Peter Amos reported that there are 114 entries so far for the Pre'31 Rally. Peter outlined the Marshalls required for various points and a number of volunteers came forward. Marshalls are required to wear safety vests which the Club hold. Peter outlined the routes in detail.

There will be a clean-up day on 28<sup>th</sup> April and Peter and Bruce Heinrich outlined the work to be done. The Alpacas will be moved for the Rally.

It was agreed for John Streatfeild to organize a guessing competition involving old kitchenware items for the sign in day of the pre'31 rally.

Kevin Bowyer suggested a run to Lithgow small arms factory museum.

A question was raised about the function of the Events Committee as it seemed to be being bypassed. President stated that the general meeting was the place for deciding events.

### **General Business:**

Dave Gray tendered his resignation from the Events Committee

- Dave Perry asked about the requirements for attending a high Wheeler Rally with his car on concessional registration through the Our Club. Dave can either use his Log Book or the Organizers can send a written Invitation to our Club and it can be entered as a Club Run. There were some questions raised about what to carry on a run as it appears that the police are taking an interest in concessionally registered cars. We should carry a copy of the complete Magazine showing in the minutes the Approved Club Run **OR** the Log Book completed with the run entered **Before** leaving home. The approved operations form (purple) should also always be in the vehicle.
- There were further questions and discussions about the validity of Insurance for Log Book Runs and President said that members should conduct their own checks with their Insurers.
- Anne Magill has completed the new Register of members which was handed out at the meeting. Please contact Anne for further copies.

**B.U.T.:** John Streatfeild.

**Raffle prizes won by:** Lance Seymour, and Jim Coomber. Thank you to Chris Gray for providing the Easter Egg Basket prize

**Meeting closed:** 9.00 pm.

### Presidents Report for April 2019

A busy night at the meeting tonight with the usual full house roll up.

Alfred Harrison, another new member to join our club. Welcome Alfred. We are hoping you can one day soon put your currently unregistered historic vehicles to the test and join the rest of us on the road.

A reminder to all club members to always carry your current magazine with you at all times when travelling on Historic Plates. Whether on a club run, the Log Book System or a Permission to Move authority.

Our Autumn Tour is now only days away. Preparation in full swing. Clean up day Sunday 28<sup>th</sup>. 9.00am club house. Just a couple of hours and job done. We have a great number of entries so this year's rally is already a success. In no small way due to the efforts to Rosemary and Peter. The usual number of marshalls etc required for the weekend.

A good roll up at the Blayney Show this year. Best attendance for many years and beautiful weather to boot. Marcus Allaway carrying the flag for the club winning a prize for 2<sup>nd</sup> best Holden and 3<sup>rd</sup> best Aussie car, in their EH Holden wagon.

Congratulations Marcus.

As always keep an eye on the events calendar in the magazine for somewhere to run your favourite vehicle.

We have a number of members in the sick bay this last fortnight. Wishing you all a quick recovery. You know who you are...

I would like to wish everyone safe and happy Easter break.

Happy rambling.

Kerry Risstrom

President.

*EDITORS RAMBLE*

Welcome to the May 2019 edition of the ODAMC newsletter, I hope you enjoy it. My home answering machine issue has now been rectified so feel free to use my land line and leave a message. You can also still contact me via email on [cbromley111@skymesh.com.au](mailto:cbromley111@skymesh.com.au) or my mobile number 0428659224.

Dave and Chris sent in some pictures and a report from the April mid-week run to the Mountain Tea rooms. Looks like a jolly time was had by all.

Marcus sent in some pictures and a report from the Blayney show where his car did the club proud by taking out some awards.

Bob sent in a picture and report from the Neville ANZAC day. And a report and picture from other celebrations around the area. There is a flyer for the Eugowra Show to be hosted on Saturday 4th May. Listed in the non-club events section. Also a flyer from the Council of Heritage Motor Clubs regarding the 60 day log book trial.

