*ORANGE DISTRICT ANTIQUE MOTOR CLUB INC*  
Presidents report for February 2015

Even though the magazine is a little bit late this month nothing has been forgotten. Glad that Chris had a nice holiday in Philippines'

Gnoo Blas run was attend by some members apparently a very good show this year but next year we need to book a site of our own which we did not do this year.

As mention last month I attended the Bathurst 12 hour race and regrettably the big English Bentleys did not win (as predicted) but I understand a fourth .For me personally this was a very enjoyable event. Our meet with Bathurst and Lithgow clubs was well attended by all three clubs. There was well excess of forty cars for the day on the mountain everything for Model T Fords to 80's models Cadillac's. We all enjoyed lunch on a very sunny day good food good friends good conversation. A big thank you to Kerry Ristrom and Henri Hendrickson from Lithgow club for suggesting the outing. It all started from the Vintage Motor Club event 60th anniversary run at Bathurst last September.

Future events this month's run is to Stuart Town Hotel via the train or drive to the pub for lunch If you are going on the train you must book your tickets two days earlier to get a seat.

A change to the April run we will meet at Ray Dwyer's for morning tea BYO at 10am at Millthorpe then to club house for BBQ lunch. The trip to Packham's will be in the future as we decided it was too much for one day.

Easter Rally at Armidale the entries are full it appears that it is only us and Graham Mansell attending.

Autumn Tour keep those entries coming in basically everything is under control we will be getting in touch with members for various jobs as it is only 2 months away this time will go quickly.

Yours in vintage motoring  
Keith

**Members Present:** 16 who signed the attendance book.

**Apologies:** Richard Bloomfield, Lloyd Stevens, Bernie Schell, Kevin Bowyer, John Nicholson & George Tait.

**Visitors:** Peter Downey

**Minutes of previous meeting:** Moved Bob Boaden that the minutes from the previous meeting be accepted as printed in the magazine Seconded Kevin Penson CARRIED.

**Business arising:** Nil

**Correspondence in:**

- Account Wangarang club magazine \$99.06
- Account Assure Assurance renewal club house insurance \$483.75 due 22/2/15
- Letter CHMC requesting confirmation to host half yearly meeting at Orange on 24 Oct. 2015

**Correspondence out:** Nil

**Treasurer's report:** Treasurer Bob Boaden tabled the monthly financial statement and invited questions. He advised that there were still members who had not paid their membership fees for 2015 with 39 paid up to date. This indicates there are still members who are unfinancial based on last years' numbers and requires immediate attention. If this is your situation and you have a vehicle on historic concessional registration you are unregistered and uninsured. Moved by Bob and Seconded by Peter Amos that the treasurer's report be accepted and the above two accounts be passed for payment. CARRIED.

**Editor's report:** Chris absent on other commitments.

**Events report:** Bob McNeil reported on the success of the classic Gnoo Blaas display day with bit of a down side so far our club was concerned in that the allocated space for ODAMC evaporated with the half a dozen club members who did attend with cars being scattered throughout the display area.

John Streetfeild called for a show of hands for the previously listed club run to Stuart Town for lunch at the hotel for catering purposes with 16 being a likely number. Those who are travelling on the XPT which leaves Orange at 12 midday are to make their own booking arrangements with morning tea (BYO) in the staff room at Orange railway station at 11am (to be confirmed at the next club meeting) and not Stuart Town as perceived by some club members. Those who are travelling by car to meet at Cook Park at 10am for BYO morning tea. Also note the **change of date** from Sunday 15<sup>th</sup> March to **SUNDAY 22<sup>nd</sup> March**. The following events were moved by Kevin Penson and seconded by Bob McNeil to be listed as authorized club runs and subsequently carried to be added to the events calendar with those already listed.

Confirmation that the half yearly meeting of the CHMC be held at Orange on 24th October 2015, left with president Keith to confirm with Ray Ives president of the CHMC regarding further details.

