Presidents Report for August 2019

My thanks go out to Keith Packham for sitting in the chair for the June meeting. Despite a number of absences, we had a pretty full house for the July meeting. Which is good to see as always.

A full list of activities on the events calendar coming up. Our trip to Bathurst Bell Tower at All Saints Anglican Cathedral this coming weekend. The band has arranged to gather especially for us this Sunday so I am hoping for a good roll up. Morning tea in the park while listening to the bells tolling then on to your venue of choice for lunch.

Its show season over the next few weeks so I hope all the locals can get out and support their local show. The midweek runs and ladies' day at our club house still proving to be good social get together.

The Millthorpe Garden Ramble and Eurrowanbang Homestead visit – both events on at the same time and over the two days. This will allow members to choose to ramble to both events as this is the intended nature of these events. Let's hope the weather plays its part. As always be sure to keep you club magazine on hand when attending club runs.

The President's run to Mudgee coming up in late September will also be a great run with plenty to keep everyone entertained.

Thanks to Keith firstly for attending the focus group meeting in Parramatta and for giving us a brief report on the Log Book Trial, still yet to be decided. It would appear as if the majority of clubs wish for the Log Book to become a permanent thing with a few amendments and final tweaking before putting it into law.

Keep those batteries charged and fuel tanks full, and keep your eye on the events calendar. Always a reason to hit the road and gather in motoring fellowship.

Happy rambling.

Kerry Risstrom

President.

Annual Inspection Day

The Annual Club Inspection Day will be held on Sunday 24th November 2019 at the Car Club Building starting from 8.30am.

Vehicles on conditional registration with the ODAMC with a registration expiry date between 25th November 2018 and 25th May 2019 will be inspected on this day. This is because the certificate of roadworthiness (Pink Slip) and the club safety checks are now valid for 6 months. If you are unable to attend on the day then a certificate of roadworthiness (Pink Slip) may be required for the vehicle.

The following documentation will need to be sighted and details recorded by the Registration Officer on the day.

1. Historic Vehicle Declaration (RMS form #1259) partially filled out.
2. Registration Papers Current or renewal.
3. Current certificate of Comprehensive Insurance.
4. Proof of Club Membership.
5. Certificate of Operations for the vehicle (Purple Form kept in the vehicle).

Note

The annual inspection of vehicles on Conditional Registration outside of the expiry dates listed above may require either an ODAMC roadworthy check or a certificate of roadworthiness (Pink Slip). This will be at the discretion of the Registration Officer.

The Historic Vehicle Declaration Form will not be signed off this year unless the above documents are sighted and details recorded by the Club Registration Officer beforehand. Club members with vehicles of HCRS are reminded if their membership fees are not paid by the due date they are not financial members and their registration and CTP will be void! (i.e. the vehicle is unregistered and uninsured).

General Business:

Anne Magill reported that there will be training on the Defribulator by the representative at 6.30 On 21/10/19, which is one hour before our Monthly Meeting. More information next month. Further, Anne reported that our Fire Extinguishers are due for service. Anne will get advice from local fire prevention business and report back.

Bruce Heinrich outlined some work he felt we should be attending to. Most important was the downpiping near the entrance and the Hot Water system which was leaking. The Presidents' Board needs updating and refurbishment, plus some shelving needs to be erected. Bruce will attend to the downpiping and contact a plumber for advice on the Hot Water System.

Secretary moved that Bruce may spend up to \$150 on the downpiping. Seconded: Keith Packham Carried.

Keith Packham spoke about the Meetings with the RMS on the Log Book matters. The matters raised by the Clubs are to be considered by KPMG and RMS jointly. RMS will make a decision later this year.

There was some discussion concerning cars needing inspection other than at Inspection Days. Committee felt that it was not a big problem but would speak to the Inspection Officer.

The matter of updating our constitution was raised and it was agreed to leave the matter until a decision was made by RMS on the Log Books

B.U.T.: Bob McNeil.

Meeting closed: 9.10 pm.

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
EDITORS RAMBLE

Welcome to the September, 2019 edition of the ODAMC newsletter.

This month's edition of the ODAMC newsletter is the first edition that has been sent to the printers electronically. Let me know if you notice any errors. How modern have we become!

As mentioned in last month newsletter, I blew the cylinder head and head gasket on my campervan whilst I was in Alice Springs. NRMA premium cover flew me from Orange to Sydney then back up to Alice Springs when the car had been repaired to pick it up. When I got there the car wasn't ready so NRMA supplied me with another rental car and accommodation. How good is that? Back home now with the van and all is well except I seem to be obsessed with looking at the temperature gauge. OH Well.

Whilst I had some more time in Alice, I revisited the car museum I had been to previously and took some more pictures. I had been told about a certain truck at the Museum that belongs to the Gillott family and noticed it still has NSW H plates on it. It's in beautiful condition and is a well-respected exhibit at the museum with many visitors commenting on it.

