ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
EDITORS RAMBLE.

Welcome to the May 2021 edition of the ODAMC newsletter. May brings cooler weather and shorter days with less lawn mowing on the horizon. Thank goodness, now we can start chopping fire wood for the cooler months ahead.

This month's edition includes a president's report that I have added to this page. The meeting minutes that were kindly taken by Anne as Owen was off being poorly and a new Dinkum oil #14.

This month's meeting at the clubhouse was followed by a Meeting of the Canobolas Country Rally committee. They have just about finalized all the details so we will have the Entry form and itinerary of events in next Month's newsletter. It certainly looks good and should be a great Rally. Thank you all for your extra work and input into the club. The events committee also met on Tuesday after the club house meeting and have come up with some great new club runs and events. Once again, thank you for your extra input into the club. Members are always welcome to make suggestions for events.

As mentioned in the minutes, I am going away for a two month trip to the NT and northern Queensland in June so will not be able to publish the July and August editions of the newsletter. Euan has kindly agreed to circulate club matters, as they occur via email. Members who have email are asked to disseminate any information they get to those members who do not have email and only receive hard copy. If any member would like to stand in as editor for this period just let me know and I will run you through the easy process.

There has been some reports of the Hardcopy newsletter taking a long time to be delivered. All newsletters go out at the same time, both electronic and hardcopy so I can only suggest you get in contact with your respective post office and inform them of the lengthy delays you are experiencing. Best of luck with that.

On the out and about page, Dave and Chris sent in some pictures from a couple of events they attended. Bob sent in a couple of reports of events he has attended and I sent in a couple of pictures of lunch at Duntryleague club with the AMC in the car park. How very civilized and what a great venue for Lunch.

I would like to promote Christmas in July Sunday 25th, this is to be an all-day event starting with late breakfast sausage sizzle or bring your own. The BBQ will be available all day, I will encourage all members to bring your vintage car and call in during the day even if it is only for half an hour.

Neville ANZAC Day 2021

On Sunday the 18th we headed out towards Neville, driving through heavy fog in several places which needed the lights on, arriving in time to have a cuppa and biscuits before forming up. The parade was led by the Canobolas Highland Pipe Band then the vets, flight 329 cadets and bringing up the rear the local school kids [in uniform]. following the service it was up to the hall for a great feed put on by the Neville Hall committee. good run home, did my job slowing the traffic [was checked by gps] at 65km /hr, must have been downhill. looking forward to next w/end. Bob and daughter Alisa

Chris

recently attended the Truck and tractor weekend in Trundle, celebrating the E27 Fordson, since it was mainly fords I took the the old FJ with camper in tow. Over 75 tractors turned up and nearly as many trucks, one of note was the solid tired VULCAN of 1922. the weather was great for the two days and the new shower toilet block greatly appreciated. Trundle was one of 5 local show grounds to benefit from a government grant organized by our local member Phill Donato. Late on Sunday the showers started, so it was time to leave, headed north towards Peak hill as no rain there, went to bed under clear skies but woke up to 38 mm over nite ute and camper 100mm lower to the ground, no way we were getting out on our own. after being towed the 300mtrs to the gate and hard surface we headed home, heard that by the time the tow vehicle got back to the house and another 30mm that day it was 4 days before the owners could get up the chopped up drive way [they couldn,t work anyway]. Great weekend had by all. Marg and Bob

Lunch at Duntreyleague on Friday. Glorious day for a drive in the AMC. What a great place for lunch overlooking the greens, Lovely.

- The Council is calling for applications to host the 2022 CHMC Rally.

- Ray also indicated that the evening functions associated with the Rally need not be "Grand" occasions but should best provide opportunities for rally entrants to engage socially and freely with each other, as has happened at Temora and other Rallies.
- Clubs interested in hosting the 2022 Annual Rally should send a formal application to Council's Secretary, outlining:
 - Time Frame
 - Limits on entries (if necessary)
 - Accommodation availability.
 - Proposed arrangements for Presentation Ceremony
 - General format and social opportunities.
 - Venue for CHMC Annual General Meeting (if Rally is proposed during first half of the year)