Kerry Risstrom gave an update on the arrangements for the coming Autumn Tour which are well in hand. One matter to be resolved was the hiring of a band for the official dinner evening and she has requested that club members construct a table ornament for display on each of the dining tables at the official dinner with some car memorabilia from "your shed" with a candle which is to be lit that will be central to that display.

*ORANGE DISTRICT ANTIQUE MOTOR CLUB INC.*  
EDITORS RAMBLE.

This months magazine is a little late as I have just returned from the Philippines after spending three weeks there, What an amazing country with some excellent Kayaking. I can now say i have Kayaked on the south China sea. Very happy and polite people that sometimes live in abject poverty. The place was nothing like I had envisioned. I felt very safe the entire time I was there even though you are searched by armed security guards, even when you enter a shopping centre. I would recommend this destination for anybody who likes to get away from thee typical tourist destinations and venture out on your own. Its still nice to come home and sleep in your own bed and have a proper shower with hot water and soap.

This Months magazine contains, The Autumn introductory letter and tour entry form. A flyer for the pre 1946 vehicle event to be held in Bathurst on May 7th and 9th. A registration form and some information on the 50th Anniversary celebrating the Dubbo Antique Automobile club to be held on 30th+31st may. A registration and programme for the National Triumph Rally to be held in Bathurst on the 30th and 31st of October. There is also a short article titled 'Triumphs out west'. Brenda and Ray submitted a report from the run to the panthers club in Bathurst. and the front cover has Eddie Livermores 1928 Chev.I have also continued to run the message from Bernie.

Sunday 25th January was a nice ,sunny, warm day and eight members of the club arrived at the Two Fat Ladies for morning tea. After a short chat ,six of us drove down the Mitchell Highway to Bathurst, observing the countryside's greenery (with occasional brown spots) and full dams due to the nightly rainfalls we have experienced of late. We noticed a cute NED letter box at Rocks hill flying the Aussie flag.not sure if he had thongs on or not. We arrived at Panthers ,Bathurst ,had a appertising lunch which was very filling and then said our goodbyes,travelling home ia a well behaved Mercury via Goerges Plains,Newbridge,Blayney to Millthorpe  
All in all a very pleasent trip.  
Brenda and Ray Dwyer

Bernie reminded all members who have not paid their membership club dues and are using cars that display H plates (Historic Registration) that as from 01/01/15 they are non financial members of the club and as a result are now driving unregistered, uninsured vehicles, under RMS guidelines and could face a fine of \$2000.  
If you have not paid your club membership fee, please do so.

Thank you all for your contributions to the Magazine. They are greatly appreciated. Dear fellow Vintage Motoring Enthusiast,

We would like to extend an invitation to you to join us on the 1<sup>st</sup> / 2<sup>nd</sup> / 3<sup>rd</sup> May 2015 for our bi-annual Autumn Tour.

The Tour is organized especially for pre 1931 vehicles. Over 70 vehicles entered our last Tour including 2 veteran vehicles. It is anticipated that this year we may have up to 100 entries.

Orange is known as the "Colour City" and Autumn is certainly a great time to come and visit. The early mornings may be a little frosty but the days are mostly moderate and sunny making perfect weather for touring around our colorful countryside.

Entries close on Friday 17<sup>th</sup> April. Registration will commence from 9:00 am on Friday the 1<sup>st</sup> May at our Club House, 11 Louie Lane, Orange with a free morning tea being provided.

After lunch there will be a short Run around the outskirts of the city visiting several places of interest. A map will be included in your Rally Bag.

Saturday will see us travelling on quiet country roads to visit the historic "Old Errowanbang Woolshed" built in 1886 where after a tour your morning tea will be available. We will then travel on to the small village of Neville for lunch where the vehicles will be judged, before returning to Orange. This run will be approximately 80 miles or 130 klms.

The Presentation Dinner will be held at the Ex-services Club, Anson Street Orange on Saturday evening from 7:00pm.

