Presidents Report August for September 2018

Back in the saddle after a break from minus degrees. The all over tan has almost washed off.

Thanks to Kerry for keeping things in order once more.

There seems to be a problem in accessing our website for some members.

I typed odamc.org.au and went straight in. There is a lot of information about the club events including Canobolas Rally entry form. Other items are of general interest to car owners.

Please send your entry forms to Anne ASAP as we will have to decide whether to go ahead at the Sep meeting.

Thanks to all members who were able to participate in the club runs so far. If you think of any places to visit, let the events committee know.

Remember when out and about that "it is better to be a few minutes late than dead on time"

Events Report:

Sunday 22nd July. The run to the O'Connell Pub at O'Connell for lunch was well attended with 23 ODAMC members and family attending with two visitors from Cowra Bob & Robyn Harper in a Fiat 1000. A very nice run on a lovely winters day, great venue and great menu.

Thursday 2nd August. Visit to Toll Emergency Helicopter Base at Orange Airport. 8 ODAMC cars attended. Dave Gray gave a detailed report on operations at the base and facts and figures on the \$20mil. Toll helicopter that is based at the facility.

After the inspection we had lunch at the Millthorpe General Store. Another great spot to visit.

Saturday 11th August. Dubbo Truck Show. & ODAMC members attended unfortunately the general opinion was “ a very disappointing show, not a lot to see, much smaller than previous years, and the usual food venues were closed, \$15 entry was too high for what was there, maybe had something to do with it now being a one day event.

Tuesday 14th August. Met up with the Cootamundra Antique Motor Club at Lyndhurst for lunch at the Café. Visitors from Cowra Bob & Robyn Harper attended again.

The Cootamundra Club and ODAMC cars gave a good display along the street in front of the Café attracting the attention of passing traffic and locals at Lyndhurst, which is always a good town to visit.

Sunday 19th August. The Black Stump Pub at Trunkey for lunch. Visitors from Cowra Bob & Robyn Harper attended for the third time. We can expect two new members very soon.

Well we are a hardy group, snow, rain and sleet during the picturesque drive there and back and light snow while we were having lunch by the open fire.

Upcoming events:

Tuesday 4th September. Visit to the club house by the Canberra Antique and Classic Club for a Show and Tell of our cars. Please get there about 11.30 to help clean up and set up for the afternoon tea to be provided by ODAMC. Canberra plan to arrive around 1pm.

Thursday 6th September. The visit to a property near Lyndhurst has been **postponed** to next year. In its place will be a visit to the Rail Museum at Manildra followed by lunch at The Manildra Pub which is now under new management.

Sunday 16th September. The Newbridge Hotel for lunch **CANCELLED. In its place. See below.**

Sunday 23rd September. The Great Family Fun Day presented by Orange Lions Club at Euchareena Public School. Bring your car for a display and be part of the day to help farmers and their families relax and enjoy a BBQ, music and drinks provided by Lions along with a variety of supports services on hand on the day. 10:00 to 4:00pm.

Motion moved to make this a club event.

Moved: Bob McNeill

Seconded: Keith Packham

Carried.

Sat. Sun & Mon. 29th & 30th September & 1st October. Canobolas Country Rally. **Please get your Entry Forms and payment in ASAP.**

General Business:

- Keith gave an update on the Canobolas Country Rally. Emails and letters have been sent to other clubs but entries are slow to arrive. Clubs in the Central Tablelands and ODAMC members were reminded to get your entries in as soon as possible for a weekend of relaxed country driving and experiencing the hospitality of some of our great little towns on the outskirts of Orange. If you intend to attend now is the time to forward your entry forms.
- Update on the visit to the club house by The Canberra Antique & Classic Club on Tuesday 4th September for afternoon tea and a look at the cars.
- Club caps and bucket hats have been ordered.
- Bathurst Council has planned an event to raise funds for drought affected farmers on 28th November. The event involves a drive around Mt. Panorama. More information will be available closer to the date.
- Bruce Heinrich reminded prospective members and existing members of ODAMC they are expected to attend 3 club meetings or authorised club runs per year to retain their continued authorisation for concessional registration. When nominating a person as a member, the nominating member should advise the prospective members before they can be accepted as a financial member of ODAMC they must attend two club meetings or authorised club runs. These ODAMC rules are aimed at discouraging people from using the club as a means of obtaining registration of a vehicle for private use on the concessional historic registration scheme.

