Presidents Report September for October 2018

Another great roll up for our October meeting.

The President's Run was very successful. We are fortunate to have so many sealed back roads that allow us to take a leisurely drive and admire the scenery on our outings. Thank you Kevin for providing morning tea at Eugowra and Jann at "landra". Thank you to those members who were able to attend and make the weekend so enjoyable.

Anne has been in contact with Deanne Gill the Co-ordinator of the Rural Adversity Mental Health Program. She is very keen to attend a meeting early in 2019 to explain her role. As you are aware, rural suicide numbers are now higher than rural road deaths.

As mentioned, I shall resign as President at the November AGM so please give thought to being a member of the executive or one of the committees. A successful club is one that is constantly evolving, and fresh ideas contribute to that end.

Remember: to stay safe on the road, always watch out for the car behind the one in front of you.

Happy motoring

1. FOLDING GARAGE

In 1964, this picture of a small girl using a folding garage to hide her parents' Standard 8 from the jealous eyes of the neighbours would be seen as cute; now it would be regarded as child exploitation.

The folding garage itself, a concertina car tent 'available in seven sizes', was very much from the era when most people didn't have garages, and there were still plenty of World War II bombsites to park on.

EDITORS RAMBLE.

Welcome to the November edition of the ODAMC newsletter. I hope you enjoy it.

As the November meeting is also the AGM, all executive positions become vacant. It is with great sadness, from an editor's point of view, that Anne and John are not running for re-election this year. It has been an absolute pleasure working with them both. I would like to thank them both for all the hard work they have put into the club, particularly Anne who does so much behind the scenes work. You will both be missed.

Keith requested that some information for the 2020 AHMF Rally be put into this month's newsletter, it is a long way off yet but it is handy to think ahead. This is a handy link, for any members who may be interested in attending this rally. It certainly sounds like a good event. ahmf.org.au/2020Tour

Lance and Anne, both sent in some pictures taken from Landra Castle during the Presidents run, I also took some pictures of our cars parked in the car park at the front of McFeeters car museum in Forbes. A very nice Victorian registered Holden Sandman van was also parked in the carpark, I thought worthy of being included with our cars.

Peter Amos reminded me of the Presidents run, on the day, at a petrol station in Orange. Oops, I had totally forgotten about it so as a consequence, left late and arrived in Forbes late, missing all the activities en-route, then got called into work to work from 3pm so drove back to Orange. It was a great drive as the weather and road conditions were perfect but unfortunately missed meeting up with most of you. Oh well, it's an interesting time of life being in this age group.

This month, of course, is inspection day, and Bernie has requested that all members having cars inspected, please read and understand the requirements for this procedure.

It will not be possible to complete your car's inspection unless all paperwork has been completed correctly. Let's try and avoid any awkwardness' on the day.

Welcome to our two new members. Bob Harper and Rick Torrisi.

Please be aware of some changes made to the events calendar and extra events added. There is an interesting Add at the bottom of the Presidents report showing an Add from 1964. Good things for children to do during the school holidays perhaps.

GETTING OLDER

A distraught senior citizen phoned her doctor's office. "Is it true," she wanted to know, "that the medication you prescribed has to be taken for the rest of my life?" "Yes, I'm afraid so," the doctor told her. There was a moment of silence before the senior lady replied, "I'm wondering, then, just how serious is my condition because this prescription is marked 'NO REPEATS.'"

From Ken Gazzard.

Members attending any events are encouraged to take pictures and send them in so they can be put in the newsletter.

Don't forget to support our sponsors whenever you can as they support us.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.

Annual Inspection Day

The Annual Club Inspection Day will be held on Sunday 25th November 2018 at the Car Club Building starting from 8am.

Vehicles on conditional registration with the ODAMC with a registration expiry date between 25th November 2018 and 25th May 2019 will be inspected on this day. This is because the certificate of roadworthiness (Pink Slip) and the club safety checks are now valid for 6 months. If you are unable to attend on the day then a certificate of roadworthiness (Pink Slip) may be required for the vehicle.

The following documentation will need to be sighted and details recorded by the Registration Officer on the day.

1. Historic Vehicle Declaration (RMS form #1259) partially filled out.
2. Registration Papers Current or renewal.
3. Current certificate of Comprehensive Insurance.
4. Proof of Club Membership.
5. Certificate of Operations for the vehicle (Purple Form kept in the vehicle).

