### **Presidents Report for February 2019**

President's Report February meeting 2019

How lovely it was to have guest speaker Di Gill at our February meeting. Di is a Rural Adversity Mental Health consultant and gave us all an interesting talk on the subject. Doesn't hurt to ask ourselves the question, "how is your mental health?" I'm sure many of us took something away with us that evening. For information email [Dianne.Gill@health.nsw.gov.au](mailto:Dianne.Gill@health.nsw.gov.au) or phone 0427 460 430.

The Gnoo Blass Classic day held last Saturday was the most successful so far with over six hundred cars and various vehicles on display. Our club provided a substantial display as well with two of our members taking out awards. Michael Frew 1928 Chev Tourer – Barn find of the show, and Euan Coutts 1900's Scat. Best pre 1950 vehicle. Congratulations to both members.

As always there are many events on the calendar so no excuse for not getting those historic vehicles on the road. With autumn approaching and finally some relief from the relentless heat of this everlasting summer, perfect weather for getting *the wind in the hair*.

Happy rambling.

Kerry Risstrom  
PRESIDENT

**Kevin Bowyer wrote another part to his story of being a beekeeper / honey producer.**

In January's newsletter, Kevin had some photographs of spotted gum. He has added some more to his story and those pictures.

Spotted gum are found on the coast of NSW and they flower in autumn and winter. Whilst working the bees through winter you could often end up getting 40 or more stings a day, this was sometimes compensated by the sound of the lyre bird of in the forest. Leaving Batemans Bay with a truck load of honey could an hour just to get over the Clyde mountains. We often had honey stolen and sometimes vandals would smash the hives and boxes with the bull bars on their ute's or trucks, just for the fun of it. We used to camp out during this time in our caravan and often had to leave the electric heating on all night to keep warm.

*EDITORS RAMBLE*

Welcome to the March 2019 edition of the ODAMC newsletter, I hope you enjoy it. There are some late entries from last month's newsletter. Rosemarie sent in some pictures from the Lyndhurst run.

The Cooma car club secretary, Steve Redden, sent in an invitation and entry form to attend the over 50' classic.

*Dear fellow car clubs. We would love to have you come and join in the celebration of the 20<sup>th</sup> Anniversary of the Cooma Car Club on 11<sup>th</sup> May 2019. Where did those years go? I have included the attached is our poster for the celebration. We have 192 members and we hope to get as many of their cars at the celebration. Come along with your car and join with us to celebrate.*

There is some interesting stuff in the for sale section. Please let me know if you have sold your items so I can delete your add and make room for other people to advertise.

Kevin Bowyer added a little more to his story of life as a bee keeper / honey producer in the old days' I have added this to the bottom of the presidents report, which is under the club meeting minutes to try and save some space.

Anne sent in some pictures she took at Cook Park on Australia day and some pictures taken from the First ladies day at the club house. Sandy Cridland also sent in an article about the first ladies day that seems to have been a great success with all involved. It sounds like a great day out to catch up. Don't forget to bring your own refreshments and snacks if you are attending.

This month's edition also includes the application for the pre 1931 autumn tour to be held on 3<sup>rd</sup>, 4<sup>th</sup> and 5<sup>th</sup> May 2019. Keith sent in an application form and some information regarding the Bush Council Rally to be held from 17<sup>th</sup> \_ 20<sup>th</sup> May 2019.

**Subject:** Asbestos surveys and removal in Classic Cars

Morning all

Please excuse the unsolicited nature of this correspondence but I need to introduce myself to you all! I am David and my company undertakes asbestos surveys on Classic Cars prior to export to your country. ## Out and about.

Just a couple from Australia Day in Cook Park  
1 & 2. A good display of ODAMC vehicles at cook Park on Australia Day. 3 ODAMC members Euan Coutts and Owen Magill dressed for the Australia Day celebrations in Cook Park

Mid-week run to Carcoar. 1.2.3. Huddled under a tree in the park, trying to keep out of the sun. And 4, 5, 6, some of our cars parked down the main street. 11 cars turned up so a good gathering.

Seven ladies turned up to this month's Ladies' Day. It was a great day – full of chatter, laughter and craft. Jenny taught Margaret a new craft and Margaret whizzed through her delightful keyring; Maggie had lots of fun with her knitting; Dot surged through her knitting; me – well seeing I hadn't knitted for 45-50 years it was hilarious. I am attempting to knit a hedgehog for one of my friends for next Christmas; after struggling for some time I turned to cutting out bits for my next cards.

Everyone had a wonderful time; it is a great day, so ladies **do think** about coming; second Monday in March for a good time. Bring your lunch, something to munch on for morning tea; some of us even brought along our thermoses as well – but Bruce had put on the kettle for us,

before disappearing. We commenced just after 10am and finished around 2.30-3pm. A REALLY GREAT TIME!!

Sandy Cridland.

Picture # 1 The first Ladies Day was held at the club house on Monday February 11th. Seven ladies attended and enjoyed sharing their craft skills and conversation over morning tea and lunch. The crafts on the day were crochet, knitting, needlework and card making. If there are any lady members who would like to attend and share their skills, we meet on the second Monday of the month between 10am and 2pm. BYO morning tea and lunch, tea and coffee are provided.

Anne

Picture #2 Mikhaela Coutts was all smiles after her first ride in her Grandparents SCAT to attend the Australia Day celebrations in Cook Park.

Some pictures taken at Ghnoo Blah on the weekend of 16<sup>th</sup> and 17<sup>th</sup> February. A very good turnout of club cars.

Picture #1 Congratulations to Michael Frew of the Best Barn Find at the 2019 Gnoo Blas

Picture # 2 Congratulations to Euan Coutts on the award for the Best Pre 1950 vehicle.

**Lyndhurst Run.** An excellent visit to Richard & Alison Clarke's place to learn all about different types of timbers and wood. A well attended day despite the heat.
