reported on the successful bush council rally at Parkes which attracted 165 entries with an excellent variety of cars. ODAMC was well represented and those who participated and were at the meeting supported Keith in his complimentary remarks. Keith is to write to the Parkes Antique Motor Club on behalf of the ODAMC to convey favourable comments to that club for their organization of a successful rally.

A show of hands was called for those to display cars at the Orange Show on 10<sup>th</sup>-11<sup>th</sup> May and to date several more will be required to make the display a success. Also on Sunday 11<sup>th</sup> is also Mother's day and it is proposed that morning tea be held in Cook Park at 11am followed by a short mystery run.

President Keith proposed a 'one day' rally for those who rarely bring their cars out on Motor Heritage Day on Sun. 18<sup>th</sup> May with short afternoon run followed by a BBQ tea at the club house. As this proposal will be prior to the next club meeting ring around will be required to encourage attendance.

Kerry Risstrom advised that social comedy nights are to be held at the Eurowanbang woolshed over the weekend of 24-24 & 25<sup>th</sup> May with dinner and entertainment at a cost of \$33 per head. President Keith advised that he proposed to hold the annual president's run on the weekend of the 26-27<sup>th</sup> Oct. with an over night stay at Hillend. Further details will be available at a later date.

A tentative date of 22<sup>nd</sup> June has been set for the annual run and luncheon with the Sporting Car Club with further details at the May meeting from either Peter Amos or Charles Stammers.

**General Business:** The pre 1931 Autumn Tour the bi-annual club event is due to be held during the 1st weekend of May 2015. The proposed journey will be driving from his home address at Lyndhurst on 23<sup>rd</sup> May travelling via Beechworth to Winton and returning on 28<sup>th</sup> May 2014. Moved by Chris Bromley and Seconded by Kevin Bowyer that permission be granted for journey to be undertaken as applied for. CARRIED

John Streetfeild raised the question of protocol in car runs where the last two vehicles to leave a particular venue should stay together to assist should one have a mechanical problem and not be left stranded as some areas do not have mobile phone coverage. The general consensus of the meeting was that this could be arranged on the day between the subject vehicles.

Richard Bloomfield advised that if a vehicle had a mechanical problem which could not be corrected on the roadside to allow the vehicle to be driven, he has available a heavy duty trailer would be available to collect the vehicle.

## PRESIDENTS REPORT FOR APRIL 2014

This month has been a very active month for the vintage cars as there has been quite a lot of runs to attend. Regrettably not everyone can attend every run. The club was well represented at the Parkes Easter Rally with thirteen cars in attendance with George Tait taking out the oldest driver combination trophy well done George. We had an enjoyable weekend with good weather and good company, two short runs around Parkes area.

Hope Brian and Mary have an enjoyable time at the General Motors day in Penrith this weekend end.

Next weekend is the first pre 1931 rally to be held at Cowra, there are quite a few Orange cars that have been entered. We did hear that there are 88 entries for this rally which is good to hear.

Painting at our building has now been completed I have yet to see this in full day light by all reports a very good job done. Bruce H has fitted an extra tap so that we can drain our hot water system to prevent it freezing.

National Heritage Motoring Day is Sunday 18th May 2014 this will be our 'One day Rally'. It will be a day run, meet at the club house from 11 am onwards. A late start, bring your own lunch (BBQ's available) and afternoon tea. This will be a get together for club members who don't always attend major runs. We will have a short run around Orange. I would like to encourage as many members as possible to attend and bring your oldest car. Even if you don't have a car in working order come along and enjoy the day. If you would like feel free to bring along a visitor.

As mentioned in last magazine the Presidents Run will be on the 25th & 26th October to Hill End. We will have some discussion at the next meeting as to the type of accommodation required.

Yours in vintage motoring  
Keith

### EDITORS RAMBLE.

April was a big month for me. I turned 60 on the 30th March and formally retired from my full time job on 27th of April after doing the same job for 36 years. I started at Bloomfield Hospital in 1978. I was looking up some facts for my farewell speech for events that happened in 1978 and discovered that the XC falcon was voted car of the year along with a close second Datsun 120y. The coolest thing to have in your car was an 8track stereo system. We didn't have mobile phones or computers, The Bee Gees were number one with the new disco hit Saturday night fever, the Hilton Hotel in Sydney was bombed and we watched Happy days and Pick a box on TV. and The white Australia policy became unmanageable, as we were receiving refugees from Vietnam, (the war had finished 3 years prior in 1975).

