**EDITORS RAMBLE.**

Welcome to the July /August 2022 edition of the ODAMC newsletter. I hope you enjoy it. It is a bumper issue again this month for two main reasons. I will be away in SA, NT and QLD over the next few months so won't be here to publish the August edition. I'm sure Euan will continue to keep members up to date with any information.

It is also with great sadness that the club finds itself in a situation where some members are not attending meetings now due to the level of conflict that has been displayed over the past several months at the club house meetings, some members have stated they will not be renewing their membership next year and one member has resigned his membership due to these conflicts. All members are reminded that this is a small social car club and all officers are voluntary and elected by the members. We need to all pull together to resolve these issues and get our club back on track. I once again, I have included a letter from George Gillott, more relevant now than ever.

*To the secretary.*

*Good morning, I am writing this for the members as the vote last night was so close, I encourage all members to except the decision and get on with enjoying using our cars, I am a 60-year member of another car club and have seen that club almost fall apart because members took sides and a lot of infighting which saw members resign and go to other clubs. We have a very good club now so let us keep it that way and enjoy what we have. Regards George Gillott*

As a result of the above mentioned, I have been asked to include in this newsletter 11 pages of Information, this includes

A Notice of a special General Meeting to be held on 24<sup>th</sup> of July 2022.

A requisition of members for a special General meeting.

Our constitution.

Multiple email correspondence to and from the club from various senders.

This month's edition also includes some emails sent in by Euan. An email sent in by Dave Perry, and one from Holly Davenport regarding a daffodil show at Rydal over a couple of weekends in September.

Anne sent in two great reports and some pictures from the joint run to the Amusu Picture theatre at Manildra that is always well attended and all participants have a good day. This time was no exception and a great write up about the Variety NSW bash 2022. What a great event and a very worthy cause. I think it should certainly get some member's interest; it would be an amazing event. I also took the liberty of using a cartoon from the Inverell AMC June edition. I thought it was so true I had to put it in this month's newsletter. Very funny, and very true. These have been placed in the out and about section for your perusal.

In the May hard copy edition of the ODAMC, there was an old advertisement regarding HUDSON and TERRAPLANE cars. This brought back some memories from Kevin Boyer who wrote an article about the family car that happened to be a 1937 Hudson. Unfortunately, space does not permit in this edition so will print it in the next newsletter. Interesting reading. Thank you, Kevin. Also, an invitation to the Carcour PA+H society inc for Saturday 29<sup>th</sup> October.

As this Version of the newsletter is now not available on line anymore and you would like to have it sent to you in its entirety let me know and I will forward you a private electronic version of the newsletter with all information as published.

There are some new items in the For-Sale section so make sure you have a look.

*Please forward any items of interest to Chris Bromley on 0428659224 or email at [cbromley111@skymesh.com.au](mailto:cbromley111@skymesh.com.au) for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.*

## Variety NSW Bash 2022

The Variety NSW Bash commenced in 1992 with 16 cars participating with the aim to raise funds to improve the lives of kids in need around the country. Since 1992 the numbers have grown to 96 cars in the 2022 Bash with 18 official and support cars and 301 participants (Bashers). This year is the 30th Variety NSW Bash raising over \$1m this year alone. Over the past 30 years a dedicated bunch of men and women from all walks of life have raised an unbelievable amount of money to help continue the original aim of the first Bashers back in 1992.

As the Bash rolled through Bathurst recently, we went along to meet up with some friends Gary and Stewart Adams from our Sydney car club Pittwater Motor Enthusiasts. Gary Adams has participated in 25 Variety NSW Bashes and with his brother Stewart as co-driver for the past 10 years.

Gary's first 5 Bashes was with a mate in an HR Holden Sedan, his second 5 Bashes he did as a team in a 24/80 Wolseley and a 1964 stepside Ford F100 (team Ronadi) and the following 15 Bashes in the current HR Holden Sedan.

This years Variety NSW Bash left Newcastle and headed to Dubbo, Cobar, Condobolin, Forbes, Wagga Wagga then to our area of Wyangla, Bathurst, Wattle Flat visiting schools along the way and back to Newcastle for the final day. This years Bash covered a total of 2540 kms traveling through some beautiful country of western New South Wales many of those kms off the tared road on the dirt.

