Orange District Antique Motor Club Inc. **Presidents' report.**

Thank you for your attendance at our September meeting.

Thanks to Euan for organising the upgrade of the store room. I have two willing volunteers to help clean it out on Tues next so thank you to those who offered their time.

Anne and her team have done a great job with the review of the Constitution. Proposed changes are in the magazine so please read them as your decisions at the next meeting will influence our club's future direction.

Bob has locked in our vehicle inspection days so start planning and contact him if there are any problems.

Also remember to keep your log book current and in the vehicle-just in case.

The President's Run on 29/10 will meet at Larder & Home Café, Lucknow, at 10am.

There have been some minor changes with our runs so check the events.

Safe travels

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC **EDITORS RAMBLE**

Welcome to the October 2022 edition of the ODAMC newsletter.

This month's edition includes the usual presidents report, monthly minutes and a large influx of **Letters to the club** section that has proved very popular. A Flyer for the Parkes 50th Anniversary Rally for Veteran and Vintage Vehicles to be held on October 4th to 7th. The Gulgong Swap meet to be held on 13th November 2022. Parkes swap meet, show and shine to be held on 15th October.

Anne, and her constitution team, have spent a lot of time organising and regigging the club's constitution, this has been no easy task and a lot of work on Annes behalf. Thank you for taking on this mammoth task.

It was decided as the constitution matter was so large, it will be sent as a separate document to the newsletter. Anne has added a memo regarding this in the Letters to the club section. Also in this section is an email for Wilga re some musings from the floor and a report on the pre 31 Autumn tour. David sent in email regarding one member one vote. Euan sent in an email trail from the lands Department regarding our move to the new site at Lucknow. It was brought up at the last meeting but I thought I would add it to the newsletter so those who didn't attend can keep up to date with the very favourable situation we find we find ourselves in. Thanks for your hard work and dedication to the club Euan.

Please note there have been some changes and extras added to the events calendar. The Annual Club Inspection Days will be held on consecutive Sundays, Sunday 27th November and Sunday 4th December 2022 at the Old Trotting Track clubhouse starting from 8.30am on both days.

Bob has requested that you bring a mug, some lunch or the BBQ will be available for your use, milk, tea and coffee will also be available. **Please read the REGO DAY flyer in the newsletter to avoid any awkward moments on the day. Cars cannot be registered if all paperwork, as indicated, is not included.**

Due to wet muddy conditions the Sunday run out to George Tait's property has been rescheduled to Sunday 13th of November. Sunday 27th: Run to Rockley Pub for Lunch. Has been cancelled due to Rego day.

The Gulgong show run also on this date is stall available to members who wish to attend.

Ray Dwyer has agreed to fill in the vacancy as scrutineer left by Andrew. Thank you, Ray. The Elected, officers page has been changed accordingly.

Euan sent in a letter from ray Ives with the outcome from the CHMC forum in Ourimbah that has been included.

Euan wrote, This letter does clear up some areas of HVS registration, but particularly deviating from the route decided on for a Rally. The Insurance requirements are also covered.

On a personal note, a friend who attended said that the Police are starting to crack down on HVS plates that are obviously being used for everyday or business use.

Annual inspection Day

Annual Club Inspection Days will be held on consecutive Sundays, Sunday 27th November and Sunday 28th November 2022 at the Old Trotting Track clubhouse starting from 8.30am on both days. It is requested that you bring a mug, some lunch or the BBQ will be available for you use, milk, tea and coffee will also be available.

Vehicles on conditional registration with the ODAMC with a registration expiry date between 29th October 2022 and 29th May 2023 will be inspected on this day. This is because the certificate of roadworthiness (Pink Slip) and the club safety checks are now valid for 6 months. If you are unable to attend on either day then a certificate of roadworthiness (Pink Slip) may be required for the vehicle. Supporting documentation will need to be sighted and details recorded by the Registration Officer on the day.

Historic Vehicle Declaration (RMS form #1259) partially filled out.

Registration Papers Current or renewal.

Current certificate of Comprehensive Insurance.

Proof of Club Membership.

Certificate of Operations for the vehicle (Purple Form kept in the vehicle).

Note

Annual inspection of vehicles on Conditional Registration outside of the expiry dates listed above may require either an ODAMC roadworthy check or a certificate of roadworthiness (Pink Slip). This will be at the discretion of the Registration Officer.

Historic Vehicle Declaration Form will not be signed off unless the above documents are sighted and recorded by the Club Registration Officer beforehand.

