## **Orange District Antique Motor Club Inc. Presidents' report.**

The October meeting unfortunately did not accomplish all that was hoped for which means some issues will have to be dealt with at November meeting as the seconder of the motion to adopt the changes to constitution was not available.

Nominations for the office bearers for 2023 can now be made to the Acting Secretary as well as at the AGM so if you know of anyone who wishes to stand for any position, now is the time to nominate. This decision will determine the future direction of our club. The current Executive will be standing down having completed their time as per the Constitution.

Bruce and Richard have removed most of the club's memorabilia and rally items to Lucknow. These have been stored appropriately until members decide their future. There are still items at Bloomfield that need to be decided upon as we will not get any compensation for what is left.

The run to Eugowra to meet up with the Parkes rally did not go as planned. However we proceeded to Canowindra for lunch before home. Bruce gave us a debrief on the Parkes rally.

The President's Run to Wallerawang itinerary is in the magazine. We hope to have a fine weekend.

Joining a Car Club is about meeting and connecting with likeminded men and women in pursuit of their hobby. Monthly meetings officially are about conducting the business of the club, but they are also about the exchange of ideas, encouragement and offering restoration advice to members who are looking for ways of improving the running or the repairs of their cars. Primarily, to take our cars on runs together and enjoy each other's company is why we are members.

The giving and receiving of advice, and or parts, building lifelong friendships, attending meetings where everyone is accepted irrespective of religion, race, gender orientation has been the norm. There is also an expectation that all members would behave in a courteous manner and accept the majority decision following a sometimes-robust debate.

Sadly, this is not always the case. The fact remains that there is hardly a club in Australia that has not experienced discomfort as a result of members who insist that their opinion is correct, fighting over the control of an event. So, it is hoped that the new executive will bear these thoughts in mind and that our proud ODAMC tradition will continue.

John Nicholson  
President

*ORANGE DISTRICT ANTIQUE MOTOR CLUB INC*  
*EDITORS RAMBLE*

Welcome to the November 2022 edition of the ODAMC newsletter.

I managed to get away for a few days and travelled to the York Peninsula, SA. What a great place. Some good kayaking and great weather, NO RAIN. The roads in rural and remote NSW are treacherous with massive pot holes and washed away edges. Trucks, caravans and cars swerving onto the wrong side of the road to avoid damage to suspension, tyres and vehicles in general. Some very serious flooding between West Wyalong and Forbes. I don't know how we will ever get the roads back to a reasonable condition. I was glad I was in my Transit campervan, I certainly wouldn't want to take any of my cars on these roads.

It was a shame that the presidents run had to be modified but after seeing the road conditions first hand, and water everywhere, it was very understandable and a wise decision I feel.

**Letters to the club** includes an email sent in by Euan regarding the proposed changes to the constitution that Anne and her team have been working hard on to amend and update to suit our clubs' changing needs and keep up with changing attitudes and situations.

This month's edition includes the usual presidents report, monthly minutes, Notice of the AGM, to be held on Monday 21<sup>st</sup> November at the club rooms at Lucknow directly after the general meeting. The AGM Minutes from last year, The nominations from last year and a new nominations form for 2023.

All members are reminded we are only as strong as our club so you are all encouraged to put your hand up for the positions. It's a bit of fun. Its only a small car club, not running Australia.

There is a flyer for The Gulgong Swap meet to be held on 13<sup>th</sup> November 2022. A flyer for the Young heritage celebrations to be held on the weekend of 19<sup>th</sup> and 20<sup>th</sup> November.

In the OUT and ABOUT section, Anne sent I in a report and some pictures from the team Cleaning out the new storage area under the school house and a report and some pictures from the Eugowra run held on Thursday 6<sup>th</sup> October. Both look like a bit of fun. Thanks Anne.

A reminder that the Annual Club Inspection Days will be held on consecutive Sundays, Sunday 27<sup>th</sup> November and Sunday 4<sup>th</sup> December 2022 at the Old Trotting Track clubhouse starting from 8.30am on both days.

Bob has requested that you bring a mug, some lunch or the BBQ will be available for your use, milk, tea and coffee will also be available. **Please read the REGO DAY flyer in the newsletter to avoid any awkward moments on the day. Cars cannot be registered if all paperwork, as indicated, is not included.**

Please note a change to the events calendar for November the 3<sup>rd</sup>, is now to the Caraoar pub. Please feel free to send in any letters or thoughts to the editor or secretary for publication in the newsletter.

