Presidents Report for September 2019

As always, a good rollup at the September meeting.

The Highwheeler/Vintage rally held in Bathurst and surrounding area looked very much a success. I think there were in excess of thirty vehicles which took part. The Packhams and myself were fortunate enough to attend the Pitt Straight area of Mt Panorama where they all camped over the week long stay. Some very impressive vehicles amongst them. I was particularly impressed with the Brush which had travelled Perth – Sydney 1912-1992-2012. Around Australia Sydney -Sydney 2001. Not bad at all for such an old machine. 'They don't make 'em like they used to'. I can't imagine my Mazda Tribute doing anything like that over a lifetime.

Just a few things to mention:

Good to see the locals are attending the local shows and flying the flag for the club, all with positive results.

The ladies day again proving a great social outing.

A few housekeeping jobs being done at the club house with the help of good volunteers. Our thanks to those involved.

Before the October meeting there will be instructions on how to operate the defibrillator. I would encourage everyone to attend if they are able. Again thanks to those involved. Start time 6.30pm. By the time the magazine goes to print the President's Run will have been run and enjoyed. As always there seems to be too much on at the same time as I know there are a number of members otherwise committed and are unable to attend.

Now that the weather is finally warming up and the days are becoming longer there are no excuses for not getting out there and on the road. We have lots on the calendar for people to attend and gather together in motoring fellowship.

Happy rambling.

Kerry Risstrom.

Annual Inspection Day

The Annual Club Inspection Day will be held on Sunday 24th November 2019 at the Car Club Building starting from 8.30am.

Vehicles on conditional registration with the ODAMC with a registration expiry date between 25th November 2018 and 25th May 2019 will be inspected on this day. This is because the certificate of roadworthiness (Pink Slip) and the club safety checks are now valid for 6 months. If you are unable to attend on the day then a certificate of roadworthiness (Pink Slip) may be required for the vehicle.

The following documentation will need to be sighted and details recorded by the Registration Officer on the day.

1. **Historic Vehicle Declaration (RMS form #1259) partially filled out.**
2. **Registration Papers Current or renewal.**
3. **Current certificate of Comprehensive Insurance.**
4. **Proof of Club Membership.**
5. **Certificate of Operations for the vehicle (Purple Form kept in the vehicle).**

Note

The annual inspection of vehicles on Conditional Registration outside of the expiry dates listed above may require either an ODAMC roadworthy check or a certificate of roadworthiness (Pink Slip). This will be at the discretion of the Registration Officer.

The Historic Vehicle Declaration Form will not be signed off this year unless the above documents are sighted and details recorded by the Club Registration Officer beforehand. Club members with vehicles of HCRS are reminded if their membership fees are not paid by the due date they are not financial members and their registration and CTP will be void! (i.e. the vehicle is unregistered and uninsured).

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
EDITORS RAMBLE.

Welcome to the October 2019 edition of the ODAMC newsletter.

This month's edition contains the latest issue of Dinkum oil from CHMC, sent in by Keith, via Euan, which contains some more information regarding issues related to the vintage car fraternity.

There is also a flyer, "Dolly's dream" an upcoming club event at Old Errowanbang. It's for a good cause. Also a flyer for the Motorlife 2019 Motoring Expo. And a flyer for the Lyndhurst markets coming up on the 19th of October.

Rosemarie sent in some pictures and a report taken during the mid-week run out to Molong. Looks like you all had a good day, as usual with club events. This Month we also welcome back a long time sponsor of the club, Orange Brake and Clutch Services.

I need to mention the Toys for a BBQ lunch on Thursday 3rd October should read. The Toys for Lunch. Address is: "Treelands" 1577 Millthorpe Road, David and Susan will provide a BBQ and Sausages for Lunch. Please bring a Salad or sweet slice/dessert to share, not bring everything as stated in the events calendar. Also on the events calendar. The run set down for Sunday 24th November is the same day as the annual inspection day so we have combined the two events. Inspections start at 8.30 am and we will be serving breakfast from about 9ish. After you have had your car inspected and eaten breakfast you can then go onto Lake Cannobolas if you wish.

As the November meeting will be followed by the annual AGM meeting, the minutes from last year's AGM have been included in this month's edition for your perusal, as required by club rules.

Below is an interesting article I took from the September issue of the Parkes Antique Motor Club newsletter Crank Torque. This may help resolve a lot of questions, or spark more?

Page 8 RMS INITIATIVE How many times have you heard something like: "The latest from RMS is.....I've just heard it from a cousin who's a next door neighbour to the partner of a bloke who knows a cleaner in a Service NSW Office."

