## President's Report

As the year quickly draws to a close it gives us a chance to look back and reflect.

January saw our club represented at various Australia Day events and the Gnoo Blas Classic.

February we attended the inaugural Experience Orange Expo at Anzac Park.

Our first major event was in April, attending the Easter Rally hosted by Great Lakes Club Foster with our Club coming away with three awards. This event was followed closely by the very successful Autumn Tour held in May. June saw us out at Manildra for the annual Picture Show run with the Parkes club.

July had us heading east to Bathurst for a lovely family lunch at a local hotel. August once again had us heading east to Tarana Hotel and a very scenic trip home. Unfortunately the President's run to Canberra did not take place this year, however it was supplemented by a very successful run to Canowindra for Father's Day.

October saw the club team up with the Australian Sporting Car Club for a combined day of motoring fellowship with lunch at our club rooms after an observation run in the local area.

October also saw us hosting dinner for the Deniliquin Vintage and Veteran Car Club who were on an extended tour of country NSW.

This is just a small sample of the events calendar. The mid week events people have taken themselves on many an exciting journey this year.

Also this year let's not forget the very sad loss of two of our favorite members, Kath Gazzard and Pat McFadden. As the Christmas season approaches I hope both Ken and Leon know they are among friends and find solace in knowing these two lovely ladies were much respected and not forgotten.

Our club rooms took on a decidedly new look after the substantial renovations early this year. It has allowed the club to make better use of this wonderful facility we call *home*, our club has exclusive use of. I know all club members are very grateful to those willing workers who put in the time and effort to make it all happen. This year we will be holding our Christmas party in the club rooms. Numbers will be required at the November meeting.

This year we were honored by a couple of guest speakers at our meetings. Those being representatives of the Bush Council and Cabonne Council. This allowed us to keep the lines of communication open with those organizations necessary for the Historic Vehicle Movement to continue. I hope we are able to invite other guest speakers to our meetings again in the future.

This year also saw a number of long term members move into another faze of their lives. With the Hendersons, Perks, Moores (late last year) and Barnes families leaving the district. We wish them well in their new surroundings.

The AGM will be held this month and as always all positions on the executive will be declared vacant. If you feel you have something to offer the club please feel free to nominate for any position.

As I will not be available for the December meeting, I would like to take this opportunity to wish everyone, every happiness for the festive season and hope you can spend it with those closest to your heart.

Next year we will be hosting the Bush Council Easter Rally as well as the Canobolas Country Rally and, no doubt, a host of other activities. Always plenty to look forward to in this very active club. Congratulations to all those people who put the runs together. It's what keeps us together.

Happy Rambling and Merry Christmas to all.  
Kerry Risstrom. Club President.

Saturday night, our members hosted them to a BBQ tea at the Club House. Their time with us in Orange was most enjoyable and greatly appreciated. ED.
