### Presidents Report for December 2019

Our final meeting for 2019 and my last as President with John Nicholson taking over the roll for 2020.

A full house as usual after our very enjoyable Christmas Party at Duntry League Golf Club. It was nice to see all the gentlemen sporting a wide variety of bow ties and the ladies dressed in their finest for the evening. The club awards were handed out on the night and I am glad to announce the winners here.

The Points Scorer for the Year: Dave & Chris Gray.

W. Cameron Pride of Ownership: Kevin Ryan

Club Person of the Year: Anne McGill.

All very deserving winners.

This year I have taken the liberty to make a number of other awards, namely:

Certificate of Appreciation to:

George & Kerry Gillott – for donation enabling the purchase of defibrillator.

Bruce Henrich – for services to the club throughout the year.

Chris Bromley – Champion Balls up Trophy.

Again all very deserving winners – *albeit* each with their own little story.

Bernie Schell – Services to the club for many years as our Club Registrar.

Bernie has been in the roll for twenty plus years and has now decided to hand over to Bob McNeill. We thank Bernie very much for his contribution to the club as this is the machine which makes it all work. Having our very fine vehicles inspected and signed off for registration is after all what we are all about. Without a registrar we simply wouldn't have a historic car club.

It definitely has been interesting sitting in the President's chair however I am happy to hand over to a new face and look forward to the club moving into the next decade. I would also like to wish everyone Seasons Greetings and hope you get to spend time with those nearest and dearest to you over the festive season. And spare a moment's thought for those doing it tough in these continuing dry times.

Merry Christmas everyone....

Kerry Risstrom.

**Other Events:**

Motion that we approve the above Club Runs. **Moved:** Keith Packham **Sec:** Dave Perry. Carried.

New events committee will meet shortly to arrange further events for New Year.

**General Business:**

Secretary reported that there had been a recent meeting to discuss our finances consisting of the present principal Officer bearers and members of the incoming Committee. The main topic was the cost of the magazine.

At present, per monthly issue, printing 32 copies costs \$64 per issue, plus \$48 for folding, stapling and posting. (About half the costs are for handling). As per previous minutes members indicated that they would like to keep the present Magazine format.

The finance meeting felt that we should aim to reduce these costs as Treasurer had prepared a forward budget showing that to keep going as at present would result in a loss on operating expenses, apart from any capital items, even though subscriptions have already been raised this year. Since the meeting the magazine editor has conducted a review and will only send magazines to other clubs by email. It was proposed that we cease to post out the magazine, continue to send magazines by email to members, but hard copies will be available at each meeting for those members who require them. It was felt that 15 printed copies only would be sufficient, as there were only a small number of members without Computer access. Magazine Editor felt he could further reduce costs by keeping each issue to 10 pages maximum. We could then absorb this cost. It was further felt that any future capital items (such as new water heater) should be taken from the Term Deposit monies. It was proposed that we desist with advertisers as apart from one exception, payments were well behind despite reminders, and if each advertiser received a posted magazine there was no profit to the Club.

This was presented to members at the meeting and after much lively discussion, the motion was put: That for a trial period of three months magazines would only be forwarded by email, but hard copies would be available at each monthly meeting. Prop: Keith Packham. Sec: John Nicholson. Carried.

The matter of using the term deposit monies for capital items would be implemented in the future. And that we will desist with advertisers.

Bruce Heinrich reported the blocked downpipe work was held up by the breakdown of the concrete saw, but was being pursued.

Peter Amos agreed to attend to the purchase of the raffle prizes in lieu of Bob McNeil.

The outgoing President thanked the members for their support and announced trophy winners.

**Point Score:** David and Chris Gray.

**Club Person of the year:** Anne Magill.

**Car of the Year:** Kevin Ryan's Ford Model T. Kevin in reply thanked the Club, and hoped to get the car out more often.

The President also presented Appreciation certificates to George and Kerry Gillott for their contribution to the defibrillator, and to Bernie Schell for his long service as Registration Officer, some 19 years. At the Christmas Party, Bruce Heinrich was awarded an Appreciation Certificate for his work as the Club Property Officer for a number of years.

A special B.U.T was presented to Chris Bromley.

**B.U.T:** Ray Dwyer

**Raffle prizes won by:** Kerry Gillott.

**Meeting closed:** 8.50 pm.

*EDITORS RAMBLE.*

Welcome to the January 2020 edition of the ODAMC newsletter. The date makes it sound like the distant future!

It is with great sadness that I report the Death of Ken Gazzard, who has been a long standing member of the ODAMC. Ken died peacefully in Hospital on Boxing Day. Our condolences go out to his family.

I hope you all had a great and safe Christmas and New Year period.  
Welcome to all our new office bearers for 2020.

Congratulations also go out to all the club members who received awards last year. The car that caused my balls up trophy award is still sitting in the corner of the shed in disgrace. The tree seems to have survived.

As we discussed at the last meeting, there has been some major changes to the Newsletter and the way we distribute it. In an effort to maintain the newsletter and keep costs at a manageable level. The electronic delivery system stays the same. This is the first hard copy edition that will not be posted out but will be collected at the desk during club house meetings. We intend to have 15 copies printed and left on the desk for those people who do not have computer access or wish to continue getting hard copies. **Please do not take a hard copy from the desk if you are already getting the newsletter.**

We will run this system for the next three months and then review how it is going and make any changes needed to suit member's requirements. We have also discontinued our sponsors, therefore there will be no sponsor's page. We are going to limit the size of the newsletter to 10 pages, 5 double sided sheets. Let's see how it goes.

Included in the out and about page is a report and some pictures from the pie shop run out to Molong. A great turn out for the mid week run to the Molong pie shop on Thursday 5/12/2019. I think there was about twenty five people attended with a great assortment of cars. We managed to buy all the pies available on the day and support a local business. Great day, great weather, great company. Susan Toy sent in a couple of pictures and an article from the ladies Christmas lunch held at the club house. Anne also sent in a picture and report from the same event. Rosemarie sent in some pictures and a report from the Christmas party that was held at Duntry League. Anne also added an invitation to all club ladies.

"Any club ladies who would like to come and join us would be very welcome, you don't have to be crafty, you can bring along anything to work on or just come for a chat. We share patterns, skills and lots of stories. Bring morning tea to share and your lunch, tea and coffee are provided."

The use of the club house for the ladies craft morning has proved very popular and the central location has attracted more ladies to attend.

Charles Stammers sent in the awards pictures from the club house. The pictures are a little grainy unfortunately.

As usual some more interesting articles in the FOR SALE and WANTED Section. Have a look.

Don't forget any member are more than welcome, and encouraged to make suggestions for events. Also any members attending events are encouraged to take pictures and send them in so they can be put in the newsletter. It's a bit boring without any reports or pictures.

*Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at [cbromley111@skymesh.com.au](mailto:cbromley111@skymesh.com.au) for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.*
