### Presidents Report October Meeting 2013

A meeting of interested parties was held at our club rooms to discuss the kitchen. Some scaled down refurbishments to an earlier proposal was decided upon and Peter Amos should have completed the renovations in the coming weeks. Our Club rooms should now be much more comfortable to work in and present well to our many visitors during functions and rallies our club is famous for. Let's enjoy the luxury on our position which I know is the envy of many a visiting club.

Our editor Chris is looking for email addresses from those members who are happy to receive their magazine via the internet. You can receive your magazine earlier and in colour and read at your leisure. This method also cuts down on the expense of postage and printing. If you are aware of any Clubs who would like to receive a copy of our magazine by email please advise the editor.

Next month will be our AGM and all positions are up for election. The positions of President and Treasurer will be open for nominations as these two positions will become vacant at the end of this year. If you feel you have something to offer in an executive role please put your hand up. There is much to be gained from having a hands on approach within your club.

Our Christmas party will be held at our club rooms this year on Saturday 7<sup>th</sup> December. It is my intention for us to have some *activities* before we tuck into a Christmas feast. The afternoon will begin around 4.00pm and is intended to be a family affair, so bring along as many family members you like. Details will be advised at the November meeting.

It has only just come to my attention Jenny Shewin has not been feeling her usual endearing self lately. On behalf of the club I wish her a speedy recovery and hope to see her out and about soon.

Thank you to Keith for sitting in the chair at the September meeting.

Don't forget - **AGM** - Next meeting.  
Happy rambling.

Kerry.  
Club President.

Also included are the minutes from the last Annual General Meeting of the Orange and District Antique Motor Club Held on 19/11/ 2012.in preparation for our next Annual General meeting to be held on Monday 18/11/2013.

Ken Gazzard sent in a registration form and letter for the 2014 CARnival to be held on January 26<sup>th</sup> (Australia Day) 2014.Note the closing date for this is 8/11/13 so you don't have much time if you wish to register.

All club members are reminded that inspections start from **8.30 on 24<sup>th</sup> November** and some early inspections would be appreciated to prevent the rush.

A short article and some pictures by me from the Birdwood car museum SA. And some pictures from the ACT Centenary of federation display in Canberra on the weekend of 19/20/10.

Ron Shewan notified all members that **"For those who have not heard, Jenny Shewan had a serious fall and a subsequent heart attack and surgery, she is recovering slowly with Physio"**. Our thoughts and good wishes go out to you both.

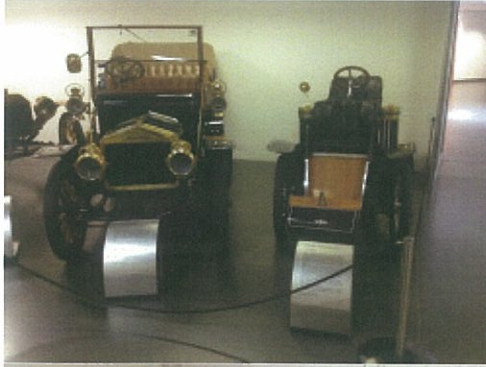

### Wellington Caves.

The day started well and just got better, 4 cars left Cook Pk on time and dawdled out to the morning tea stop to be met by 3 more cars. A slow cuppa and we headed of to the Caves as the day warmed up, we had hardly sat down when the Streetfields joined us, the Morrie running a bit hot. Lunch was had and cave tours organized and partaken, then it was time to point our noses for home, some took up Don,s offer and detoured via Cumnock for a coffee and cake and more cake untill, as full as ticks we turned the lights on and watching for big grasshoppers made our way back to our places of abode. A great day with good company. Bob.

### Birdswood car meuseum Birdswood SA

Last month i went on a kayaking trip through central and north western Victoria into South Australia, port Augusta and then on to Woomera and Andamooka opal fields what a fantastic place and a great time away with some great kayaking in some beautiful places. On the way back I came through the Adelaide hills and stopped in at the car museum in Birdwood, Adelaide. Great building, setting and some magnificent cars. I have added a few pictures, at random. IF any of you are ever in the area it is well worth the visit.

*ORANGE DISTRICT ANTIQUE MOTOR CLUB INC*

**Centenary of Federation, Canberra, ACT**

I went to the Canberra Centenary of Federation celebration on Sunday 20/10. A great day and a great location on the front paddock of the old Parliament house. A good display of cars with a large percentage of them being from the 50s, 60s and 70s. The weather was great, lots of stalls and food and drink venues. Canberra always seems to do these things well. For me the best two cars were the Auto Union, (DKW) 3 cylinder two stroke and the Citroen DS23 pallas. I always manage to fall in love when I go to these venues.

My contact details are 63659224 or 0428659224 and my email is [cbromley111@optusnet.com.au](mailto:cbromley111@optusnet.com.au) for any information, news, Pictures or anything that we can add to the newsletter. All is gratefully appreciated. Chris.

**Chance Meeting – Enjoyable day**  
(Annette and Lou Zambelli)

On our four week caravan touring holiday we had an unexpected outing with some members of the Orange District Antique Motor Club. It all started one morning at 9am while we were visiting the flowering begonia display at one of Oranges beautiful perks. Parked outside was an Austin A70. Of course, Lou had to give it a close inspection. During his inspection the owner appeared and we introduced ourselves as members of The Northern Rivers and Veteran Car Club and mentioned that we were from Lismore. The car owner introduced himself and his wife. They were Kevin and Margaret Bower. They invited us to join them on the other side of the park where a number of Antique cars from their club were meeting for a days run, Of course we jumped at the chance to see the cars. Upon meeting the other members they insisted that we join them on the days run, We were offered a ride in one of their cars, however we decided to tag along in our 4WD as we had plans of our own for later that afternoon. What a friendly and enjoyable day we had with these lovely people. They took us on by roads we would never have known and the scenery, very green and lush. Fat cattle and sheep everywhere plus crops and apple orchards Etc. A stop for morning tea at a members property and Annette was in her glory viewing the magnificent rose gardens and lovely old large trees in the garden, We were made to feel very welcome.

Lunch was at Blayney. We all had pies and pastries from this farmhouse pie shop there. After lunch we all made our way back to Orange in different directions. We gave our address to Kevin and Margaret and invited any of the members to look us up if ever they were in Lismore. We told them all about our rally held each year in August. Lets hope that we might meet again one day. It just goes to show how easy it is to meet nice people when there is a common interest.

Thanks again Orange District Motor Club Members whom we met that day in March 2013.

From Annette and Lou Zambelli
