### Presidents Report for November 2019

President's report November general meeting and AGM.

It was very pleasing to see a full house for our November General Meeting and the Annual General Meeting. I am also pleased to report all positions were filled and I note a couple of new faces on the front desk and on other executive positions as well. It is a good thing for the club to spread the management among the members whatever roll there is. We can all play our part.

I am pleased for it to be noted John Nicholson has accepted the position of President once again. John, I know you will do a fine job and will enjoy being in the position. Our registration day is to be held this coming Sunday along with a bbq breakfast for the members to enjoy while waiting on the inspection of all our very fine vehicles. A casual day and a chance for a natter.

Our Christmas party is coming up also, Saturday 14<sup>th</sup> Dec at Duntry League Golf Club. Let's make it a fun evening by dressing up in our finest in keeping with the grace of the beautiful old Mansion at Duntry. Bow ties for the men and ladies drag out anything that sparkles from your wardrobe. Something which hasn't seen the light of day for some time. Give it an airing.

I think the club is in a strong position moving into the future. We have sustained our membership, plenty of interesting places to visit and money in the bank. We also have our fantastic club house which is the envy of any visiting clubs. I have always maintained we should make to most use of the club house as best we can and with the ladies day, being introduced this year, has proved very much a crowd pleaser. We have made substantial improvements over the past number of years to make it a comfortable place to be. To entertain, hold meetings and club events, and generally simply just to enjoy.

See you all at the Christmas party.

Happy rambling.

Kerry Risstrom

**Other Events:**

President reported that the Christmas Party is booked at Duntryleague where we will have a private room and a two course meal. Club will subsidise cost by \$10 per head so total cost to members is \$30 per head. Parking will be available at front and enter through front doors. 6.30pm for 7pm. President suggested that in view of the venue better than casual dress would be appropriate.

New events committee will meet shortly to arrange further events for New Year.

**General Business:**

A question was raised about an article in the latest NRMA magazine which suggested that internal combustion cars will be banned from 2025, but general opinion was that we need not worry.

The matter of providing fans in the Club rooms was raised but President said that the matter was discussed some time ago and it was decided not to proceed.

Bruce Heinrich said that it was urgent that the grass around the Clubrooms be mowed as the sheep had not arrived. At the meeting suitable volunteers were obtained. Bruce also reported that the downpiping was well underway but he had discovered a blocked drain under the concrete pad. At the meeting a concrete saw was promised to complete the work.

Keith Packham had a report on the petition on the Luxury Car tax.

Treasurer gave a full report on the Club's financial position and said that we had finished the year with a small working deficit, over and above the cost of the magazine, costs of which had risen considerably this year. There was much discussion concerning changes in this area but most members seemed to want to retain the monthly magazine format. There would be a big saving if all magazines were delivered electronically but not all members seemed happy with this approach. After much discussion it was agreed to raise the annual fee to \$50, which will cover operating expenses, and for the new Committee to examine the whole question of the magazine particularly the amount of an extra fee for members who still wanted a printed, posted copy. Chris Bromley pointed out that it was possible to download the magazine to a smartphone to carry instead of the printed copy to show Police if questioned on a run.

Motion to raise the annual fee to \$50pa. Proposed: Dick Jane Sec: Keith Packham. Carried.

**B.U.T.:** Chris Bromley

**Raffle prizes won by:** Chris Gray

**Meeting closed:** 8.45 pm.

**Orange District Antique Motor Club Inc.**

**Annual General Meeting**

**Monday, 18<sup>th</sup> November 2019**

**Meeting Opened:** 9.06pm.

**Members Present:** As per attendance book ,43 members

**Visitors:** John Coop

Minutes of previous AGM as printed in the October 2019 issue of Restoration Rambler accepted as correct.

**Moved:** Dave Gray

**Seconded:** Wilga Coutts

**Carried.**

**Business Arising:** Nil

**Correspondence in:** Nil

**Business Arising from correspondence:**

**Treasurer's Report:** Peter Amos gave a full financial report for the year and we had finished with a small working deficit. The matter of the ongoing finances was fully discussed and resolved at the general meeting. We gained 3 new members but lost 3 members so membership numbers are steady at 62. Peter Amos reported that the accounts had been audited.

**President's Report:**

Kerry Risstrom said the Club had had a good year with interesting events. Kerry believes we are privileged to have the Clubrooms which make the Club and is a focal point for the members, however the Building needs to be maintained which is at a cost. The Club has a good future. Kerry paid special tribute to Leon McFadyen for his support over many years and his efforts with historic plates scheme. Kerry suggested the new Committee have an early Finance meeting to resolve the outstanding treasury items.

President declared all positions vacant and meeting was handed to Keith Packham to act as Returning officer.

