Secretary's Report. Due to the dreaded Covid-19 restrictions, the past year has been very disrupted and we have been unable to conduct our usual meetings and outings. From Magazines of the various reciprocal Clubs still being received, they are finding it just as difficult as we are. I hope you have all been busy in your workshops during our enforced idleness.

I have found the absence of regular meetings, outings and personal contact with members very isolating. What is clear is that Email contact is becoming a most important substitute. I have found there is no other way to send and receive Club information inexpensively and rapidly to Members. I hope you have found this too. This is not to take away from the contribution of the monthly magazine as a source of Club news, but it only appears on a monthly basis and there have been many matters this year, because of lack of meetings and outings, that have required more immediate communication.

I would like to see more members added to our Email list and to see more use of this easy and effective tool.

In Closing I would like to thank fellow Committee members for their support in the past year and hope that 2021 will mean some more Club events and a return to the activities we have enjoyed.

Moved: Euan Coutts

Seconded: Bruce Heinrich

Carried.

President's Report:

John Nicholson said he could only echo a previous remark of Bruce Heinrich who congratulated the Executive for the way they have kept the Club together. John said that a President is only as good as the executive and he thanked them for their support during the year. John said both he and Kerrie had enjoyed their years at the Club and he did not want to sever the relationship completely and had already paid his fees for a further year.

The Members wished John and Kerrie well in their new Home.

Proposed: John Nicholson

Seconded: Bruce Heinrich

Carried.

President declared all positions vacant and invited Kerrie Rissstrom as immediate past President to act as returning officer for election of Office bearers. Kerrie read out the proposed and seconded Nominations and called for further Nominations. There were no further nominations.

General Business:

Annual Fees were set at \$50

Moved: George Tait

Seconded: Dick Jane

Carried

Meeting Closed: 9.50am

Following the meeting there was general discussion surrounding ordinary Meetings and Club Runs. There was a suggestion to schedule meetings and advise if they were to be held closer to the date, but most seem to feel that until restrictions eased there was no need to hold regular meetings. Secretary noted that some Clubs and members of our Club were holding informal runs using the Log Book and he felt that this should be encouraged as it was an uncomplicated way of having an outing. However, it was felt that regular Club runs should be held within the Covid restrictions to allow members without log books to use their cars and as a rule all outings were to be self- catered for the time being.

PRESIDENT'S REPORT
OCTOBER 2021

Well, this was the first since July time gets away on us. We had the pleasure of the company of two visitor's last meeting; let's hope we gain some membership.

The old tree at the front gate has gone it looks a bit bare without it.

Club fees were discussed at the last meeting and will remain the same as last year.

Annual General Meeting is to be held at the next meeting as you know all positions become vacant so don't be scared to nominate or volunteer yourself.

Chris has volunteered to do the editor's job again however President and Secretary need to be filled.

Rego Day; Have your cars ready for inspection you need to be financial members for the next year to receive your club rego.

We had an events committee meeting last Saturday most runs for the next six months are planned, however if you find something of interest tell the club and we can make it a club event.

Christmas party has been set for an outdoor event at the club house.

Yours in vintage motoring

Keith

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC

EDITORS RAMBLE.

Welcome to the November 2021 edition of the ODAMC newsletter. It would seem that Covid restrictions are finally starting to ease so we can get back to some form of normality. I am now able to print off copies of the newsletter so these will be posted out, as usual. If anybody requires hard copies of the last two months just let me know and I will attempt to get them to you. Our first club meeting, for a very long time, was held on Monday the 18th of November and it was good to see some old faces again (even though masked). It would seem double vaccinated and masked could be the new norm for a while. This month's edition has the minutes from the meeting we had and also the minutes from the last A.G.M, nominations form for next year's positions as per club requirements. A flyer, as an Expression of interest, for an Autumn tour for pre 1931 cars to run from 18th of April to 1st of March 2022. There has already been a lot of interest in this event so get your Expression of interest in early so planning can commence. Also included this month is a flyer for the Terribly British day to be held in Queanbeyan on December 5th. A Flyer for the Love of Motorcycles to be held in Millthorpe on December 11th. A Flyer for the open garden, vintage car, truck and tractor show at Molong on 4/12/2021. These should be great days out for all and are supporting local communities I have included some Data sheets taken from the Vintage Motor Clubs Bulletin, October edition #202 by the Historic Vehicles Owners club survey showing some data on Vintage vehicles. Interesting reading. The events committee met last Saturday, 23rd and have come up with some great new events and some rescheduled events so have a look. These will be mentioned at the next club meeting. Don't forget, you don't have to be an events committee member to put forward ideas and all ideas are welcomed. I have put some pictures on the OUT AND ABOUT page that I found on an old USD card in a camera I am donating to charity. Not sure where they are from or when they were taken but some nice shots of our cars and some club members. Bob will be running the Annual inspection day, as last year so please make sure you have all the required paperwork up to date and ready to go.

I remind people that my land line has been disconnected so 63659224 is no longer available as a contact number.

Please forward any items of interest to Chris Bromley on 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.

Annual Inspection Day

Inspections will be conducted as last year Contact Bob if you need further information.

The Annual Club Inspection Day will be held on Sunday 28th November 2021 at the Car Club Building starting from 8.30am.

Vehicles on conditional registration with the ODAMC with a registration expiry date between 29th November 2021 and 29th May 2022 will be inspected on this day. This is because the certificate of roadworthiness (Pink Slip) and the club safety checks are now valid for 6 months. If you are unable to attend on the day then a certificate of roadworthiness (Pink Slip) may be required for the vehicle.

The following documentation will need to be sighted and details recorded by the Registration Officer on the day.

1. Historic Vehicle Declaration (RMS form #1259) partially filled out.
2. Registration Papers Current or renewal.
3. Current certificate of Comprehensive Insurance.
4. Proof of Club Membership.
5. Certificate of Operations for the vehicle (Purple Form kept in the vehicle).

Note

The annual inspection of vehicles on Conditional Registration outside of the expiry dates listed above may require either an ODAMC roadworthy check or a certificate of roadworthiness (Pink Slip). This will be at the discretion of the Registration Officer.

The Historic Vehicle Declaration Form will not be signed off unless the above documents are sighted and details recorded by the Club Registration Officer beforehand.

Club members with vehicles of HCRS are reminded if their membership fees are not paid by the due date, they are not financial members and their registration and CTP will be void! (I.e. the vehicle is unregistered and uninsured).

Bob McNeill,

Registration Officer

Please note. As this event is listed in the club newsletter, it is a club event and as a result comes under the “Casual gatherings” category of covid 19 Restrictions/Regulations. To promote our own safety and to enable the club to meet this legal requirement and avoid a hefty fine to the club or individuals, Drivers only in the vehicle and you are required to leave the club house building and grounds as soon as your car has been checked and you have completed your paperwork. This will enable other club members to come and have their vehicles inspected. There will be no refreshments at the club house this year.

OUT AND ABOUT.

We haven't had any outing to put on this page so I thought I would add these. They are just some pictures I found on my old phones sim card before I donated it to charity. Not sure when or where they were taken but some nice cars on display.