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC.
EDITORS RAMBLE

Welcome to the September edition of the ODAMC newsletter. I hope you enjoy it. I have just got back from a short Kayaking trip to South Australia on the mighty Murray. Spectacular country and River. Everything there is so green at the moment and it makes you realise, upon return to Orange, how dry and drought effected this area is. Lots of feed trucks on the highway heading this way and local Hotels having donation lunches and dinners to help the farmers. It's heart-warming to see people just wanting to help and doing what they can. Australia, you have to love it. Once again, we have had some very good reports and pictures sent in by some members. This makes for some good reading and interesting pictures.

Ann sent in some pictures and a report from the O'Connell pub Lunch run, the Emergency Helicopter base visit at the Orange Airport, Lunch at The Black Stump Hotel at Trunkey Creek. Some ODAMC members enjoying the day at Lyndhurst. The group from Cootamundra at Lyndhurst Cafe. Some of the Cootamundra cars lined up. Thankyou Anne.

Since the last edition of the newsletter, Charles has been unwell but assures me he is on the road to recovery. We all wish you well from the club.

I came across some more old ads, probably from the 50s, that I thought you might enjoy so have squeezed them in under the presidents report. Love the pants, so stylish.

Bernie has asked to have a reminder put in the Magazine about the requirements for club inspections that are coming up in November. We will run this now until after inspection day to give everybody a chance to get all your paperwork in order.

Don't forget the Canobolas Rally being held on 29th, 30th September & 1st October. This is a fabulous time to be driving around Orange in your car and a great opportunity to meet some other members from this club and from other clubs who will be attending. A very pleasant, leisurely way to enjoy yourself. Entry forms are in this edition. If I could ask all clubs who receive our magazine to publish the entry form in their own magazine. Also included is an accommodation guide for Orange. This link should take you to the webpage. <https://www.visitorange.com.au> There is a flyer regarding the Lyndhurst fair and market day to be held on 21st October.

From July 1, 2018, there is no longer a requirement to display a registration label on conditionally registered vehicles including vehicles in the Historic Vehicles Scheme (HVS) and Classic vehicles (CVS). The decision to abolish registration labels was made at a national level with each state's roads authority agreeing to the proposal. This Australia wide initiative was intended to reduce red tape and provide improvements for the general public. Roads and Maritime Services (RMS) commenced these changes in January 2013 with the removal of labels for all general issue, light vehicle registrations, however, at that time it was not possible to include conditionally registered vehicles (HVS and CVS)

The RMS has now formally advised CHCM that the requirement to display registration labels on all NSW registered vehicles, including HVS and CVS has been removed. This is in keeping with the Road Transport (vehicle registration) regulation 2017. Clubs and HVS/CVS vehicle operators can find further information and some FAQs on the RMS website.

<http://www.rms.nsw.gov.au/roads/registration/get-new-registration/conditional>.

I attended the All Ford day in Sydney and saw Marcus Allaway's 1969 Ford futura station wagon. It was probably, for me, the most interesting vehicles at the show. I have certainly never seen one before. I've seen heaps of GTHO falcons etc. but this was unusual. Good on you Marcus, and displaying our club logo as well. I asked Marcus to tell us about this rare Station wagon and he sent in some before and after pics with a bit of history about the car.

I missed getting my little Capri in as I was running late. It would have been good to be able to have shown it as no others where there which is a shame as it is an Australian designed, built and exported Ford sports car. I did however manage to pick up a \$114 speeding fine on the way at Mount Victoria.

I have added a sheet of club business cards in this edition, so members can give these out when they meet people who might like to join the club.

Please be aware of some changes made to the events calendar for this month. Anne has added a Flyer for the Euchareena fun day to be held on 23rd of September. This run will replace the advertised run to the Newbridge Hotel. Please also note other changes and extra events.

Members attending any events are encouraged to take pictures and send them in so they can be put in the newsletter.

Don't forget to support our sponsors whenever you can as they support us.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.

Annual Inspection Day

The Annual Club Inspection Day will be held on Sunday 25th November 2018 at the Car Club Building starting from 8am.

Vehicles on conditional registration with the ODAMC with a registration expiry date between 25th November 2018 and 25th May 2019 will be inspected on this day. This is because the certificate of roadworthiness (Pink Slip) and the club safety checks are now valid for 6 months. If you are unable to attend on the day then a certificate of roadworthiness (Pink Slip) may be required for the vehicle.

