Orange District Antique Motor Club Inc. Presidents' report.

Thank you for your attendance and contributions to the meeting.

We had a very successful Autumn Tour, despite some inclement weather, with very few cancellations. It was encouraging to see those hardy souls defying the elements in their open vehicles.

Congratulations again to Peter and Rosemarie and all our members who ensured the first post Covid run was such a success. We wish Cowra as good a time in 2023.

As the vote as to our next meeting place is now decided I would like all members to accept the result and move forward. Our next task in the relocation is to take stock of the memorabilia and club property we want to take with us so we are prepared to move when required. Bruce as Property Officer will supervise the inventory and the final decision will rest with the club. Although we have a lot on our plate at present It is important to remember that we are a CAR club and our focus should be on enjoying our cars and our meeting place, whilst very important at present, should be a secondary matter

Remember to keep your Log Books with the vehicle and up to date as there has been some flouting of the law with other clubs.

Safe travels

EDITORS RAMBLE

Due to Covid. I am unable to print the hard copy of the newsletter this month. The electronic version is being prepared from home with scanned documents so the quality may not be 100%

Welcome to the June 2022 edition of the ODAMC newsletter. I hope you enjoy it. I have added the extra title for this month's edition as we have had a lot of input regarding the Very successful pre 1931 Rally. Some great shots and articles. This is what our little car club does well.

Congratulations to all the members who managed to win prizes.

Since last month's newsletter, the events committee have met so we have a great variety of events coming up. If you have any other ideas or suggestions, we can still add more options. Thank you to ever one who participated. Its sometimes a bit hard to think of new and exciting things to do so extra ideas and thoughts are always welcome.

There are some great pictures and a report taken from the Crank torque newsletter about the pre 31 rally. An extract from the Molong Express, A report by Peter and some interesting pictures of some of the entrants taken by Rosemarie and Lance.

Bob and Marg sent in a couple of reports and some pictures from the Heritage Day and the Orange show.

Keith sent in a letter with some concerns he has regarding the property that we have at the current club house location.

George sent in an email regarding the Making of a movie that some of you might be interested in getting involved with. Sounds loke a bit of fun.

Good morning, Euan

film "The Ten Pound Poms" is being filmed in the Carcoar/Mandurama district later this month and early June. The film crew require cars from 1928 through to the 1950s as per the attached list. Could you email all members with this information? I will be taking a list of owners and the cars available at Monday night's meeting. If they have available cars and will not be at the meeting, could they please let you have advice in advance. If you are interested in participating, please contact Morgan directly via email or phone 0414 403 533. Or contact George on 0428637149

A

Kind regards

George.

Also included in this newsletter is the latest Dinkum Oil #19, an invitation to the Carcour PA+H society inc for Saturday 29th October. I have also resubmitted a letter to the secretary from last month's newsletter from George Gillott. This is a real concern for all members and good advice.

To the secretary.

Good morning, I am writing this for the members as the vote last night was so close, I encourage all members to except the decision and get on with enjoying using our cars, I am a 60-year member of another car club and have seen that club almost fall apart because members took sides and a lot of infighting which saw members resign and go to other clubs. We have a very good club now so let us keep it that way and enjoy what we have. Regards George Gillott

As this Version of the newsletter is now not available on line anymore and you would like to have it sent to you in its entirety let me know and I will forward you a private electronic version of the newsletter with all information as published.

There are some new items in the For-Sale section so make sure you have a look.

Please forward any items of interest to Chris Bromley on 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.

2022 Autumn Tour Report

Well the 9th Autumn Tour was yet another great success for our club. We have received many favourable reports and visiting entrants always say they enjoy coming to Orange. After a few cancellations owing to health issues and Covid we still had 120 entries with over 250 drivers and passengers. Unfortunately the weather on all 3 days started out overcast and wet but cleared up during the day. Only a small number of entrants took part in the Thursday run but nearly all participated in the Friday and Saturday runs. To start the run on Friday at Millthorpe, we managed to get all cars into the area outside of Redmond Oval to park, being unable to use the very wet grassed oval. The Museum members did a great job handling the numbers with morning tea and a visit. From Millthorpe we then headed to Newbridge on some nice quiet roads for lunch. It was great to see all the cars parked on the recreation ground at Newbridge where we could do a bit of tyre kicking and judging. Newbridge Progress Association provided us with a nice tasty lunch after which we rallied back to Orange.

