Meetings are held in the Club Rooms on the Third Monday of each month commencing at 7:30pm at Louis Lane, Spring Creek. All visitors are welcome. Note, the editor and/or club members do not necessarily share the opinions that may be expressed in the magazine.

President's Report November 2010

Well as per usual this monthly meeting is the time for electing your Committee to run your Car Club. Please be "big and brave" and attend this meeting to show your interest and your freedom to nominate for any position.

I hope you have realised that we have changed the date for the Club's Rego day to Sunday 21st November. This has been arranged so that every Member can be free to attend the Club's Christmas luncheon on Sunday 28th November. The Ex-Services Club have granted us the exclusive use of their Bloomfield Club rooms for this luncheon. So I am anticipating to hear from more members on or before the Club meeting on the 15th with acceptances. It is planned to meet at the Club House at 10.30am for a Club run before lunch.

So, once again this Club will provide support to the Marsden Wool Display Day at the Orange Showground on Sunday 7th November. Our Delegates Bob McNeil and Kevin Bowyer have organised the Club's parking teams anticipating that this year's popular Community event will be as per usual most successful. What an honour for Club cars to drive the Governor Marie Bashir to greet the people.

Thank you to all Members who supported the Club when we hosted the Canberra MG Car club on the most atrocious Saturday that Orange weather turned on. We certainly showed the benefits of having our own rooms with a warm satisfying afternoon full of happy conviviality and food.

Report by Bob McNeill

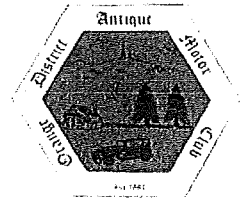

Peter

After much planning the day finally arrived and at the allotted time we presented our selves ready to do our bit to make the day a success. As the crowd rolled in so did the ODAMC members to cope with over 250 cars at various times during the day, most gave us no hassles and really went where they were told and when they left in the afternoon the park was clean of rubbish. The crowd was up on last year and everybody well behaved with lots to see and do from miniature horses to big Kenworth trucks. Old engines, donkey engines, horse wheels, sheep handling, sheep shearing, boot sale, fashion parade it was all there, even vintage cars. ODMAC members seen were Holland, Kain, Marriott, Penson, Shewans, Stammers, Risstrom, Mc Kenzies, Dwyers, Coomers, Bourkes [and bubs], Gazzards, Bowyers, Mc Neills, Heinrichs, Barnes, Boadens also saw Allen and Dawn Maunsell. Bob.

From the Editor

We were saddened to hear of the fire in Kevin Bowyer's shed last week that destroyed some of the contents and caused major damage to his Austin 16. Just imagine if your shed went up – it would be devastating. I'm sure Kevin would be grateful if members could give him a hand to clean things up, we might put that on the Agenda at our Meeting.

From the Editor

Congratulations to Ken Gazzard on having been asked to chauffeur the NSW Governor Professor Marie Bashir around the grounds of the Orange Country Fair and Wool Expo. Ken's A Model Ford looked immaculate with the hood down and was a very appropriate form of transport for the Governor. However he forgot his chauffeur's hat and has been complaining of sunburn after completing his duties. Her Excellency complimented Ken on his lovely car and thoroughly enjoyed the ride.
