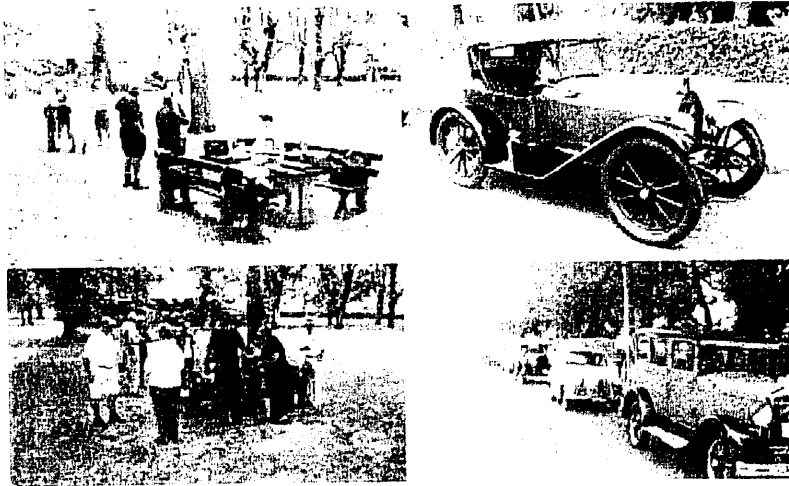

Don't forget, my contact details are 63659224 or 0428659224 and my email is cbromley111@optusnet.com.au for any information, news, interesting stories or pictures, or anything that we can add to the newsletter and all would be gratefully appreciated.

Regards Chris.

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC

Peter emailed,

This month's run to Millthorpe for a BBQ lunch at the Amos' was most enjoyable despite the weather. The day started out cloudy and overcast but the run down to Panuara and up to Millthorpe was very pleasant. It was very interesting looking over the developments at Cadia mine from the southern end. During lunch it started to turn cold and the wet set in, but it wasn't to dampen the spirit of vintage motoring even though some members would have got quite wet on their way home. Nineteen members attended on the day.

RALLY REPORT

Easter Rally is well under way with organizing; just a few fine details to sort out now.

We are still taking entries as number is governed by seats at Sunday night's dinner.

We are currently at two hundred entrants.

Rally Head Quarters is at Orange Civic Centre and car park. Cars will be parked in club groups for the weekend.

Friday registration Meal at Ex Services Club and Bush council meeting after at Kokoda Room

Saturday late registration morning tea and judging also model steam engine display Foundation member's morning tea

Afternoon run to Millthorpe

Dinner & 40th year celebrations at Ex Services Club

Sunday Church Service

Run to Canowindra via Cudal for morning tea Lunch at Canowindra

Presentation dinner Ex Services Club

Monday Fare well breakfast

Rally magazine is well under way with sponsorship for ads progressing well.

Members will be contacted over the next few weeks regarding assistance that can be given to help run the rally

Orange District Antique Motor Club Inc

Experience Orange and District for Easter 2012

Come and join us on the beautiful central tablelands. Orange and the surrounding historic towns and villages offer scenery coloured by autumn tones as well as a variety of local produce and wines.

Orange is located on the Mitchell Highway 260 kilometres (160 mi) west of Sydney at an altitude of 862 metres (2,828 ft). Orange presently has a population of approx 35,000 and the city is a major provincial centre.

Mount Canobolas provides a landmark back drop for the city with an altitude of 1,395 metres (4,577 ft) it gives commanding views of the district.

Orange is a well-known fruit growing district, and produces apples, pears, and many stone fruits such as cherries, peaches, apricots and plums (no oranges because it is too cool) A large number of vineyards have been planted and the area has become known for wine production. The growth of the wine industry has been coupled with the further development of gourmet food as a feature of the region.

Orange has a temperate climate, with rainfall distributed fairly evenly throughout the year. So bring your cardigan or jumper and breathe the clean fresh county air.

Come and join us for scenic runs, a chance to catch up with old friends and make some new ones, enjoy good country hospitality and share a common interest in historic vehicles.