This Month's magazine contains a flyer and entry form for the Dinosaur Drivers register for the pre 1931 Autumn tour at Cowra, May 2nd to 4th. A flyer and entry form from VMC celebrating 60 years of the vintage motor club with numerous dates for activities from February 22nd 2010 to October 2014. A flyer for the 2nd car and bike show (to support men's health week) at Mittagong 14th June. Some more pictures from Sharyn of some Art deco cars. Ken also sent in some pictures of some interesting cars, I don't think they would pass our club's requirement for authenticity. He also sent in a link to a great story of a great lady and car. Well worth the watch. Kerrie sent in a flyer for "The Bitches Box", should be a good night's entertainment, Bob sent in reports and pictures from, Neville ANZAC day, the Comnock show and Anzac day in Orange. Ron sent in a simple explanation of the game of cricket.

### Neville Anzac Day

Because of Easter, this year Neville held its service on Sunday 13th. By 9.00am our convoy was ready to roll, a lovely run out thru Blayney and onto our destination, time for a cuppa and a chat during which John and Leigh joined us. The band struck up and it was time to get moving. Led by the Highland Band, closely followed by the 1/19th Army Reserve, Veterans, the school kids, [even though they are on holidays,] and last but not least the vintage vehicles. Following the service the local Hall Committee served up a light lunch, snags, cake, drinks even tea or coffee. Needed to walk back to the vehicles as we were as full as googs. With Don leading we headed home, some having a little further to go than others. We will do it all again on the 25th but with a much earlier start time. Bob.

### Cumnock Show 2014

Saturday looked better than Friday and with that in mind we headed out of town for the 2014 Cumnock show, uneventful run out except for the normal idiots who believe that 100KPH is the minimum legal speed and double lines are only for the oncoming traffic, But we did our best to slow them down and for a few seconds it works. Don was on hand to greet us when we arrived and lined us up in front of the number of vehicles that he had "dragged along". Over the next little time we had quite a display, including several cars from Bathurst. Lunch over [ how the ladies knew how many to cater for at \$12 a head beats me ] the weather started to cloud over and by the time the lawn mower races were on it decided to rain on the parade. Ran thru a couple of small squalls on the way home, mostly fine from Molong on. stopped in to pickup some fruit on the way home, a great day had by all. Bob and Marg.

### Anzac Day 2014

Anzac day 2014 started like most with the Dawn service at 5.15, a large crowd gathered in Orange as dawn chased the stars away. Home for a quick brekky and coffee until the troops arrived at 6.45, in convoy the 3 vehicles wound our way to Millthorpe, arriving just in time for the 7.30 March. Down the road and round the corner its not far to the Memorial Gates. A highlight of this years service was the donation of the Book " LOST DIGGERS " to all the public schools in the four towns we visit. Lost Diggers is about the recently found glass negatives in France showing un-named WW1 Diggers, 800 pics in the book. After Millthorpe its down the highway to Carcour, different crowd, then onto Mandurama after each service, we get rolling as the band packs up the pipes and drums and they catch us up fairly quickly. Lyndhurst is the final service and after we have sung God Save The Queen its time for a cuppa and cake and more cake washed down with more coffee and then we turn our heads for home. Turned into the driveway at 3.45 pm with Don still having a hours run ahead of him. Several club members seen at various services. Bob and Marg, Don Marriott. , One pic is of Richard Bloomfield placing wreath.

**101 years old and still driving! Go Granny Go!**

Two classics.....

**This lady has a 1930 Packard. What a pleasant and peppy lady! Take notice in the video that she lays a shop rag on the running board to step onto when she gets in and out of the car. After she is in the car, she leans all the way down to the running board to get the rag. She is in great physical shape for her age.**

Cricket.

After all the excitement about 20/20 and being blasted with things like leg side, leg glance slips and silly point, perhaps a small explanation is appropriate.

Cricket is quite simple.

You have 2 sides, ours and theirs, one out in the field and one in.

Each man(or woman) in the side that's in, goes out and when he's out, he comes in and the next man goes in until he's out. Then when they have all been in and out, the side that's been in the field comes in and side that's in goes out and tries to get out, those coming in.

Sometimes you get men still in and not out.

Then when both sides have been in and out, including the not outs, that's the end of the game.

It's really quite simple. Ron

**Some more pictures of art deco cars sent in by Sharyn.**

This is just a random selection of pictures of some more cars on the email from Sharyn that I thought were particularly beautiful.

Ken sent in an email with some interesting looking cars for us to look at.  
Thanks Ken.