Members with vehicles of HCRS are reminded if their membership fees are not paid by the due date, they are not financial members and their registration and CTP will be void! (I.e. the vehicle is unregistered and uninsured).

Registration Officer.

To: All CHMC Affiliated Clubs, Re: HVS & CVS Registration Update

Dear Members

The Council of Heritage Motor Clubs' latest Forum on August 27th was convened by Peter Wright, Council's Transport for NSW (TfNSW) Liaison Officer. Our speakers were Matthew Cafe, TfNSW Partnerships Manager, and Stephen Richards, Leading Senior Constable, NSW Police Force. Both have historic vehicles so also know well the practicalities of conditional vehicle registration and usage.

The meeting was booked-out with clubs from the Illawarra, Sydney, Bathurst, Lithgow, Central Coast, Hunter, North Coast and New England present to hear the Q&A forum-style discussions covering a wide range of topics. Just a few of the points raised and answered were:

Historic Vehicle Scheme (HVS):

- Provides an option to preserve and use historic vehicles, at cost lower than full NSW registration.
- Options and choices for personalized and custom number plates are available via accessing full NSW registration, and choosing from the MyPlates website.
- The HVS and CVS schemes operate on the NSW Conditional Registration platform, along with tractors and plant etc. Online HVS registration is not possible as it runs on the old conditional registration platform.

Classic Vehicle Scheme (CVS):

- CHMC has made minor changes to its process for CVS registration approvals; these maintain its procedures at the standard of operation expected by TfNSW for all CVS Approved Organisations (AOs).
- A new Classic Vehicle number plate is continuing through the TfNSW approval process.

Log Books:

- Log books ARE NOT compulsory; the registered operator decides if they wish to obtain one and they are in an appropriate club.

• Simple instructions for their correct use are on pg. 4 of every current Log Book.

Log Book questions occupied significant time at the Forum, so it was good to hear that a Log Book Fact Sheet is being developed by TfNSW and will be distributed to all clubs that provides answers to the many commonly asked questions around log books.

Club organised events:

- No entry in the Log Book is required for club events, which can include travel from home to the event by the most practicable route if diarised accordingly, and club sanctioned interstate tours. If you deviate from the route of the club organised event, e.g. to visit friends, that is personal use, and must be entered in the Log Book.

- Club Runs must be formally recorded in the Club's Minutes, including invitations accepted.

Period Options, Accessories and Safety Items List:

- A replacement is being developed by TfNSW. Extensive industry consultation has taken place.
- TfNSW has committed to a wide-ranging communication strategy around this.

Out and about

Making a move at the Bloomfield School Hall

On Saturday a group of members were meeting to as a Working Group to update the clubs Constitution and By- Laws so to take advantage of willing workers being on site work commenced to remove some of the history from the walls.

Very carefully and with respect the World War 1 memorial plaque was removed and now awaits collection by Orange RSL.

Other items that have hung high on the walls for many years were also removed and safely positioned for the move.

Thanks to Chris, David, Bob, Bruce, Peter and Owen for lending a hand.

Sunday Run to the Toy's Garden at Millthorpe on 28th August.

Susan and David once again welcomed the club to their beautiful garden at Millthorpe.

The bar-b-q was in action and the smell of steak and sausages cooking was in the air.

With Spring almost upon us the garden was on the verge of bursting into colour to welcome a new season.

David took fellow gardening enthusiasts on a tour of the garden which was a delight and very educational.

Thank you, Susan and David, for a lovely day.

Dear Sir/Madam,

The Carcoar P.A & H Society wish to invite your club to bring your antique cars to our show this year. After two years of cancelled shows, we are working hard to make this one a great show. The date for the 2022 annual show is Saturday 29th October, the best little show in the country.

We would offer free entry for you car and the driver, (any passengers need to pay the entry fee) to anyone from your club with an antique car that is going on display.

The entry to the showground for the cars is through the bottom gate, and drive around the bottom of the showground, past the heavy horse shed to your designated area.

A B.B.Q will be in operation all day, plus the show will have a coffee van and sandwiches and cakes are all available for your lunch.

The showground is a beautiful spot to fill a Saturday, so please get some of your members to attend if possible. It would be appreciated if you could let Mark Richardson (02 63675 195 or mark@greensmandurama.com.au) know estimate numbers so we can allocate you an appropriate space.

Yours Sincerely

Joanna Tait