Listen no longer because the latest from RMS is:

RMS has launched its Historic and Classic Vehicle Newsletter web page – the subscribe link is now LIVE on the RMS website: <https://www.rms.nsw.gov.au/roads/registration/get-nsw-registration/historic-vehicles/newsletter.html> The first issue is currently in draft phase, and we are aiming to launch in the first week of September. We encourage clubs, members, and the general public to subscribe now in order to receive this inaugural issue. Would you like to notify your members that Roads and Maritime Services now offers a newsletter for historic and classic car enthusiasts, and direct them to our website to subscribe? Once published, each issue will be available in the "archive" on the same location on our website. What this means is that should you subscribe, you should receive emails from RMS at intervals giving direct information relating to our hobby without any interpretations from former sources. You can subscribe now simply by logging on to the above address. You will then receive an email from RMS asking if it's really you, and when you say "You Betcha" or something similar, you're subscribe.

Don't forget any member are more than welcome, and encouraged to make suggestions for events. Also any members attending events are encouraged to take pictures and send them in so they can be put in the newsletter. It's a bit boring without any reports or pictures.

Don't forget to support our sponsors whenever you can as they support us.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated,

Mid Week Run to Molong. September 5 was an excellent day for vintage motoring. We took the scenic route via Bowen Park Rd and Davis Plains Rd to Cudal, onto Manildra and finally the Freemasons Hotel in Molong for lunch. A beautiful spring day for a drive, with a slight hiccup with one of Berties tyres, nothing that a jack and s wheel brace couldn't fix. Thanks to Ray, Fred and Owen who helped him to get going again. Great to see the Buckley's Packard and the Coutts Vauxhall on the road again after a spell in the workshop. Those participating were the Schell's, Buckleys, Coutts, Grays Heinrichs, Magills, Brian Stephen and sister Fay, David Toy, Lance Seymour, Dwyers, Geerlings and Amos'. Keith & Nancy joined us for lunch and kindly asked us to come and inspect the progress on the Buick brakes and have afternoon tea.

ANNUAL AFFILIATIONS

- CHMC has changed the timing for the payment of Clubs Annual Affiliation fees and submission of annual Census.
- Affiliation Fees are now due on 31st December each year.
- Because some Clubs may not have received all of their members renewals by 31st December, Affiliation fees and vehicle numbers will now be calculated from the numbers for the year preceding.
- This means that the 2020 Affiliation Fees will be calculated on the number of members in the 2019 year.
- It also means that vehicle numbers for the 2020 Census will be those for the 2019 Year.
- Clubs may now pay Affiliation Fees either by cheque (as in the past) or Direct Deposit
- When paying by Direct Deposit, please note the Club initials and "2020 Fees" with the transaction.
- If paying by Direct Deposit, the Census Form may be returned to the Secretary either by email or surface mail, but must still be returned.
- The Affiliation and Census Form for 2020 is attached and also available from the CHMC Website under <http://www.heritagemotoringcouncil.org.au/PUBLICATIONS.php> .
- Forms will also be available at the Mid Term Meeting at Newcastle on October 26th

REGISTRATION REMINDER STICKERS

 <p>Registration Number _____</p> <p>REGISTRATION EXPIRY DATE _____</p> <p>City _____ Month _____</p>	
--	--

- Clubs should have received, by mail or from the AGM in Griffith, a bundle of Registration Reminder stickers
- CHMC is providing these **free of charge to members**. Council's Committee considered these stickers were a simple way of checking when registration is due.
- The stickers are for use on **all registered vehicles** owned by members, **including modern vehicles**, not just historic or classic vehicles.
- If your Club requires more Rego Reminder stickers please have your club Secretary or CHMC Delegate advise the CHMC Secretary.
 - Sticker Application Instructions: *(Stickers have a residue free adhesive).*
 - Peel the backing away from the label *(not the label away from the backing).*
 - Use thumb or finger to remove backing, do not use your fingernails.
 - Peel from any straight edge, do not peel from the corners as this will burr the label.

its one of the best 30/31 RHD Phaetons in UK and as mentioned just back from a total "overhaul and brush-up" by Belchers Ltd for which receipts here for £8500. Now in 100% functional condition all round and a lovely drive. Nothing to do ! My receipted costs to buy in from USA were £25,000. So final to me were £33,500 sterling.

If it went "back home" to Australia I'm prepared to knock off £10,000 and sell from here for £23,500. About Au\$ 42,300...with the trunkful of spares etc., and all corresponding receipts for works done.

Also for sale is a "Bucephalus" based on a special twin-carb Miller Hi-Speed overhead valve engine and aluminium body designed by the 1930's Californian racing driver Urb Stair who I met over there before he died and which we assembled here in the 1980's... I can send you full printed details if you wish as that's also going at £68,000.

FOR SALE OR WANTED. Got something to Sell, swap or give away or do you want to buy something. Put your Add here for three months, FREE. Let me know if you have sold your car so I can delete the Add.
