Orange District Antique Motor Club Inc.

Presidents Report for October 2019

President's report October general meeting.

A full list of events had the club members with plenty to do over the past month. First of all was the President's run to Mudgee which saw a number of happy souls head off to Stuart Town for a photo shoot next to the 'IRONBARK' log only to be overwhelmed by a number of tourists who wanted to get in on the action. A group photo of ODAMC members surly made its way to Japan. Then it was on to the Honey Haven for a delightful lunch and catch up with our Mudgee counterparts. Turns out to be old acquaintances of the Coutts family. A very informative visit to the helicopter service centre, thanks to Charles Stammers, proved an eye opener. I think all up a wonderful weekend despite the small amount of rain washing out the bbq breakfast in Lawson Park and bringing down the red dust from somewhere far out west reminding us all of the continuing lack of rain.

Next was the run to the Lee Hostel where a number of club members presented their vehicles to the delight of the residents. This seems to have now become an annual event and thanks go to those members who were able to attend.

Three of our most adventurous members attended the 'Austin's Over Australia' rally in Adelaide. Namely the Bowyers, Cridlands and Dave & Dee Mackay, a journey over 1400 miles. Kevin reported there being 26 Austin 7's all on display. Entry numbers exceeded 165.

Other events Parkes Swap meet, a day at the Toy's - careful there. do too good a job you will be expected to do it all again. A wonderful day had by all attending the Japanese Gardens in Cowra. Always a great place to visit any time of the year. See the events calendar for other past and upcoming events. The annual rego day, usual thing, have all paper work on hand. A friendly bbq brekky and run out to the Lake for a look and wonder around.

The AGM will follow the November general meeting with all positions declared open for nomination. I will not be nominating for President for the New Year 2020. We will also require a new treasurer as Peter Amos has held the position for the past three years.

Great news on the Log Book trial, now to become a permanent thing. Still a couple of loose ends to tie up. Our eternal thanks go to Keith for keeping us all informed by attending the various meetings etc. keeping up with the business end of the Heritage Motoring fraternity.

See you all at the Amos's. Bring along your own meat. All else supplied.

Happy rambling.
Kerry Risstrom

Orange District Antique Motor Club Inc.
Minutes of Monthly Meeting

Date: 21st October 2019 **Meeting opened:** 7.40 pm

Prior to the meeting we had a demonstration of the correct use of the defibrillator by Kevin Arklay from St Johns Ambulance. President thanked Kevin for his presentation and Anne Magill who organized the installation of the Defibrillator.

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
EDITORS RAMBLE.

Welcome to the November 2019 edition of the ODAMC newsletter. This is the third edition now that has been totally electronic, it has made the production and delivery of the newsletter a lot easier. If you are having any difficulty with it or not receiving your newsletter or would like to opt out of hard copy mail version, just email me and I will swap you over to the electronic version.

As the November meeting will be followed by the annual AGM meeting, I have, once again, included the minutes from last year's AGM for your perusal, as required by club rules.

Some executive positions will become vacant. All members are encouraged to have a go at these positions. It creates a bit of verity within the club and brings some new ideas. None of the roles are particularly difficult and can be a bit of fun. Please consider taking up one of the vacated roles.

This month is also Annual inspection Day. All members requiring vehicles inspections are asked to read and abide by the requirements set out in the flyer in this newsletter. **The Historic Vehicle Declaration Form will not be signed off this year unless the above documents are sighted and details.**

This month's edition contains the flyer for "Dolly's dream" an upcoming club event at Old Errowanbang. On the 2nd and 3rd of November. It's for a good cause.

Andrew sent in some information and an email he had received regarding the Cudal Markets to be held in November. This will also coincide with is World Diabetes awareness day.

Ken Gazzard emailed me earlier this month and asked me to convey to the club that he will not be renewing his membership for this year due to ongoing health issues

Euan sent in the latest from the NSW Government regarding the 60 day log book trial that has now become a permanent feature of the car club fraternity.

We have had a huge response this month from club members submitting pictures and reports from club events and these are shown on the out and about pages. Thank you to all who sent in.

The mid-week run out to the Toys for a BBQ Lunch would have to have been the most photographed event since I have been the editor. It was a superb day, great weather, great surrounds, great food and company. Its events like this that make the club what it is. A Big thank you to Dave and Sue.