There are some great items in the For Sale section that might nudge your interest. Don't forget, once their gone their gone.

Just a reminder that **RMS HAS NOW LAUNCHED THEIR HISTORIC AND CLASSIC VEHICLE NEWSLETTER WEB PAGE** The subscribe link is now LIVE on the RMS website:

## Letters to the Club

Hi members,

Please read the October minutes which explains why the vote for the proposed changes to the Constitution will be held at the November monthly meeting.

The wording of the motion, proposed by Anne Magill, you will be voting on is "accepting all the proposed changes as per the draft excepting the change to section 3(b), described in the published proposals as section 3(c)."

Whatever the outcome of the vote, this means the present voting procedure with a spouse having the same voting rights as the member, will remain unchanged.

If you vote for the proposed changes as printed in October's magazine all the amendments listed (except the section 3(b), printed as section 3 (c) in the proposal) will become the Constitution. If you vote against the proposal the Constitution will remain unchanged.

You are reminded that to effect any change there has to be a majority vote of 2/3rds of the members present at the meeting.

Cheers,  
Euan Coutts  
Acting secretary,  
ODAMC

## Annual inspection Day

The Annual Club Inspection Days will be held on consecutive Sundays, Sunday 27<sup>th</sup> November and Sunday 4<sup>th</sup> December 2022 at the Old Trotting Track clubhouse starting from 8.30am on both days.

Bob has requested that you bring a mug, some lunch or the BBQ will be available for you use, milk, tea and coffee will also be available.

Vehicles on conditional registration with the ODAMC with a registration expiry date between 29<sup>th</sup> November 2022 and 29<sup>th</sup> May 2023 will be inspected on this day. This is because the certificate of roadworthiness (Pink Slip) and the club safety checks are now valid for 6 months. If you are unable to attend on either day then a certificate of roadworthiness (Pink Slip) may be required for the vehicle. The following documentation will need to be sighted and details recorded by the Registration Officer on the day.

1. Historic Vehicle Declaration (RMS form #1259) partially filled out.
2. Registration Papers Current or renewal.
3. Current certificate of Comprehensive Insurance.
4. Proof of Club Membership.
5. Certificate of Operations for the vehicle (Purple Form kept in the vehicle).

### Note

The annual inspection of vehicles on Conditional Registration outside of the expiry dates listed above may require either an ODAMC roadworthy check or a certificate of roadworthiness (Pink Slip). This will be at the discretion of the Registration Officer.

The Historic Vehicle Declaration Form will not be signed off unless the above documents are sighted and details recorded by the Club Registration Officer beforehand.

Club members with vehicles of HCRS are reminded if their membership fees are not paid by the due date, they are not financial members and their registration and CTP will be void! (I.e. the vehicle is unregistered and uninsured).

Bob McNeill,  
Registration Officer.

## ***Out and about***

### **Eugowra Run on Thursday 6th October.**

The original plan was for a run to Parkes to have a look at the car attending the Parkes Anniversary Run. After contacting the Parkes Club, we were told the rally was heading to Eugowra that morning for morning tea and to have a look at the Museum and murals.

So the plan was changed and 4 ODAMC cars left Cook Park and headed to Eugowra. The weather forecast was for heavy rain and flooding. Well the forecast was wrong, we encountered no rain or flooding but did experience some of the pot holes that have been mentioned recently in the media. At times it was easier to drive on the opposite side of the road when safe to do so than weave our way to avoid the pot holes.

At Eugowra we found the Parkes Rally cars parked in the grounds of the school, it looked like about 20 cars in total. We didn't meet any of the drivers who were most likely indoors enjoying morning tea. There appeared to be two ODAMC cars attending the Parkes Run.

Our group moved on to have coffee at the van in the main street before heading over to Canowindra for lunch at the Services Club which always serves a good meal.

### **MEN AT WORK**

Here are the workmen on the job at the Lucknow Hall getting the storage area ready for the move. The door and lock has been installed, the power and lights have been installed and the area has been cleaned. All ready for the move.

Thanks to Bob Roach, John Nicholson, Euan Coutts and Owen Magill, great team work guys.