**General Business:**

Annual Fees were set at \$50 after discussion as outlined in the General Meeting Minutes 18<sup>th</sup> November 2019

**Moved:** Dick Jane

**Seconded:** Chris Bromley

**Carried**

**Meeting Closed:** 9.36 pm

*ORANGE DISTRICT ANTIQUE MOTOR CLUB INC*  
*EDITORS RAMBLE.*

Welcome to the December 2019 edition of the ODAMC newsletter. The last edition of the newsletter in its current format. There will be some changes to the newsletter next year as the cost of producing and posting it have become unsustainable. We will have some ideas by the December meeting on how to tackle this. We also have some interesting times ahead of us as a club, as soaring costs are making us reevaluate how we do things.

I would like to wish all members and their families a happy and safe Christmas / New Year period. 2019 has been an active year for the club with some memorable club runs and activities. We have seen some changes to the club house amenities that have made life a lot easier for some members so a great big thankyou to those that made this possible and did the work.

We have also seen some changes to our office bearers, once again a big thankyou to the outgoing officers and a very warm welcome to the newly appointed officers. Without these people, the club would not be able to function. Most notably, Bernie Schell, who has been our registration officer for ever, is retiring from that position. Also a big thankyou to those members who have sent in articles and pictures over the past year. This makes the newsletter a lot more interesting and varied. There may be some disruption to newsletter times due to Wangerang Christmas closures but I will endeavor to keep this to a minimum.

This month's edition contains the minutes from our AGM and the nominations and Acceptances of office bearers for 2020. This will be updated by the January edition.

The latest edition of the Dinkum Oil sent in by Euan. It has some interesting information on what excludes a vehicle from the HVS Scheme. I wonder if some other clubs in the area that have HVS registered cars are aware of these very simple to follow rules.

Marcus sent in a picture of a Victorian Club registered vehicle sporting what must be the new Victorian Historic plates, where the H has been moved one digit. That has solved the problem of running out of H plates, that could be an option for NSW (How simple is that). They also apparently have a 25year rule for eligibility and a 90 day log book system.

Very interesting newspaper clip sent in by John Nicholson taken from a 1966 Sydney newspaper. Wish we knew then what we know now. Check out the prices and car variations. OMG.

Charles sent in some pictures of Richard at the Carcour show and Kerrie sent in a picture of one of our members at Peter and Rosemarie's BBQ living very dangerously on the edge.

There have been some interesting additions to the FOR SALE and WANTED page, have a look.

Don't forget any member are more than welcome, and encouraged to make suggestions for events. Also any members attending events are encouraged to take pictures and send them in so they can be put in the newsletter. It's a bit boring without any reports or pictures.

Don't forget to support our sponsors whenever you can as they support us.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at [cbromley111@skymesh.com.au](mailto:cbromley111@skymesh.com.au) for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated,

## Out and about

Hi Chris,  
A couple of photos of Richard Bloomfield at the Carcoar Show. You may like to include one in the next newsletter.  
Regards  
Charles

Hi Chris  
Thought you might like this shot for next magazine.  
Taken last Thursday at Peter & Rosemaries BBQ.

Cheers Kerrie

*A drop from the Council of Heritage Motor Clubs to keep you going*

RMS affirmed several aspects of HVS and CVS during its meeting with the Historic and Classic Car Industry Working Group on 30<sup>th</sup> October:

- It will consult with stakeholders about further development of the Log Book, including detailed design of the format. Invitations will be sent out this month for workshops in December to consider design of a revised Log Book
- No matter what format is eventually used by Log Book operators, it will eventually require all details (including use) to be able to be recorded digitally within RMS.
- HVS is available **only to vehicles 30 years or older** with manufacturer's options or period accessories. Seat belts or trafficators are permitted. Mechanical or non-period body changes not offered for that model by the manufacturer such as :
  - Power steering
  - Power windows
  - Aftermarket seats
  - Disc Brakes
  - Alternative wheels from a different manufacturer
  - Intake and exhaust systems from a different manufacturerexclude a vehicle from HVS.
- RMS Compliance has advised that **it will continue to act** against breaches of vehicle HVS or CVS eligibility, and its website will soon enable such breaches to be reported directly.
- Alternatively, breaches may be reported to CHMC's RMS Liaison Officer (Peter Wright). Reports will need: Vehicle HVS or CVS registration number, date, location and photograph/s with description indicating non-compliance concern.

CHMC will celebrate its 50<sup>th</sup> Anniversary in conjunction with next year's half yearly General Meeting

- It will be held at Raymond Terrace on the weekend of 24<sup>th</sup> /25<sup>th</sup> October 2020.
- Heritage motorist and Cartoonist Warren Brown will feature as Guest Speaker
- Clubs are encouraged to plan a Club visit or tour to the area, either before, after, or spanning the celebration
- Council will keep members updated with further information regarding our upcoming anniversary

For further information contact:

*Peter Wright* (RMS Liaison) phone 0417 250 798 regarding RMS, or

*Kathy Booby* (CHMC Secretary) phone 0418 235 797 regarding the 50<sup>th</sup> Anniversary