The Bash is not a race or rally it is a week of fun for a good cause. The Bash visits schools along the way and donates much needed items and equipment to help country children with making a difference to their lives, education and wellbeing.

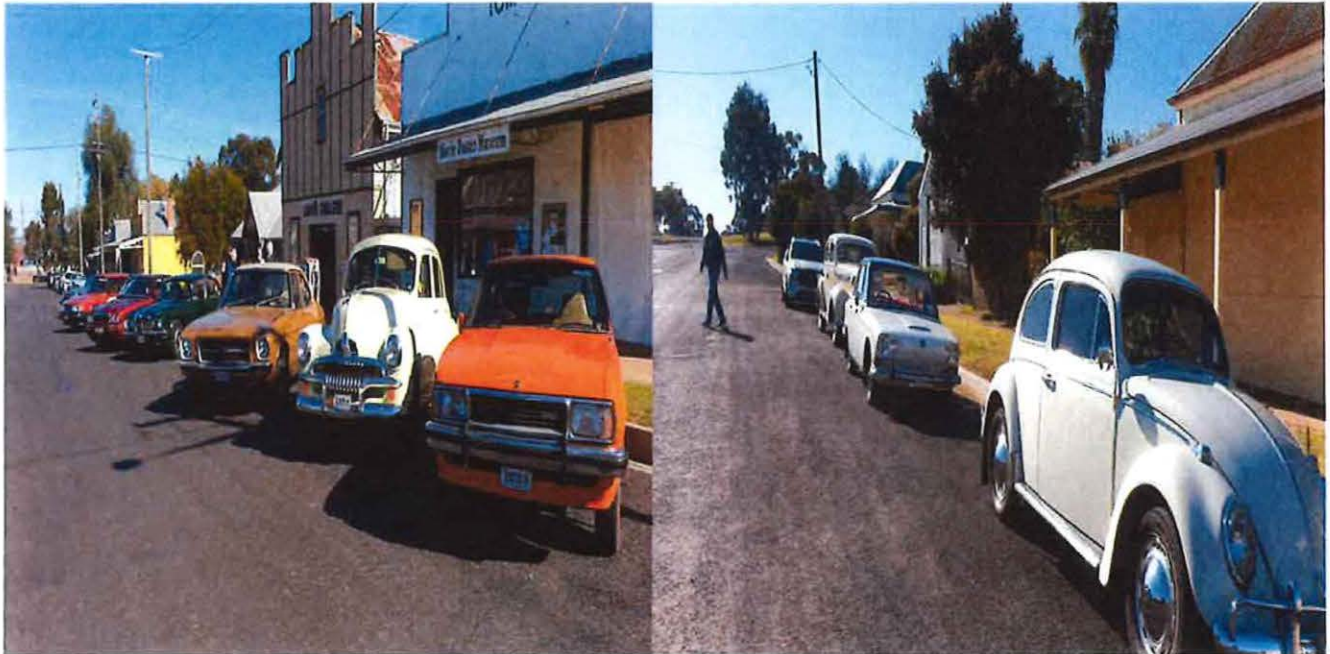

To participate in the Variety Bash cars must be 30 years or older to enter. Bashers ages can be far more varied.

