April 2 to 4th: CHMC Annual Rally at Singleton

April 29th,30 May1: Pre '31 rally at Orange.

October 4 to 7th: pre 1950 Rally at Parkes.

General Business

Recission motion was presented Viz:

That we rescind the agreed motion of the meeting of 18th April 2016 which reads:

"That the members of ODAMC who have vehicles on historic registration be required to attend three authorized Club Events throughout the Calendar year to retain authorization for continued historic concessional registration".

Moved: Euan Coutts

Seconded: Keith Packham

Carried.

There were speakers who outlined the difficulty of enforcing the rule and the number who don't qualify this year, and others who were concerned that the Club would be used by members merely to obtain Concessional registration and not contribute to the Club at all.

Carried by majority of 7 votes with one abstention.

Secretary read email (one of several) received from the Lands dept. concerning the handover of our Clubrooms to the Aboriginal Lands Council. This will take place during the next year and we will have to move on to other premises

Bernie Schell and Bruce Heinrich outlined the history of the Club at the premises and that we were always caretakers, with no rights as to tenancy. The email did undertake to explore whether we can stay until May to cover the Pre'31 Rally

Help finding other premises is promised by Orange Council and Lands Dept. It is early days and we have not had Official Notification from the Lands Dept as yet. It was agreed that we should wait to receive Official Notice, and after discussion, it was agreed that the Club leave this matter in the hands solely of the incoming Management Committee.

It will need to be closely followed up.

Moved: Bernie Schell

Seconded: Dave Gray

Carried.

BUP Trophy: Euan Coutts

Raffle Prize: Nil

Meeting Closed: 11.24am

Orange District Antique Motor Club Inc.

ANNUAL GENERAL MEETING MINUTES October 2021

Date: 20th November 2021

Meeting opened: 11.25am.

President Keith Packham welcomed members to the meeting.

Members Present: 24 as per attendance book

Apologies: George Tait, Kerry Risstrom, Andrew McDougall, Lance Seymour, Nigel Coutts, Ed Lawrence, David McKay.

Minutes of previous AGM as published in the Magazine were voted as correct

Moved: Kevin Pearson

Seconded: Kevin Bowyer

Carried.

Treasurer's Report: full report presented by David Toy

Accepted pending audit

Moved: David Toy

Seconded: Kevin Penson

Carried.

Secretary's Report: I would like to thank my fellow Committee Members and Members for their support as with the Covid restrictions, this year has been very disrupted and we have only had a few meetings and outings. The absence of meetings has been very isolating, but

lately with the lifting of a lot of restrictions things will hopefully improve to a "new normal".

Again, this year the use of email has become a most important tool for communication. There is no other way to send and receive Club information so quickly and inexpensively. This is not to take away from the Club Magazine but it only appears monthly and with the isolation of Covid restrictions, rapid communication has become more important. I would like to see all members on the Club's email list this year. If you have trouble with the electronic age. I am sure we can find you some support.

President's Report: Keith acknowledged that it has been a difficult year for the Club with very few events, but he felt that the Committee and Members had done very well under the circumstances. He said that in the coming year things are looking up. He thanked all members and Committee for their support during the year. President declared all positions vacant and invited

Dick Jane to conduct the election of Office bearers for 2022. Dick read out the list of nominations and called for further nominations for each position. There were no further nominations.

There was an objection to the nomination of Euan Coutts as Secretary as he had already served statutory three years as Secretary. Euan withdrew his nomination and no further nominations for Secretary were received. Euan then nominated as Assistant Secretary and was elected as no further nominations for Assistant Secretary were received.

A motion was put that the assistant Secretary be deemed Acting Secretary until a suitable candidate was obtained for the Secretary's position

Moved: Bernie Schell

Seconded: John Nicholson.

Carried.

General Business.

Annual Fees were set at \$50.

Moved: Kevin Penson

Seconded: Wilga Coutts

Carried.

Acting Secretary reported that Brian Stephan was point score leader.

Meeting Closed: 11.46am

Euan Coutts
Secretary.

The Latest on the Clubrooms.

Members will be aware that our Clubrooms are on Crown Land managed by the dept of Lands. We have no formal lease even though we have been there since 1975(6?).

Our land, along with a lot of other Crown land in the area, is to be handed to the Local aboriginal Lands Council who are going to use the old school as a training facility for Aboriginal Girls. We are going to have to vacate. The formal hand over is expected to be in June 2022. The Crown Lands with the help of Orange Council are committed to help us to find other suitable premises

The Management Committee has been deputized to handle the matter on behalf of the Club. Three members of the Club's management Committee had an onsite meeting on Thursday 25th November, with representatives of Crown Lands and the Orange Council to assess our needs. The meeting was positive and we are impressed that both parties understand our needs and are committed to make a genuine effort to help.

During the discussions the following was forthcoming:

1. We have an undertaking that we will be allowed to stay until after the Autumn (pre'31) Tour, but our move out will be after that date.
2. The Council mentioned a number of potential sites in the area that they own and will contact us shortly so that we may inspect some options.
3. They are aware that we would like a similar dedicated space with some parking for our activities.
4. We will probably have to pay a token rent, as do other Community Groups who use Council Property, but Council do maintain their properties completely.
5. We will be able to remove all our property from the Clubrooms.