Euan sent in an email =

Hi members,

The Club has need of a member to record the point Score for each outing and meeting. In most cases the information is provided and the main task is to collate the scores.

The other members of the Events Committee are unable through either ill health or planned absences to assume this task.

Please seriously consider taking on this necessary job as the points score is considered an important event in itself, and I am sure we would not like to see it lapse. Please contact me or another executive member if you are willing to do this small job.

Cheers,

Euan Coutts

Secretary

Please note some changes and new editions that have been added to the Events calendar.

Members attending any events are encouraged to take pictures and send them in so they can be put in the newsletter.

Don't forget to support our sponsors whenever you can as they support us.

## Out and about.

On a beautiful autumn day there was no parking space left in kite street as a massive collection of car and trucks turned up for the April mid-week run .some 23 members talk about boys and their toys.

An enjoyable drive was had to the mountain tea house for lunch and a yarn with many a story shared, as normal we all walked out with full stomachs and a hell of a lot wiser.

A couple of new trucks joined us for the day thanks to Dave Perry and Dave Kain showing their pride and joy and creating a lot of interest to the dinners at the tea house.

Lance had a guest with him from Sydney who joined in listening to all the stories. Lance and Don were last seen heading up to the top of the mountain not to be seen since, so keep an eye out for them.

All in all a great day with great company

## The Blayney Show.

A big show, many from ODAMC where there. Not many in the Ute classic show part as most where on display. We won 2<sup>nd</sup> best Holden and 3<sup>rd</sup> best Aussie car, in our EH Holden wagon.

A good Day.

Marcus Allaway

## Neville Anzac Day 2019

Cloudy and cool as we left home, keeping the traffic honest as we roared along at 50Kph, arriving in Neville with time to spare, out came the thermos and graham says " your back wheel is buckled " a quick check reveals all the wheel nuts BAR one are loose, out with the toolbox and problem solved with no damage to wheel studs PHEEW. Marcus arrived in his Holden making three from the club, Don turning up while we finished our cuppa. As always a great service with special mention to the lad from Blayney High for rendition of the Last Post and Reveille, Canobalas Pipe Band, Orange Air Cadets, and the school kids who got into school uniform on their Holidays, service over it's up to the hall for a sausage and drink. time to head home, going really well until Lucknow, sign says 60" fat chance" big car with Blue flashing lights says pull in here NOW, nice fellow asks" where I had been on such a lovely day" " got your logbook" so out comes club mag, pink sheet and rego, he counters with the Breathalyzer, now that everybody's happy I complete my trip home with no further dramas. Glad I took the advice to always carry our paperwork.

## Anzac Day 2019

Up early so that we didn't miss the dawn service. This year our daughter came over for the run. Dawn service over it was time for brecky and before we knew it the convoy arrived and Millthorpe beckoned, so off we went. Good crowd with some club members seen. Carcoar service followed then Mandurama, Marcos had the " EH" on display, with Lyndhurst the last town on the list, following the service the CWA ladies provided their special morning tea, full as bush ticks we burned up the tar, coming home thru the Gap Rd and Forest Reefs, great day only downer was that this is the first year without my dad. *A drop from the Council of Heritage Motor Clubs to keep you going*

- The Trial of 60 day Log Books for HVS and CVS will conclude in September
- From then, RMS will decide whether Log Books should become a permanent arrangement, and if so, whether any changes need be made.
- Prior to this, RMS will be conducting an online survey relating to the Log Book Trial.
- The Survey will be conducted in the last weeks of May,
- CHMC has provided RMS with Affiliated Club's digital contacts for this purpose.
- It is understood that both Clubs and individual members may take part in the survey.
- CHMC will be hosting an open forum at the Griffith AGM to gauge members input to its response to the Survey and to elaborate if needed in a separate and formal Council response to the RMS.
- Clubs delegates to the AGM should be aware of, and be prepared to provide, all aspects of their Club's views to the Griffith forum.
- We encourage Clubs and members to take part in, and make carefully considered responses to the RMS Survey.