Note

The annual inspection of vehicles on Conditional Registration outside of the expiry dates listed above may require either an ODAMC roadworthy check or a certificate of roadworthiness (Pink Slip). This will be at the discretion of the Registration Officer.

The Historic Vehicle Declaration Form will not be signed off this year unless the above documents are sighted and details recorded by the Club Registration Officer beforehand.

Club members with vehicles of HCRS are reminded if their membership fees are not paid by the due date they are not financial members and their registration and CTP will be void! (ie the vehicle is unregistered and uninsured).

Council of Historic Motor Clubs NSW Inc

Dear Ray

2020 AHMF National Motoring Tour - Saturday 28th March to Saturday 4th April 2020

Australian Historic Motoring Federation (AHMF) is hosting a major National Tour with the intent of attracting Veteran Vintage and Classic motoring clubs Australia wide, the government and the media, to Albury-Wodonga during the period Saturday 28th March to Saturday 4th April 2020. This is the first National event since the highly successful 2001 Canberra based rally.

National Events are extremely rare these days. The planning and compliance demands have increased dramatically, however Australian Historic Motoring Federation Inc, with the assistance and support of the State and Territory Councils, will provide a world class event for its members, international guests and invited guests.

Albury and Wodonga City Councils have been consulted and venues selected. The surrounding localities provide for spectacular drives for all classes of vehicle, to ensure the most inclusive event for all participants and their vehicles.

We will provide opportunities for the public, local Schools and Community Groups to enjoy the spectacle of this vast variety of historic vehicles. Local schools will cater morning teas and lunches, along with support services, to ensure our tour integrates with all communities along each route. A public display, viewing of historic local Army and Immigrant facilities will be highlights for entrants to enjoy.

Invitations are issued to all sectors of Australian Historic Motoring, including Veteran, Vintage and all Historic Classic decades. The event will be promoted to International clubs of similar purpose. Our intention is for AHMF to host an affordable and fun event for all to attend.

We are in discussions with organisers and owners of historic caravans, ensuring we have a strong representation of historic caravans. Historic Motorcycles groups will also be encouraged to participate, along with historic tractors and stationary machinery taking part in our Public Display.

The scope of this event and the planned interaction with all sectors cannot be underestimated. This will be an important event for the Australian historic motoring movement and partners, with media coverage, via print, radio and television being sought daily.

The assistance of Victoria and NSW Police has been sought with cooperation assured. Where necessary the organising team will be in daily communication with police to ensure the best outcome for all.

Participants will be encouraged to travel to Albury and Wodonga from all States and Territories in a manner which will make this event a worthy demonstration to the public and to State and Federal Governments that the Australian Motoring Enthusiast has preserved Australian Motoring History for themselves and all Australians, and in doing so, has supported and continues to support the Australian economy on many levels.

"2020" AHMF NATIONAL MOTORING TOUR

28th March to 4th April 2020

Take part in this week-long event, opening with a Cocktail-style Welcome Evening and Open Day, followed by a week of touring, concluding with a Gala Farewell Dinner. Come along, participate and have fun at this affordable event. Bring your children; bring your grandchildren; bring your grandparents!

Organise with your club and State/Territory Council, tours through cities and towns to Albury-Wodonga for the first major national event since the highly successful 2001 Canberra rally. This event includes daily touring options. "2020" AHMF National Tour is being promoted Internationally.

All historic vehicles are welcome and encouraged to attend and there will be routes to suit vehicles of all eras.

How can you contribute?

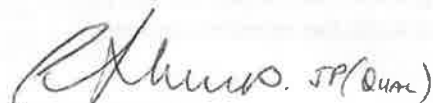

CHMC NSW Delegate (and AHMF President) Mike Beale suggested a different state/territory council take control of each day of the event. This will be coordinated with the 2020 AHMF National Motoring Tour Committee.

1. Which day does CHCM NSW wish to host?
2. Assistance will be required with sponsorship and prizes - can you assist?
3. Can you assist with the Touring Booklet?
4. Do you have media contacts to assist?
5. What other expertise do you have you can contribute?

I supplied Mike Beale with a very good supply of flyers for this event. Please distribute these to your members at your October AGM. New and updated information will follow and be distributed later in the year.

Your active participation in this event is sought. We have made a commitment to the historic motoring community and the public. Together that commitment will become a reality.