We know that this is a big disruption to our Club but feel that the Lands Dept and the Council are making a genuine effort. If you have any concerns while these negotiations are going on please contact the Club Management Committee.

Euan Coutts
Acting Secretary, for the Management Committee.
ODAMC

EDITORS RAMBLER

Welcome to the December 2021 edition of the ODAMC newsletter. Not long to go now before we can farewell 2021. that has continued on from 2020 to be the most wretched period on a lot of fronts. The last quarter of this year has been particularly awful with the passing of some very influential car club members and car enthusiasts, Charles Stammers, Marcus Allaway, Dennis Gregory and Tony Agland. I was asked by some members to include a special page dedicated to these people and some short notes from members wishing to comment.

I would also like to take this opportunity to wish all members and their families a happy and safe Christmas / New Year period. Let's hope 2022 is better than 2020/21. We usually greet the new year in but I think this year, once again, we will be sending off the old year.

We have, as usual, at this time of the year seen some changes to our office bearers, although this year's changes have been minimal. A Big Thank you to the departing officers, particularly Keith, who is stepping down from the position, and a big Welcome to the newly appointed. I would also like to Thank the members who have sent in reports and pictures during the year, particularly Euan and Wilga who have managed to keep the wheels rolling of the club through these extremely difficult times. Your input has been greatly appreciated.

This month's edition includes the usual minutes from the monthly meeting, the minutes from the AGM and the nominated officers for next year for your perusal. I will update the office bearers page accordingly for the next edition, January 2022. As you will be aware it was decided to maintain the annual membership fee of \$50.00.

Members who have not paid yet can forward their fees by mail to

PO Box 664 Orange NSW 2800. **OR.** Fees may also be paid by direct deposit to the Club's account. Commonwealth Bank Orange. BSB: 062 587 Account number: 28028733.

IT IS ESSENTIAL THAT YOU INCLUDE YOUR NAME IN THE REMITTER DETAILS.

All members are reminded that those who have not paid their membership fees, (due in November) and are using cars that display H or J plates (Historic registration) that as from 1/12/2021. You are non-financial members of the club and as a result are now driving unregistered and uninsured vehicles. Under RMS guidelines, you could face a fine of \$2000. This includes people who have opted for the 60day log book system. You must be a financial member of a recognized club to use the privilege of using Historic registration plates. You will be deleted from ODAMC registry next month if you have not paid your club membership so, please do so. I forgot, will not be an acceptable excuse if you are pulled over by the police. There was an issue with the emailed version of last month's edition and it would seem some members didn't receive it. This is because it was a particularly large document and some email recipients are unable to accept large documents. I will endeavour to keep the newsletter at a manageable size. This edition also includes a flyer, as an Expression of interest, for an Autumn tour for pre 1931 cars to run from 18th of April to 1st of March 2022. There has already been a lot of interest in this event so get your Expression of interest in early so planning can commence. Also included this month is a flyer for the Terribly British day to be held in Queanbeyan on December 5th. A Flyer for the Love of Motorcycles to be held in Millthorpe on December 11th. A Flyer for the open garden, vintage car, truck and tractor show at Molong on 4/12/2021. These should be great days out for all and are supporting local communities. Peter Amos advised that we have plenty of plates, cutlery and seats at the club house for the Christmas party so just bring your drinks and glasses. All else will be supplied. Euan has included an update on the clubhouse situation

Please forward any items of interest to Chris Bromley on 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.

The sad loss of some very influential people from the vintage/veteran/classic car family.

Charles Stammers, who was a very active member of numerous car clubs for many years. Will be sadly missed by all and our thoughts go out to his family.

Marcus Allaway, was a member of several clubs in the area and had a variety of cars. He will also be sadly missed and our condolences to his family and friends.

Dennis Gregory who had a huge input into the Gnoo blas car club and created many events for the local vintage/veteran and classic car scene. He also wrote a long-standing article for the newspaper and for years used to comment on the post office clock not working. His final line was always "well its correct twice a day" Sadly missed by all and our thoughts go out to his family.

Tony Agland was a long-time sponsor of the ODAMC Newsletter.

Anne wrote, Tony also had an auto electrical shop in Orange for years before semi retiring and doing work from his home at Mullion Creek, he was very respected in the motor trades as a brilliant tradesman. Owen would vouch for that. He was a member of the Sporting Car Club and also in Rotary. A truly lovely man who fought a long battle but helped out if he knew you needed his expertise. So much knowledge gone with him.

Tony was also Kevins cousin. Kevin wrote an article about his experience with Tony back in the 1970s

I joined a partnership in 1972 with two bee keepers, trading as ORANGE BEE FARMS running about 1200 hives. We had a fleet of vehicles, two international Perkins Diesel trucks. Hive loaders, two cars and a ute that all had to be maintained in top condition. We would go into the Pilliga Forest at different times of the year. Once we were there, we were miles away from help should anything go wrong. We where usually away for two weeks at a time and when we had two loads of honey, we would leave the forest and bring the honey in for extracting at Borenore. On our way home we would call into the first service station and make a call to Margaret to let her know the time we would be home; we often blew tyres so didn't get home until after midnight. During this time and for many years later our vehicles were taken to Tony (my cousin) at Canobolas Auto Electrics to be fixed. He always did an excellent job and same day service.