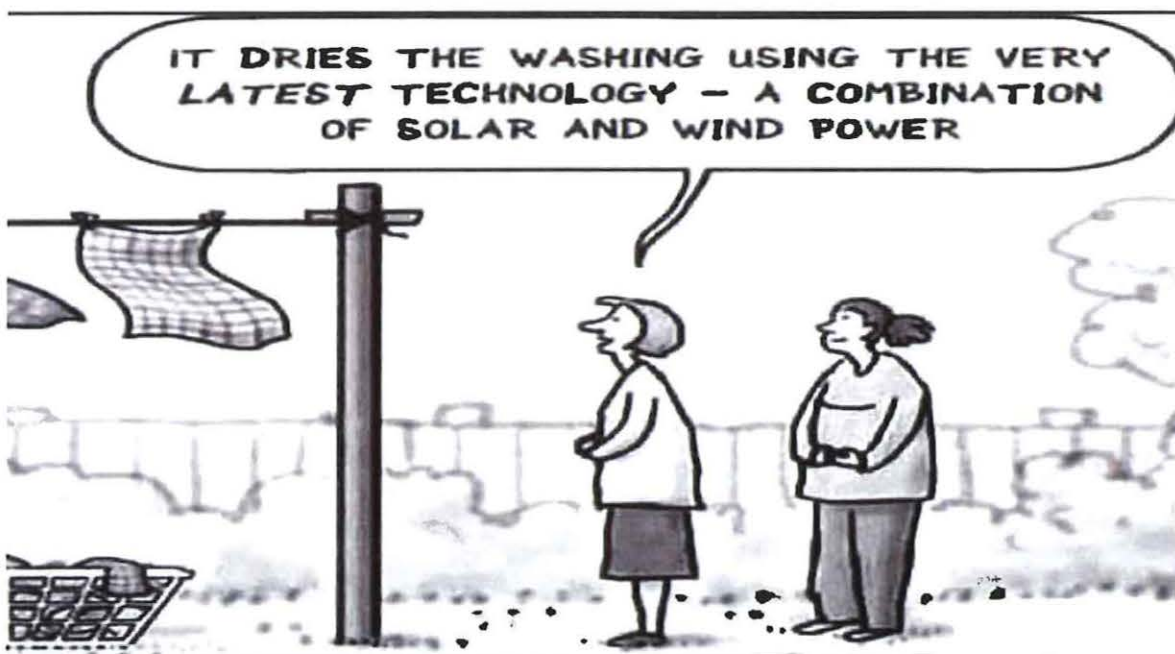

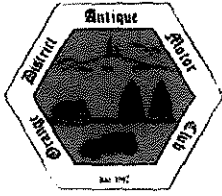

### June 18th Run to AMUSU Theatre Manildra

A fleet of 8 ODAMC cars left Cook Park for the run to Manildra on a crisp winter morning. Once out of town we encountered a pea souper fog that lasted until midday. Parkes and Dubbo clubs were very well represented with a variety of later model cars and surprisingly the our 1937 Cadillac was one of the oldest cars in attendance

. This is from the Inverell AMC June edition. I thought it was so true I had ti put it in this monts newsletter. Very funny,

The Orange City Council  
ORANGE NSW  
By Email: att. Shirley Hyde.

Dear Ms Hyde,

Confirming our previous conversations, our Club has voted to use the Lucknow Community Hall as our regular meeting venue. Our preference is to use the smaller hall/room and we understand that our tenure would be on a permanent booking basis. We would like to aim to commence around early July 2022.

Presently we meet on the third Monday of each month for two hours from 7.30pm. In addition, we hold a Ladies Day on the second Monday of each month for 4 hours commencing 10am. Are these times suitable?

Please confirm the following:

We understand that this room is subject to casual lettings outside of our booked times, but you have indicated that the storage room underneath the Hall would be for our exclusive use.

Council is responsible for gas, electricity, water rates and cleaning.

We will be provided with keys to the premises but are restricted to the times as above.

At our site inspection you indicated that we would be able to install two lockable cabinets in the small room for our paraphernalia and to hang memorabilia on the picture rails, but no holes to be drilled in the wall.

Your charge is on a basis of \$ 10 per hour so current monthly charge would be \$60 per month, but the charge would be waived for the first 6 months.

Should we desire to conduct a social function would we be able book the whole building providing the proposed times were available and at what charge?

We have two nearly new gas room heaters at our old premises and we like to be able to use these at the Lucknow Hall. We also have available a small number of chairs which we like to be able to leave in the Hall which may also be used by a casual hirer.

As you know we are required to vacate our present premises, the Bloomfield School where we have been in occupation for some 40 years When we obtained the premises they were in a derelict state and over the years the Club has rebuilt and fully furnished the old School. We believe our record as a caretaker Tenant to the Lands Dept. is first class.

We would welcome a further discussion with you Please contact either myself or President, John Nicholson on 0498 049084

Yours faithfully,

Dear Sirs

**USE OF THE LUCKNOW COMMUNITY HALL 7 NEWMAN STREET LUCKNOW**

Reference is made to your letter of 26 April 2022.