Charles sent in some pictures and a report from both the Lunch at the Toys and from the presidents run to Mudgee that sounds like it was a huge success and enjoyed by all who attended.

Anne sent in a report and some great pictures from the run out to the Japanese gardens at Cowra and the run out to the Lee hostel at Blayney. The residents from the Hostel really seem to appreciate this event and staff of the Hostel have asked us to do it again.

Bob sent in a report from an event he attended at the Spring hill pub. It's good to see some local businesses engaging with other interest groups and those groups responding so well.

Don't forget that the run set down for Sunday 24th November is the same day as the annual inspection day so we have combined the two events. Inspections start at 8.30 am and we will be serving breakfast from about 9ish. After you have had your car inspected and eaten breakfast you can then go onto Lake Cannobolas if you wish.

There have been some interesting additions to the FOR SALE and WANTED page, have a look.

Don't forget any member are more than welcome, and encouraged to make suggestions for events. Also any members attending events are encouraged to take pictures and send them in so they can be put in the newsletter. It's a bit boring without any reports or pictures.

Don't forget to support our sponsors whenever you can as they support us.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated,

Annual Inspection Day

The Annual Club Inspection Day will be held on Sunday 24th November 2019 at the Car Club Building starting from 8.30am. Vehicles on conditional registration with the ODAMC with a registration expiry date between 25th November 2018 and 25th May 2019 will be inspected on this day. This is because the certificate of roadworthiness (Pink Slip) and the club safety checks are now valid for 6 months. If you are unable to attend on the day then a certificate of roadworthiness (Pink Slip) may be required for the vehicle.

The following documentation will need to be sighted and details recorded by the Registration Officer on the day.

1. Historic Vehicle Declaration (RMS form #1259) partially filled out.
2. Registration Papers Current or renewal.
3. Current certificate of Comprehensive Insurance.
4. Proof of Club Membership.
5. Certificate of Operations for the vehicle (Purple Form kept in the vehicle).

Note

The annual inspection of vehicles on Conditional Registration outside of the expiry dates listed above may require either an ODAMC roadworthy check or a certificate of roadworthiness (Pink Slip). This will be at the discretion of the Registration Officer.

The Historic Vehicle Declaration Form will not be signed off this year unless the above documents are sighted and details recorded by the Club Registration Officer beforehand.

Club members with vehicles of HCRS are reminded if their membership fees are not paid by the due date they are not financial members and their registration and CTP will be void! (I.e. the vehicle is unregistered and uninsured).

Bernie Schell
Registration Officer

Out and about

Presidents Run - Mudgee 21st & 22nd September *Report by Charles Stammers*

The 2019 President's Run was an enjoyable weekend trip to Mudgee. Members from Orange travelled to Stuart Town, where we were joined by Keith and Nancy Packham at the new Banjo Patterson picnic area on the outskirts of town, for a picture shoot before journeying on to Wellington for morning tea in Cameron Park.

From Wellington we travelled to Mudgee for lunch at the Honey Haven, where we were joined for the weekend by Mudgee Car Club members, Richard and Jan Bransgrove. After more chatting and a few tall stories, and those with a sweet tooth stocking up their honey supplies, we adjourned to the airport for a tour through the Oz Choppers magnificent maintenance hangar. (Keith was heard to comment it was almost as clean as his workshop). We were met by Chief Engineer Simon Fisher, who provided us with a conducted tour through the facility. Oz Choppers purchase the large Bell Helicopters from various police and armed forces throughout the world, and refurbish these to a standard, which Simon described "better than new". They are then re-sold, with most again going overseas. Two the hanger undergoing refurbishment, and we were able to view the on these, as well as components undergoing maintenance in the clean we adjourned to our overnight accommodation to freshen up before Club Mudgee.

described "better helicopters were in work in progress rooms. Afterwards dinner in the local

Next morning, the intension was to have a BBQ breakfast in the park on the river, but due to the inclement weather we adjourned to the Old Bakery. Following breakfast, and with the weather clearing, we adjourned to the park for a stroll on the walking tracks along the river bank, before departing to Wellington for lunch at the Cow and Calf Hotel. Due to a serious accident near Bakers Swamp, the highway between Wellington and Molong was closed, so we elected to return home through Yeoval and Cumnock.

the banks of the Butchers Shop

Those attending: President Kerry, MGB; Euan & Wilga Coutts, Vauxhall; Nigel & Angela Coutts and children, modern; Keith & Nancy Packham, Buick, David & Susan Toy, Mercedes, and Charles Stammers, Humber Vogue.