Kieth, via Euan, sent in the latest issue from Dinkum Oil which contains the proposals put to the RMS concerning the Log book trial.

Last month Bernie requested that we add the flyer for the Inspection day set down for Sunday 24th November. This is also a club run day. Both are perfectly manageable but please have your car inspected and completed before you proceed on the run.

Ann sent in some pictures and a report from the CPR Defibrillator training that was undertaken at the Lyndhurst memorial hall. She also sent in a report and some pictures taken on the Club run out to Macquarie woods and the beekeepers inn. Looks like a good time was had by all.

Anne also mentioned that as we now have a defibrillator at the club house, there will be some further training / demonstrations of how to use it in the near future. Please attend these as the lives saved could be yours. Details will be provided.

Bob sent in a report from the dish at Parkes. Sounds like it was a huge success, as predicted.

Euan sent in an email he had received regarding the upcoming HCCA tour. If anybody would like to see these cars some possible venues have been included.

Subject: HCCA tour

Good morning Ewan tour runs Friday 30-August to 6th September

Saturday, Millthorpe - Lucknow-orange for lunch

Monday, Tarana - Oberon lunch

Tuesday, Bathurst skyline lunch

Wednesday, Mayfield gardens

Thursday, Newbridge - Blayney lunch

Friday short tour of Bathurst

This may help anyone who would like to see the cars on tour

Regards George

There is a flyer, "Dolly's dream" an upcoming club event at Old Errowanbang. It's for a good cause and also a flyer for the Motorlife 2019 Motoring Expo

Don't forget any member is more than welcome, and encouraged to make suggestions for events. Also any members attending events are encouraged to take pictures and send them in so they can be put in the newsletter. It's a bit boring without any reports or pictures.

Don't forget to support our sponsors whenever you can as they support us.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated,

Out and about,

From Anne. CPR and Defibrillator Training at Lyndhurst Memorial Hall. Some ODAMC members took advantage of a training session at Lyndhurst Memorial Hall.

The first photo shown John Nicholson and Owen Magill listening to the Defibrillator monitoring the patient to detect a heartbeat.

The second photo shows John and Owen working as a team, Owen administering CPR, while John waits to take over.

As ODAMC now has a Defibrillator in the clubhouse, a demonstration is being arranged for members in the near future. Details will be advised.

Thursday Run on 1st August.

A lovely drive along the back roads from Orange to Vittoria on a perfect winter's day. The aim was to visit Macquarie Wood, but some of us missed it completely. The conversation over lunch looked rather serious in this photo, questions may have been asked, how did we miss Macquarie Wood?

Lunch at the Beekeepers Inn is always a delight.

Some more pictures from Alice Springs car museum.

The second two pictures show the Gillott's Foden Truck. Still proudly displaying NSW Historic plates.

The Dish 50th

Since we were already nearby, we asked our grand-daughter if she would like to come to the DISH with us.

Off we headed and as soon as we hit the highway we ran into heavy traffic all the way to the carpark, finding a spot was the next issue, 19000 people attended over the w/end, and all the food vendors were doing a roaring trade, most having had to restock and call in help on the first day. The tours of the telescope were booked out from early on Sat morning. As the big clock counted down to the zero hour we listened to many speeches including the American Ambassador. The car display by the local clubs was well put together. Spotted several Orange residents in the crowd. Bob and Marg.

A drop from the Council of Heritage Motor Clubs to keep you going

1. RMS has received submissions relating to the Log Book Trial, and will provide an update on the status of the trial and review in early September 2019.
2. CHMC has made the following recommendations in its submission to the survey:
 - Log Books be a permanent option, with both Clubs and individual members free to elect to not take part in the Scheme.
 - Log Book use to be a maximum of 60 days, but should insurers follow the precedents set in Victoria for stepped CTP rates, options of 15, 35 and 60 days use be offered.
 - The Log Book to be more robust, A5 or A6 in size, with a firm cover, conditions printed within, and sufficient space for 3 years use (180 fields).
 - Fields in the Log Book be of sufficient size to permit clearly legible entries.
 - Clubs be a party to the Log Book Scheme, with RMS Form 1259 being altered to include an election to take part in the Log Book Scheme, and also a record of the number of Log Book days used in the previous year.
 - Conditions of Log Book use be clarified, in particular prohibiting use for:
 - Hire or reward
 - Travel to or for regular employment, business trips and regular personal trips.
3. CHMC is very grateful to the number of Clubs responding to the Survey, and especially to the many individual members who made available time and out of pocket costs to attend the Focus Group Sessions in Parramatta. Your input has been highly valued and we thank you sincerely.
4. Clubs are reminded of two major events in 2020:
 - The AHMF Rally at Albury Wodonga 28th March to 4th April.
 - Temora's "I don't want to go Home" Rally from 4th to 7th April, during which the 2020 CHMC AGM will be held.