Saturday saw us leave the Robin Hood Hotel in the rain to head to Molong. It was great to pull in at the Molong Showground to the sound of a jazz band playing in one of the pavilions. The Showground proved to be a great area to display the cars despite the mud and a big thank you to member Fred and his group of jazz musicians, I reckon it was one of the highlights of the Autumn Rally. Morning tea was served by the Molong Show Society who also did a mighty job and then we were off to Manildra. Lunch at the Memorial Hall was enjoyed by all and then we headed to the Amusu Theatre to see some old black & white films relevant to the era of our cars. It was then back to Orange and tidy up for the Presentation Dinner at the Hotel Canobolas. During the night trophies were presented and the raffle drawn. Trophies included the Andrew Sharpe Trophy – Alan Blythe 1912 Napier, Shannons Choice – Paul & Rebecca Sultana, 1930 Chrysler, Most Original -Eliza Dorner 1925 Buick, People's Choice Best Vintage - Andrew & Jan Gill 1929 Essex and People Choice Veteran, Euan & Wilga Coutts 1910 Scat. Most of these cars can be seen in the Parkes magazine, which published an excellent report on the Autumn Tour in their May edition of Crank Torque which we have included in this report.

A great breakfast was served at the Clubhouse capably handled by Dave & Chris Gray before the participants parted for home. A big thank you to all the members and volunteers that assisted in anyway which made this tour so friendly & successful, it was a team effort. Many thanks, Peter Amos

This Veteran - 1913 Swift had battery trouble and ended up in the back of a van! A tight squeeze but it did fit. Gavin Mutton & Loretta Marron travelled all the way from the Morten Bay area north of Brisbane.

Friday was fine and generally sunny, a great day to be on low trafficked roads. *Saturday* saw a bit of a change in the weather, and with a few strong storms, the wind-up window brigade feeling snug and the others cool, damp and brave! Those with external contracting brakes on only the rear wheels were kept verrrry busy social distancing. *Morning tea* at Molong Showground was enhanced by a Jazz band playing Vintage and Veteran era music (*nostalgia*: I played a BBb Bass {*the big brass one in this jazz band*} in Tamworth a few days ago in the 1960's).

Then on to Manildra to fill the streets with good cars, lunch, and a couple of Vintage and Veteran Movie clips at the Amusu Theatre.

The Presentation Dinner was held on Saturday evening at the Canobolas Hotel, where the Rally awards went to:

Andrew Sharpe (Rally founder) Award:
Allen Blythe's 1912 Napier

Most Original:
Eliza Dörner's 1925 Buick

Best Veteran: Euan and Wlga Coutts' 1910 SCAT Best Vintage: Andrew and Jann Gill's 1929 Essex
(both these "people's choice" vehicles have previously graced the pages of Crank Torque, for good reason)

The Rally concluded with a great *traveller's breakfast* at ODAMC Club Rooms.
In all, a great Rally with an amazing number of wonderful people. A credit to ODAMC's Rally Director and Committee, and especially to the members who acted as marshals in some very wet and cold weather conditions.

The 2023 Autumn Tour for Pre 1931 vehicles will be held at Cowra from 4th to 6th May 2023.

The MOLONG EXPRESS

Orange District Antique Motor Club - Autumn Tour

Congratulations to Keith Packham (left) in front of a 1927 Chevrolet), who is a long-time Molong resident and keen owner of a 1930 Buick Coupe and a 1927 Chev.

