Presidents Report August Meeting 2013

It was pleasing to see so many members braving the cold at our August meeting. A number of locals take this time to venture to warmer pastures choosing to escape the Orange weather. None the less, us hardened folk remain to keep the home fires burning.

There are quite a number of events on over the coming weeks. Some events are for specialised entries which our many and varied vehicles take part and only involve a small number of members. Other events are open to all makes of vehicles and available to all members. Just a reminder to our members on Conditional Registration they are required to have in their participating vehicle all documentation required for them to enter that particular event. Not complying could result in a situation neither our members nor our club would choose to be. Please be mindful.

Four brave souls ventured to Western Plains Zoo for our President's run last weekend. An interesting night was spent in our water view tents locked inside the zoo, with a couple of man eating tigers both pining for the one mate, keeping us entertained most of the night. The facilities at the Billabong Camp were superb, so if you are into camping, would be considered luxurious.

I have had nothing but good reports of the Fathers' Day run to Rockley on Sunday. I hope all our fathers and gran fathers had wonderful day. No doubt someone will put in a full report for the magazine.

The year is racing away with the spring weather now upon us. As always keep your eye on the events calendar and get those cars on the road. My little 'B' is having a brief holiday in a shed at Molong, but have no fear you will soon see in running down the road again soon.

As I will be unavailable for the next meeting Keith will be sitting in the chair. Have a nice September.

Happy rambling.

Kerry.

Club President.

I didn't have room on the current events calendar to add these from the last meeting so added them onto the bottom of kerry's page. Chris

EDITORS RAMBLE

Sorry the magazine is a little late this month due to some travel arrangements. This Month's magazine contains a flyer for the Centenary of Canberra Rally to be held in October from Ron. An article and pictures from "The All Holden Day 2013" from Bob thank you all. A report and pictures from me from the 2013 Shannons Sydney Classic held at Eastern creek raceway on Sunday 18th

Bernie Schnell reminds all club members that rego day this year is 24th November 2013

All Holden Day 2013

Another Holden Day over, we decided to leave early so set out on Friday afternoon to go as far as Dads at Kurrajong. The ute cruised along, helped by a strong tail wind and we arrived in time for a late tea. Saturday morning dawned a fair bit warmer than we are used to and after brekky we headed to the swap meet at Hawksbury Show ground. Lots of trash and treasure and a few bargains. Saturday afternoon we drove up to Bilpin to see some old friends. Sunday morning was a real case of "hurry up and wait ". Needed to be down at the showground early, so we and 799 others could be lined up and parked by 8.30, this year no entries on the day allowed, all pre booked. There must have been another 2-300 cars in the car park. Some for sale, but most just lookers. This year the policy of Not Leaving till after 3.30 was strictly enforced which meant that after the prize giving there was time for a hot drink and a natter before the rush cleared and we rolled out the gate at 4.15 heading into the sunset. Good run home except for the normal idiots that cant wait 2 minutes and rush past on double lines and corners, only to pullup in the next town then have to do it all again. Spotted a number of local cars from this district and Parkes had a good display. Bob and Marg
