## President's Report October 2011

I'm certain just as night follows day, spring follows winter, but not in Orange. As usual we will probably go straight to summer in one week, eventually.

As true vintage motorists not even the continuing cold wind and rain can dampen the spirits of our Club members as they go about traveling down our many picturesque roads and highways these past few weeks.

An excellent day was had by all who attended the run to Tarana on Sunday 21<sup>st</sup> Aug. A quick stop in Lucknow at 'Coffee n Cane' then on to the Tarana Hotel for lunch.

With everyone living such busy lives unfortunately The President's Run to Canberra did not take place. Another day perhaps.

The Fathers' Day run to Canowindra proved a popular event with twelve cars turning up. Our thanks to Sandra and Les for organizing this event. If memory serves me correctly, it will be the Streatfeild 's turn to arrange next years run with them winning the raffle on the day.

Following on from our visit by representatives of the Bush Council, President Rodney Bradley and CHMC/RTA Liaison Officer Don Tuvey the latest Bush Telegraph Newsletter has been published. There was much discussion on the issue of Conditional Registration and the wearing of seat belts for minors, among other things, at that meeting. With the upcoming half yearly meeting of the Bush Council due to be held October 22<sup>nd</sup>, it is important the club discuss these issues and put together our position and suggested ideas we would like our delegates take to that meeting. If you feel you have any positive ideas to offer please attend our October meeting so this can be put forward.

We were honored with a visit by Glen Mickle, Tourism Development Officer with Cabonne Council at our September meeting. I have received a reply from him which I will present at our next meeting.

A wonderful day of motoring fellowship was held last Sunday 9<sup>th</sup> with the running of our combined observation run followed by lunch at our club rooms with the local members of the Australian Sporting Car Club. Members of both clubs enjoyed the day immensely and we hope this will not be the last.

The year is quickly drawing to a close with preparations for Easter Rally in full swing, our AGM due to be held in November and Christmas Party to be arranged. All Office Bearers positions to be declared vacant at AGM. If you feel you can bring something of yourself to our Club please nominate for a position. It's your Club.

Happy Rambling.

Kerry Risstrom  
President.

## Observation Run Sunday 9<sup>th</sup>. October

On Sunday the 9<sup>th</sup> October 18 members of our club joined with the Australian Sporting Car Club for an Observation Run around the outskirts of the City of Orange. Fifteen cars entered the Run which was organised by Mick Buckler of the ASCC. It was a good test of our navigational skills and our observance. A delicious meal was served back at our Club House at a small cost. It was a great get-together for fellow motoring enthusiasts and enjoyed by all. Thanks to Kerry for organising a great day. ED.

Pete's wife cooked dinner and always left it on the table, but he usually stopped at the pub and got home late to a cold dinner.

"Why don't you put my dinner in the oven for me dear, instead of leaving it on the table?"

The next time he arrived home late he found his dinner in the oven and was quite pleased.

He opened the door and took it out...it was a salad.