A former President of the Orange District Antique Motor Club, and a keen supporter and attendee of rallies, when Keith saw the opportunity for the 2022 Orange-Autumn Tour event to benefit Molong and Manildra ... he quickly put up his hand to help.

Heather Woodhouse and the Molong Show Society team added to the Molong success turning out a warming country style morning tea of a cuppa, scones jam and cream and an array of old time cake favourites.

Both pavilions were open for the guests at the Molong Showgrounds - with the sounds of lively jazz from the 1920's adding to the vintage era effect.

Well done Molong and to Keith Packham. (Note: Keith is a descendant of the family who gave Molong/Gerra the now world famous Packham Triumph Pear.)

Manildra: Travelling over the Mandagery Creek, past the vast Manildra Flour Mill buildings and historical buildings of the main street ... the rally drivers lined the streets with their range of vehicles. Before heading to the 1920's style Manildra Soldiers Memorial Hall for a delicious country style lunch prepared and served by the Amuzu Theatre team including (Below L to R) - Darwin Stevenson, Joanne Stevenson, Joan Stevenson, Lyn Woodhart and Alan Stevenson and local helpers. The guests were then entertained at the historical Amuzu Theatre where a special screening was held to further welcome and showcase Cabonne Country.

Orange show 2022

With the day looking good it was off to the show, given a great spot this year INSIDE for some smaller vehicles, the rest parked outside right near the gate so anyone coming in had to walk past, Lauries V8 ford truck got lots of lookers as did Brians early Land Rover, the rest of us left sitting around having coffee and biscuits. After lunch the crowd slowed down and by 3.00pm Kevin and Bruce headed off followed a bit later by Dave who walked home and will pick up his truck tomorrow as I will the Mini, the crowd started to pick up as people came for the fireworks, it was time to head out so with help from the Scouts manning the gate we squeezed our way out onto the road and home for dinner before the light faded, pity its only a one day show, the organizers hope to expand it next year. With plenty of interest in the vehicles it was a good day all round. Bob.

Heritage Day 2022

Since not much going on and the cars already out for the show it was time to blow the cobwebs out and burn some of that stale fuel. Decided to do the tours sat run in reverse, so out to Manildra for a cuppa onto Molong and back to Orange for a late lunch, spotted a few cars on plates but even general traffic light on. Dear Sir/Madam,

The Carcoar P.A & H Society wish to invite your club to bring your antique cars to our show this year. After two years of cancelled shows, we are working hard to make this one a great show. The date for the 2022 annual show is Saturday 29th October, the best little show in the country.

We would offer free entry for you car and the driver, (any passengers need to pay the entry fee) to anyone from your club with an antique car that is going on display.

The entry to the showground for the cars is through the bottom gate, and drive around the bottom of the showground, past the heavy horse shed to your designated area.

A B.B.Q will be in operation all day, plus the show will have a coffee van and sandwiches and cakes are all available for your lunch.

The showground is a beautiful spot to fill a Saturday, so please get some of your members to attend if possible. It would be appreciated if you could let Mark Richardson (02 63675 195 or mark@greensmandurama.com.au) know estimate numbers so we can allocate you an appropriate space.

Yours Sincerely

Joanna Tait

Dear Sir,

Firstly, my apologies for nonattendance at this meeting I will be in Dubbo enjoying the Buick Club Nationals.

It is my understanding that at this meeting the topic of discussion is to regarding club property and memorabilia.

After private discussion with some members, I believe that all club property and memorabilia is to be kept in tacked and complete.

As there is not adequate storage at our preferred club room, I would recommend to the club that all items stored in a correct manner so as to prevent deterioration or damage.

When a suitable premises is located these items can be represented for the benefit of all club members and visitors.

I request that the President make arrangement for the return of the missing photos in the Les White points score collection. I will remind you that these photos are club property not personal property. I would encourage constructive discussion for other club members as to a sensible outcome on this important issue.

Under the present set of circumstances club property and memorabilia is not to be sold or disposed of.

Yours sincerely

Keith Packham