The following documentation will need to be sighted and details recorded by the Registration Officer on the day.

1. Historic Vehicle Declaration (RMS form #1259) partially filled out.
2. Registration Papers Current or renewal.
3. Current certificate of Comprehensive Insurance.
4. Proof of Club Membership.
5. Certificate of Operations for the vehicle (Purple Form kept in the vehicle).

Note

The annual inspection of vehicles on Conditional Registration outside of the expiry dates listed above may require either an ODAMC roadworthy check or a certificate of roadworthiness (Pink Slip). This will be at the discretion of the Registration Officer.

The Historic Vehicle Declaration Form will not be signed off this year unless the above documents are sighted and details recorded by the Club Registration Officer beforehand.

Club members with vehicles of HCRS are reminded if their membership fees are not paid by the due date they are not financial members and their registration and CTP will be void! (ie the vehicle is unregistered and uninsured).

Marcus Allaway's 1969 Ford Falcon Futura Station Wagon

Before shots

My car is a 1969 Ford Falcon Futura wagon. It has a factory 302 Windsor V8 unleaded for 94 ron petrol and a 3 speed manual column shift. It has 4 wheel drum brakes, not boosted no power steering or AC and manual clutch. Only 7200 of this model where made in 69. This particular car was made in Canada, so not many left. It is almost a foot longer than the Australian model. The bonnet, 2 front doors, floor pans and windscreen are the same as the ones made here, the rest is different, even the park brake is foot type, It was never registered in the US. It was driven new, across the USA, on a permit, for shipping to Australia for use by the Military in the US Embassy in the ACT. It was then used for 10 years as transport to and from the Airport and trips around Canberra. It was then sold to an Aussie worker who used it until 1986 when he had a few to many crashes in it and parked it up in and old shed. We got wind it was up for sale and bought it. We pulled many big dings out , I pulled the engine out and reconditioned it, got it hot tanked and bored 30 thou and put it back together and gave the car a repaint in yellow, It was originally a dark green metallic colour. I put it on full rego as I use it most days, it seems to be the only 69 wagon in Australia. Some coupes and sedans have come here in the last 10 years but no Wagons.

After shots, taken at the All Ford day.

Out and about on the runs

Run to O'Connell Pub for lunch.

1st photo of our visitor from Cowra Bob & Robyn Harper with their Fiat 1000.

2nd photo of Bernie & Liz and Andrew & Sue's cars on the O'Connell Run.

A very interesting visit to the facility to see the \$20,000,000.00 helicopter that is on standby 24/7 at Orange Airport for a medical emergency to transport patients to hospitals. Photos from the emergency Helicopter Base at Orange Airport.

FOR SALE AND WANTED

Please note, advertisements will run for three months unless you advise the editor to the contrary.

(7) FOR SALE. 1934 NASH Twin Ignition Ambassador 8, Model 1294L Sedan.
It goes beautiful & drives lovely. The only noise was the thrust bearing. Which was new, but must be dry. Motor reconditioned, new brakes and brake drums, gearbox and diff dismantled checked and reassembled. There is a couple of things to do on the car to make it 100%, the overdrive linkage (I think I have it all) accelerator cable and pulleys (I have all), brake light switch (I have original now), I have sought parts from all over the world for this car but it is probably 95 % original. **The car is offered for sale by its owners Tom and Rhonda Dowse jtdowse1934@gmail.com Mudgeeraba, Australia Tel - 0404024292**

(7) Missing – Presumed lost.

1928 Phaeton.

The number plate was 28 – FRD. I am prepared to offer a \$100 reward for information leading to its owner and location. Contact details are email: willeyian@gmail.com and my son Evan: 0438 264 489, or daughter Rebecca: 0410 544 089.

(7) Wanted urgently rear mudguard Tudor/Pheaton 28/29 because rear wheel parted company with axle please ring John Hyland 0246571734 or waikato.park@bigpond.com I will be grateful for any help.

(8) FOR SALE. 1929 Chevrolet international sedan. In great condition. Has been in museum for the past 10 years. Has new tyres, 12v system, Red with cream interior. Club Rego (not transferable). Inspection will not disappoint \$20,000.00 ONO. Well-known car in the local area.
Call Ted Sanger 02 63645100 (ODAMC member).(Other clubs copy please.)
