Presidents Report for February 202

We are off to a good start having sorted a couple of problems. This edition will include the positions held by members for 2020. Please retain it as it will not be included again to reduce magazine costs as discussed at last meeting. The Events Committee will present future Thurs/Sun Club runs to the March meeting. These runs are not compulsory, so if you can't attend some of them for any reason, (eg: "been there have seen that") please remember others may not have done so. New ideas are always welcome.

"Many vehicle accidents are caused by the car behind the one in front of you."

John N

Below is some information received from the Veteran Car Club that I think you will find disturbing. Euan Coutts.

As I am sure you are aware of that Holden brand will now longer be sold. There are also rumours that all the related documentation and cars will be taken from Australia. Now is the time for you to take some action to preserve Australia's motoring history.

SAVE HOLDEN HERITAGE NOW

At GMH there's a special collection of Holden cars, special models and prototypes (CHMC shared photos of some of these in our Photos or Post of 20 Oct 2019) AND the unique Holden archives - design, engineering, manufacturing records and advertising documents and photos going back over 100 years.

You can SAVE these cars and archives from GM taking them overseas (GM has an American archivist coming over)

The export of the cars and archives can be easily stopped by our Government - significant Australian heritage can't be exported under the Protection of Moveable Heritage Act - and the cars and archives at Holden have got to be significant and unique to Australia.

So **WHAT DO YOU DO** -

1. call, email write to your local Federal MP - tell them to get the Minister to refuse export licenses for any GMH heritage fleet vehicles or GMH archives

2. call, email or write to the Minister - The Hon Paul Fletcher MP, PO Box 6022

House of Representatives, Parliament House, Canberra ACT 2600

Telephone: + 61 2 6277 7480 paul.fletcher.mp@aph.gov.au

3. Call, email or write to the Department that is charged with protecting our Moveable heritage - Cultural Property Section, Department of Communications and the Arts, GPO Box 2154, Canberra ACT 2601

Email: movable.heritage@arts.gov.au Phone: 1800 819 461

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
EDITORS RAMBLE.

Welcome to the March 2020 edition of the ODAMC newsletter.

I have now purchased a new Apple iMac computer so hopefully all the irritating little computer issues should now be resolved. Thankyou to everyone who sent in information that had been lost.

As mentioned in the last club meeting, the newsletter will now be posted out to those members who don't have access to a computer or wish to have a hard copy sent out. I will attempt to keep the newsletter to 10 pages where possible. As requested, I have included a full list of office bearers in this edition as a one off, so if you want to tear it out and keep it on the fridge door. There is an abbreviated list at the beginning of the president's report page.

This month's edition of the Out and about page includes some pictures sent in of some club cars at the Carcoar Australia Day festivities and shows Tony Steel's Willys, Richard Bloomfield's Hupmobile, George Tait's Studebaker, John Nicholson's Chandler and David and Libby Picker, from Caraoar standing in front of the Studebaker. Also, on this page are some pictures a took whilst I was on holidays recently on the South Island of New Zealand of some cars at a swap meet in Richmond and at a car museum in Nelson called the WOW museum. The swap meet had some great cars and a lot of old English models. The museum was breathtaking and well worth a visit if you happen to be in NZ for a holiday.

Euan sent in a very disturbing article regarding the demise of the Holden name in Australia and a possible placement of all things Holden. I urge all Australians to follow the suggestions made in the article and keep everything Holden in Australia. Once it's gone, we will never get it back. Don't forget the Pride of ownership show to be held on the 19th April at Cowra. Rosemarie Amos sent in some pictures from the Sunday Run held on the 9th February to Les Lawrie's at Holmwood, followed by lunch at the Lyndhurst.

We received this email from Jason. Sounds like a good cause and a heap of fun as well.

Hi,

I am sending this email to invite club members for a great weekend in Regional NSW to help keep our old drive-in cinema alive as well as raising funds and collecting donations for the Burrumbuttock Hay Runners. It's bloody dry out here and our regional economy is struggling so we would love to have your club rumble into town and help us 'Bring the Thunder Back to the Bush'.

We have the amazing band The Flattrakkers playing in the afternoon prior to the movie and then a screening of Running on Empty once the sun goes down. After the movie we are doing a street cruise into town to enjoy the cars and the streets like we did as young men and women.

If you would like any further information don hesitate to email on this address or call me on 0457 425 326.

Even if you can't make it we would love you to promote it through your networks and social media channels :)

Many thanks

Jason