Council acknowledges your advice that the club has voted to use the Lucknow Community Hall as the base for their meetings.

Council has confirmed the following bookings:

- 1 The 3<sup>rd</sup> Monday of each month from 7.30pm to 9.30pm
- 2 The 2<sup>nd</sup> Monday of each month from 10am to 2pm

The larger room is permanently booked each Monday by the Quilting Queens. This group is aware and have no issues with your ladies using the second room at the same time.

Council confirms the following:

- 1 The storeroom underneath the hall will be for your exclusive use.
- 2 Gas, electricity, water and cleaning charges are included in the hire fee.
- 3 You will be provided with a key to the premises but are restricted to the times nominated above.
- 4 You can store two lockable cabinets in the second room. Please note however that you must ensure that the cabinets are installed in a safe manner.
- 5 You have approval to hang memorabilia on the picture rails.

The charge for the room hire in accordance with Council's current fees and charges is free for the first 10 hires and thereafter (as at 1 July 2022) \$12.00 per hour.

ABN 85 985 402 380

**USE OF THE LUCKNOW COMMUNITY HALL 7 NEWMAN STREET LUCKNOW**

24 May 2022

Accordingly with the schedule above, the annual fee would be 24 hires per year (first 10 free) amounts to 14 hires x 6 hours x \$12 per hour – a total of \$1,008.

Council is currently obtaining the following costing information:-

- 1 Installation of a light in the storeroom.
- 2 Installation of the gas heaters (subject to their compliance).
- 3 Replacement of the storeroom door.
- 4 Lock for replacement door

Council staff will contact you shortly to arrange an inspection of the heaters to see if they can be utilised in the building.

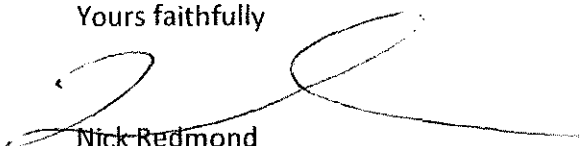

It should be noted also that if the gas heaters are not compliant, new heaters may be required.

You may wish to liaise direct with the Crown regarding the costings once confirmed as Council recalls the Crown indicated funding would be available.

In summarising Council can appreciate that this has been a very difficult time for the group particularly having regard to the extended period which you have occupied the Bloomfield School building. We wish to assist you in any way that we can and we thank you for your understanding with this negotiation program.

If you have any enquiries please do not hesitate to contact Council's Legal and Property Officer Shirley Hyde on 6393 8305 or [shyde@orange.nsw.gov.au](mailto:shyde@orange.nsw.gov.au).

Yours faithfully

Nick Redmond

Hi Euan

Just following up from our discussion this morning.

I confirm we are still finalising some details before completing final steps in this agreement prior to survey and transfer of relevant land.

Our letter from January this year indicates transfer would be likely to occur before November 2022. At this stage I can confirm the earliest any transfers will occur would not be before late September or early October and there is a possibility it may extend slightly past November.

Once we have finalised those last details we should have a clearer timeline which I will update you on as soon as I am aware.

Regards

Jason

Dear Sir/Madam,

The Carcoar P.A & H Society wish to invite your club to bring your antique cars to our show this year. After two years of cancelled shows, we are working hard to make this one a great show. The date for the 2022 annual show is Saturday 29<sup>th</sup> October, the best little show in the country.

We would offer free entry for you car and the driver, (any passengers need to pay the entry fee) to anyone from your club with an antique car that is going on display.

The entry to the showground for the cars is through the bottom gate, and drive around the bottom of the showground, past the heavy horse shed to your designated area.

A B.B.Q will be in operation all day, plus the show will have a coffee van and sandwiches and cakes are all available for your lunch.

The showground is a beautiful spot to fill a Saturday, so please get some of your members to attend if possible. It would be appreciated if you could let Mark Richardson (02 63675 195 or [mark@greensmandurama.com.au](mailto:mark@greensmandurama.com.au)) know estimate numbers so we can allocate you an appropriate space.

Yours Sincerely