Mid week run out for a BBQ Lunch at the toys at Millthorpe. Superb weather, surroundings, company, food and a good display of cars. Its events like this that make us realise what a great car club we have. Thankyou Dave and Sue. It was superb.

Spring Hill Car show

Got an invitation on Saturday to travel in convoy to Spring Hill's car truck and bike show, since the truck had not been on run since blowing a head gasket it was time to test it out. In convoy the three trucks travelled out past the hospital and thru Spring Terrace into the oval at Spring Hill. [Not a single car passed us on the way out.] During the morning the numbers swelled with a large group of bikes including one with a 2.5 Litre motor and cars and at least 15 trucks, including Ray's Ford. Around 2pm they announced the winners and yours truly managed to take out the truck section, surprise surprise as I had voted for the very nice 27 Chev. All in all it seemed a good day for all, the food stalls and coffee cart doing brisk trade. Some really nice cars, some slightly altered others original, some had travelled quite a distance, spoke to one owner who had driven from Boorawa. The silver ware made good day even better. Bob.

The weather couldn't have been better for the Sunday Run to The Japanese Gardens at Cowra. Five cars left Cook Park and meet up with three more at Cowra. Our Cowra members Bob & Robyn Harper were there to greet us.

After lunch we had a walk around the beautiful gardens and cultural centre.

We were a little late to see the Cherry Blossoms in flower but the magnificent colours and Japanese influences in the planting was spectacular.

A report on the visit to Lee Hostel at Blayney

Four ODAMC cars attended Lee Hostel at Blayney to give the residents a ride in the cars.

A great time was had by both the residents and the club members. As usual the staff at the hostel provided a delicious morning tea and would love us to visit again.

Charles took some pictures whilst we were at the Toys for lunch

OLD ERROWANBANG HOMESTEAD

OPEN WEEKEND AT "OLD ERROWANBANG" CARCOAR NSW

The Old Errowanbang Homestead will be open to the public on
**Saturday 2nd and Sunday 3rd November

on behalf of

Food & Drink will be available

Dolly's Dream Merchandise for sale

Funds raised will be donated to Dolly's Dream

Please note: The Old Errowanbang Woolshed

will not be open this over this weekend.

Historic and Classic Vehicle Log Book

Transport for NSW recently conducted a review of the Log Book Trial, operating under the Historic and Classic Vehicle Schemes. As part of the Trial, Transport for NSW received feedback from a broad range of stakeholders to evaluate the effectiveness of the program.

From 1 October 2019, the Log Book will become a permanent feature of the Historic and Classic Vehicle Schemes. Transport for NSW will deliver a number of improvements to the schemes over the next 12 months based on the feedback received during the review.

Existing requirements introduced during the Trial will continue to apply to participants, including:

- Vehicles registered under the Historic and Classic Vehicle Schemes can be operated for 60 days of general road use each year, outside of club organised events.
- Each day of general use must be recorded in a Log Book issued at Service NSW branches.
- Owners wishing to opt into the Log Book program should be a member of a Transport for NSW recognised Classic or Historic Vehicle Club, or Approved Organisation participating in the Log Book program.

Information and updates to the Log Book program and proposed improvements will be communicated to Historic and Classic Vehicle Clubs and Approved Organisations in writing in the coming weeks.

Please ensure Transport for NSW has up-to-date club contact details, including a valid email address, so we can inform you of upcoming changes to the Log Book.

If you have any questions related to the Log Book program, please email us at: IndustryEngagement@rms.nsw.gov.au.

Yours sincerely,

Melinda Bailey

Executive Director

Subject: Cudal Market.

Hello everybody.