This will be our 6<sup>th</sup> Bi-annual Autumn Tour and an Entry Form is attached.

Our members look forward to seeing join us at the Rally.

### ***Bathurst Bicentennial Colonial Fair***

## **WE NEED YOU**

Bathurst City is celebrating its **Bicentenary** on Thursday 7<sup>th</sup> May 2015, and to celebrate, the *Bathurst District Historical Society (BDHS)* is staging a "Bicentennial Colonial Fair" on Thursday afternoon 7<sup>th</sup> May and then on **Saturday 9<sup>th</sup> May 2015**.

As a part of this Colonial Fair, **on the Saturday**, there will be a display of Vintage Vehicles that were produced on or before **1945**. These vehicles can be cars, trucks, motorbikes, or bicycles. These vehicles can also be unregistered, providing they are in good condition and can be transported to the display site beforehand. Here is your chance to display your unregistered vehicle(s) that few of us ever get to see. Cartage assistance may be provided for unregistered vehicles in the Bathurst Region upon application. For those further afield, some travelling cost may be subsidised if we want your vehicle and we can find a sponsor to cover our costs.

The vehicles will be displayed either along the park side of Stanley Street or in the adjacent newly paved parking lot (see map overleaf). There may be only space to display about 75 vehicles (number yet to be determined) so applications must be made and be approved or else you will not be able to enter your vehicle(s) for display. There will be no entry fee to display your vehicle(s), nor will the public pay an entry fee.

**An application form is provided overleaf. Applications may be:**

**Mailed to:** Al Hammond, 1 Huntingdale Close, Robin Hill NSW 2795,

**Emailed to:** al.hammond@bigpond.com (**Enquires:** 0488 977 702)

Below is a brief list of some of those Saturday's activities/displays to be included in the Fair.

Marine Corps re-enactment; Settler's slab hut; People moving about in Colonial dress (i.e. Red Coats, convicts, etc.); Pipes, drums and brass bands; Convict barrack; General Colonial display(s) including a surgeon's tent; Lost trades such as wheelwright, whip maker, blacksmith, rope maker; Horse shoeing; Goldfields display; Stocks and demonstrations of their use; Indigenous (Wiradjuri) camp/display; Spinners, Weavers, Embroidery & Tapestry Displays; Colonial children's games; Maypole dancing by school children; Jumping castles; Merry-Go-Round; A small farm animals display; The Flying Pieman Organ; Vintage vehicle display; Ancient internal combustion and steam display; Steam traction engines; Army display; Vintage aircraft flyby; Tours of the New Flag Staff Complex; Damper stall; Food & drink stalls and more.

If your military vehicle club wishes to make a Club Run to Bathurst at the time of the BBCF with vehicles that cannot be in our primary display area, I'll see what I can do to accommodate the visit. Perhaps we can set up a special army display along the riverbank, behind the Showground, opposite the *Ancient Internal Combustion and Steam Engine* display – there should be plenty of room there.

You can find a lot of information on what activities will take place in Bathurst during the whole year by visiting <http://www.bathurst200.com.au/> and following appropriate links to the *Events calendar*, *Accommodation*, etc. This is a living website so it will change as information becomes available. The Bathurst District Historical Society is planning on extending its website to cover the *BB Colonial Fair* but as yet it has not done so. You can keep a lookout for it on <http://www.bathursthhistory.org.au/>.

**Program for the 36<sup>th</sup> National Triumph Rally for 2015**

Venue: Bathurst NSW. We will be based for the week at the Rydges Hotel Bathurst. This four star Hotel is located on Conrod Straight at the famous Mt Panorama motor racing circuit.

The convenience of this centrally located accommodation for 8 nights will make travelling each day a breeze and add to the pleasure of enjoying a week of exciting events while maintaining the convenience of the one central base for the duration of the nationals.

Most meals and events planned for the week are covered by the one entry fee. Making what we promise to be an exciting and fun week also great value for money. We have carefully planned the event to ensure that whilst we maximise the fun it will be at a relaxing and enjoyable pace.

