EDITORS RAMBLE.

Welcome to the March 2023 edition of the ODAMC newsletter. Just a reminder that the club newsletter is now available in its entirety on the website.

It was good to have two new members joining the club at the last meeting. Welcome to Des Green and Remo Joerg. I'm sure they will enjoy our little club. Whilst the events committee met and filled in our Events calendar, all members are able and encouraged to suggest runs at any time. Just a reminder that some of the runs already organised include some of our smaller local townships that have been hit hard by the floods so by going to them and buying coffee or snacks might help in some small way.

Euan sent in a detailed events calendar for the Veteran Car club of Australia (NSW), National Trust of Australia premier rally that will be held on 6th to 10th of March 2023. Should be a great day out just to catch up with these very old cars and have a look.

I joined in on the Eugowra run in my little Ford Capri as my AMC was having some repairs done, it was great to see such a turn out of vehicles and the smiles the cars brought to the kids faces.

Susan Toy sent in some pictures and a report on the Eugowra school run that was held on Thursday 16th. We visited the Eugowra Community Children's centre and what a delight it was to see all these kids smile. They have just lived through a terrible time with floods devastation, loss of their school and in many cases their homes. The teachers told some incredible stories of random acts of kindness of people and the community's ability and willingness to get in and give a hand. Even as we were there, people were cleaning up shops and public areas that have been affected. A very humbling experience and also one that makes you proud to be an Australian. I was so grateful to be a member of our little car club that was willing and able to donate such an amount WOW. Thank you to all those that donated, I'm sure it was greatly appreciated.

I also went to the Shannon's wheels celebration at Queanbeyan on Sunday 19th. What a fantastic display of an assortment of vehicles. Very well run and organised major event. A great day out and some fantastic cars,

Don't forget, it was decided at the February meeting to commence any runs out towards Millthorpe, Blayney or Bathurst direction from HOME AND LARDER at Lucknow (previously TWO FAT LADIES). This will help prevent people living in that direction from having to come all the way into town then having to drive all the way back out again.

This month's out and about section, includes some pictures and a small report sent in by Anne of their 37 Cadillac winning the best American, again, (third year running) at Gnoo Blas. A great car and congratulations to you both on winning.

Anne also sent in a report and some pictures taken at the Blue Run, Suicide awareness, that was held on Saturday 4th February. A great turn out of bikes and a very nice run down some great back roads.

I also managed to get some pictures at the Gnoo Blah event but unfortunately didn't get any pictures of our clubs Trucks. Bob recons he was kept busy in this area. The club was well presented by our cars and trucks. It was a great, well run and patronised event, as usual, with a wide variety of vehicles to look at. The Gnoo Blah club certainly knows how to put on a major event. Well done and thank you from our club.

The Eugowra run on Thursday 16th to the Eugowra Community Children's centre and the Eugowra school. was a highlight of this month's events for me. I have done an extended picture essay of this event and the joy can certainly be seen on the Children's faces. Pictures courtesy of Sue and Anne.

Anne also sent in a picture and a report from the ladies day at the school house that is proving to be a great success.

Also in this edition is a flyer with an invitation to attend the CHMC Rally, hosted by the Wagga Wagga Veteran and Vintage Motor Club Inc. to be held on the Queens (Kings) birthday long weekend. Friday 9th to Monday 12th of June 2023.

Have a look at the FOR-SALE page. Some absolutely fabulous things are up for sale.

Please forward any items of interest to Chris Bromley on 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.

Letters to the club

VETERAN CAR CLUB OF AUSTRALIA (NSW)

NATIONAL TRUST OF AUSTRALIA (NSW)

PREMIER RALLY 6TH TO 10TH MARCH 2023.

This is an outline of the premier Rally, organized for the Veteran Car Club (NSW) and sponsored by the National Trust, Paul Butler foundation. The Rally is only open to Vehicles built before 1919 and we have 18 entries so far, mostly from Sydney and Newcastle based members plus a few from other areas. The best place to see the cars would be on Wednesday morning at the Coffee stop at Larder and Home, Lucknow, or on Friday at Millthorpe museum from about 11am.

On Tuesday the Rally will travel to the historic Errowanbang Woolshed with a talk about this historic property with morning tea provided and then to travel to Carcoar for a look at the “town time forgot” and lunch at the Hotel. Run of about 120kms

Wednesday, the Rally will assemble at Lucknow for optional coffee from 9am and from there use backroads to Bathurst for lunch at Miss Traill’s Cottage provided by the local National Trust Volunteers, who will also give tours and a talk on this Historic property. Run of about 140kms.

Thursday the Rally will tour on quiet back roads to the Millthorpe Museum for morning tea and tour of this renowned Museum. Afternoon there is a choice to stay in the historic Millthorpe Village or there will be an optional afternoon tour on quiet back roads to return to Orange.

We feel Orange is a good place to hold the event with quiet roads and plenty to see.

Euan Coutts, ODAMC Treasurer

Out and about

The 1937, 60 Series Cadillac wins a trophy at the Gnoo Blas Classic for the third year in a row. Best American 2023.

The Blue Run 2023. Suicide Awareness Ride

The Blue Run was held on Saturday 4th February starting from the parking area adjacent to Headspace in Peisley Street. While registration for the ride took place, morning tea and coffee was available to all.

About 180 motor bikes with riders and pillions and 3 cars set of on a 200km run which passed through Cargo, Canowindra, Mandurama, Carcoar and Blayney before heading back to the starting point where a wonderful Bar-B-Q was provided to all participants free of charge. On returning to the starting point stalls had been set up by various services to provide information on the services available in Orange to people who may at some time need help with mental illness for themselves or for someone they care about. Stalls were set up by Lifeline, Headspace, Like Mind, Lives Lived Well, RAMPH and Wellways.

The Blue Run is an annual event and a cause well worth supporting.

The Gnoo blah show held on Saturday 11/02/2023

I managed to take some pictures of some of our club section, some members and our cars but unfortunately, I didn't get around to the trucks that were representing the club. A good display of a diverse range of vehicles.

The Eugowra run on Thursday 16th to the Eugowra Community Children's centre and the Eugowra school.

Please add from me a big thank you to the Club & our members for their marvellous support for this day to put a smile on the faces of the children of Eugowra & to help rebuild their Children's Community Centre.
Thanks
Susie

Ladies Day at Lucknow School Hall

The Ladies of the Orange District Antique Motor Club meet at Lucknow School Hall between 10am and 2pm on the second Monday of each month.

The Ladies bring their morning tea and lunch, have a cuppa and enjoy the company of like-minded ladies who share their crafty skills and help each other with various projects.

The photo shows some of the work the ladies have completed over the past year. Some items are for their own personal use, while others are donated to the local Vinnie's store for sale or for those in need.

All ladies are welcome.
