ORANGE DISTRICT ANTIQUE MOTOR CLUB INC EDITORS RAMBLE.

Welcome to the February 2021 edition of the ODAMC newsletter. It was great to attend the first meeting we have had for nearly twelve months at the club house on Monday evening. Wearing masks was amazing as none of us looked any older. We should consider keeping masks to help prevent the aging process.

This is also the first edition for a long time that we have had a president's report and minutes. I have included the president's report at the top of this page in an attempt to keep the newsletter at 5 pages. It looks like we might be back on track for meetings, minutes and reports so I would like to thank everybody who sent in articles over the last twelve months to help keep the newsletter going particularly Euan and Wilga.

I spoke to the manager of Abercrombie house today regarding our visit on Sunday 21/3/2021. I explained that we are a car club and most members are over 60. He has very kindly offered a flat rate of \$10 per person that includes a meet and greet with a tour of the house. There will be coffee, homemade cakes and snacks available at the house. He has also agreed for people to bring their own lunch and eat in the beautiful gardens that surround the house. Please be mindful that all proceeds from this tour go back into helping restore and maintain this iconic part of our local history.

As mentioned in last month's newsletter. People who haven't paid their membership have now been deleted. If you are driving a car on H or J plates and have been deleted from the club, you are now driving an unregistered car.

It has been pointed out that some members on the members register are shown with an Asterix indicating that they have a key to the clubhouse. This list may be inaccurate so I will try and amend this at the next meeting. Also, Steve Hall's name was not showing as a scrutineer, this has now been corrected. Thank you for your observations.

Anne sent in some pictures and a report from the lady's day at the clubhouse and from the twilight run out to Lake Cannobolas. Charles sent in some pictures from the Australia day celebrations in Cook Park. These are on the OUT and ABOUT page.

Dave Gray reminded us all that the seniors travel card, which is a grant of \$250 each, can be applied for online.

Please forward any items of interest to Chris Bromley on 63659224 or 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.

January Ladies Day

The ladies were happy to get back to their craft day at the club house after the Christmas New Year break.

Jenny Sherwin gave Margaret Bowyer and Liz Schell instruction on making these beautiful scissors or key keepers and Dot Boaden showed off a scissor pouch she makes.

The ladies are always happy to welcome members or friends of ODAMC to Ladies Day who have an interested in craft or to introduce new ideas.

The first event for 2021

As usual the first run for the year was a twilight picnic at Lake Canobolas which was well attended by over 20 members and some relatives visiting from Sydney.

Everyone was happy to get together on a lovely evening after such a long interruption to club gatherings. The Lake is always an enjoyable venue for a club event