This is to inform you of a one-off Family Market Day in Cudal for the Manildra, Eugowra, Canowindra and Cudal/Cargo Lions Clubs who are combining to hold the Awareness Day. Russell and I are both Lion members and Lions Clubs Australia-wide are holding events on Sunday 17th November for Diabetes Awareness so we are supporting them for this day. It gives us a chance to give back to Lions who support many things in our Communities and beyond. November is World Diabetes Day and 14th. November is World Diabetes Awareness Day. The theme for the day is Lap the Map. Encouraging people to get more exercise and eat healthily to minimise the risk of Diabetes. People who walk or run distances on the day will be added to all the walkers/runners in Australia to Lap the outline of Australia. Cool eh??

A few facts I just researched, there are 387 million in the world who have Diabetes and every 7 seconds a person dies from it, not to mention the devastating health implications of eye and teeth damage and amputations of feet and limbs and constant monitoring and treatment. AND a lot of people don't even know they have it. Horrendous.

Although I am helping to organise this day, it is not a Cargo Market moved to Cudal. We don't have a DA for any other venue but the Cargo Village Green. This is a Lions event and they are organising it. It will be from 10am 3 pm and all profits go to the Diabetes Association. The next Cargo Village Market is on the last Sunday in March next year. I couldn't do two markets before Christmas so have decided to go with the Lions event as we are all getting old and need as much help as we can get. Having the other Clubs to help will make it easier for Russell and I.

The Cudal showground was measured out yesterday by Brent Twaddle who will weave his magic on the site map for the day. I'll send that out as soon as we know who is coming and we'll have parking arrangements marked on that as well. Entry is via the Cudal/Cargo Road.

It would help immensely if you could all reply with your applications as soon as possible. Banking arrangements will be the same to make it easier for all concerned. I will then transfer the funds from the Cargo Market account to the Cudal/Cargo Lions Club for distribution to Diabetes Australia.

Would you consider joining a Lion's Club in your area or know somebody who would love to get involved? Contact the Lion's Club in your town and they'll point you in the right direction. We really need some new young people to enjoy the benefits. Giving and sharing.

There will be a \$2 entry on the day and a raffle with 3 prizes of healthy fruit and vegies.

Take care and see you soon.

Kathy.

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
FOR SALE AND WANTED

Please note, advertisements will run for three months unless you advise the editor to the contrary.

(9) For sale. Bedford truck, going order, Holden 308 motor plus spares \$5000 contact Tony Steele 0428635134

(10) Wanted Model A Ford Delivery

Had Neville Marsden from Braidwood call me this morning, wondering if I might know of a Model A Delivery, Harrington Body, operated in Moruya (long time ago), then sold years later from Berry. Had Rawlings Products written on the side.

Neville would like to buy it. His mobile is 0428 422 034 and his email is nemarsden@hotmail.com if you are aware of it. I have attached a pic of a Canberra Delivery, I assume similar car.

(10) FOR SALE 1930/31 Phaeton (from the Model A Ford Club)

From: Malcolm Stuart [mailto:dr_m_stuart@yahoo.com]

it's one of the best 30/31 RHD Phaetons in UK and as mentioned just back from a total "overhaul and brush-up" by Belchers Ltd for which receipts here for £8500. Now in 100% functional condition all round and a lovely drive. Nothing to do! My receipted costs to buy in from USA were £25,000. So final to me were £33,500 sterling.

If it went "back home" to Australia I'm prepared to knock off £10,000 and sell from here for £23,500. About Au\$ 42,300...with the trunkful of spares etc., and all corresponding receipts for works done.

Also for sale is a "Bucephalus" based on a special twin-carb Miller Hi-Speed overhead valve engine and aluminium body designed by the 1930's Californian racing driver Urb Stair who I met over there before he died and which we assembled here in the 1980's... I can send you full printed details if you wish as that's also going at £68,000.

(11) WANTED to purchase. Morris Minor Ute 1950s or 1960s, in going condition, Send photos to ajs oatmill@yahoo.com or Ph. 0427259588 Andrew

(11) WANTED Closed model A with Mitchell overdrive or synchro box. Would also be interested in overdrive on its own.

Peter Michaels. 0438463672 or pm11458@bigpond.com.au

FOR SALE OR WANTED. Got something to Sell, swap or give away or do you want to buy something. Put your Add here for three months, FREE. Let me know if you have sold your car so I can delete the Add. Chris.