Most days will start with a full Buffet breakfast. This will ensure we are energized for the day's events ahead.

The planned mix of events will cater for all, including a Melbourne cup function at the local horse racing track. There are also various day runs to Jenolan Caves and beautiful historic towns like Millthorpe just to mention a few, all located nearby and on great roads.

Our Concourse will be featured in the middle of town to coincide with the Bathurst Bicentenary Celebrations, allowing us a unique opportunity to promote and display our cars with the support of the local community who are thrilled that we will be able to play a part in their celebrations. The highlight for many will be the chance to race on the Historic Mt Panorama Circuit, what an experience to remember!

Make lifelong friends or reunite with old friends. What a great relaxing week to enjoy your Triumph car.

## Triumphs In The West - Paul Hingston

There are few Triumph owners alive and well out here in the Central West of the State as members of the Australian Sporting Car Club Inc.

Some TSOA members may remember the great days of the Australian Sporting Car Club. For many years the ASCC organised racing at Mount Panorama, as well as at Parramatta Park and later, national and international events at the Gnoo Blas Circuit in Orange. In 1953, the ASCC became directly instrumental, as one of the longest established and experienced Clubs in Australia, in the formation of the Confederation of Australian Motor Sport (CAMS). The same year, the Club commenced to organise the Redex and later Ampol Around Australia Trials and was to go further into the realms of fully internationally recognized events with the Club's South Pacific Road Racing Championship and Southern Cross International Rally Series.

Those halcyon days are well and truly over. However, in 2001, by chance, the late John Arter and I met. I had recently purchased my Triumph TR4A Roadster. I was seeking to join a car club in my area so my wife and I could enjoy regular outings in my sports car. With the enthusiasm of John Arter, who had over 50 years association with the ASCC, the Club was reactivated in the Central West of NSW. It is oriented specifically towards providing social, non-specific marque, motoring outings for like-minded sports and sporting car owners, primarily in the Central West of New South Wales. Age of the owner or the car is irrelevant. Generally, our outings are planned for Sundays when most owners have more free time. In addition, we have midweek days out for those people who have commitments on weekends or are retired etc., as well as planning the odd weekend overnight excursion to more distant destinations. We also have a longer "Spring Tour" which usually goes for about a week. There is an annual pilgrimage to the Shannons Classic Car show at Eastern Creek and the All British Day at King's School and terribly british Day in Canberra. Thus everyone, hopefully, has the chance to enjoy driving their cars in the company of like-minded friends. The Club is fully recognised by the R.T.A. for the issue of Historic Vehicle Registrations. The Club is also affiliated with the Council of Motor Clubs Inc. which gives our members access to activities organised under their umbrella. The club currently has 160 members across a vast area of the state including members in Sydney and Canberra. Currently we have fourteen classic Triumphs owned by twelve members of the Club. Club members own approximately 190 classic cars and their ages range from 1949 to latest models.

As is the custom, in December, our members held their Annual Christmas Party at Abercrombie Caves, with over 50 members in attendance in their classic sporting cars. In attendance on the day were a number of members who brought along their Triumph's., so it was a good opportunity to get a snap of the classics. (See photo page 26)

# 24 HOURS AT 107 M.P.H. BY JAGUAR

**including 13 Hours of Darkness!**

Giving an outstanding demonstration of reliability and endurance at high speeds, a standard British Jaguar XK120, driven by Leslie Johnson and Stirling Moss, has covered 2579 miles in 24 hours at Montlhery, an overall average speed of 107.46 m.p.h. The last hour was at 112.4 m.p.h. and fastest lap at 126 m.p.h. During 13 hours of night running, the car's Lucas Lighting provided the sole track illumination.

This follows Jaguar's successes in the Alpine Trial, at Silverstone and in the R.A.C. Tourist Trophy—all achieved on standard Lucas Electrical Equipment.
