Sunday 23rd Christmas in July, shed crawl, details to follow.

August

Monday 14th: Ladies Day at Lucknow

Monday 21st: Monthly meeting at Lucknow.

Orange District Antique Motor Club Inc. Presidents' report.

The March meeting was a good quick one. Our two club runs for the month were well supported. Rosemarie and Peter were generous hosts at their property as always and a good afternoon was had by all.

Don's '34 Dodge and his '50s Customline were both of interest and Richard has an interesting collection including some potentially lethal Hargan saws which were a local invention. A view of one in action is on YouTube. A very pleasant lunch was had at the Lyndhurst Cafe with plenty of time for yarning.

The club library has been returned and is presently in safe storage. There was discussion as to what we need to keep such as all the vehicle manuals which have been very well catalogued. . The plan is to put them into cupboards so they can be accessed as a library for reference as many are irreplaceable. We can decide about the magazines at a later date.

Safe travels

John N

Sent from my iPad

- Manuals to remain in ODAMC library as reference books. Magazines to be offered to members.
- Bob has provided the last of car vehicle display blanks for use by members.
- Dave questioned whether changes to Constitution had been formally voted on by members. President responded that the correct procedure had been followed with changes approved by the required two thirds majority.

Meeting Closed: 8.15pm

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC

EDITORS RAMBLE.

Welcome to the April 2023 edition of the ODAMC newsletter. The club newsletter is now available on the club website.

There have been some minor changes to the events page so please note. Lance informed us of some times and dates for the pre 31 rally. Our drive out to Canowindra to meet up with them will now be on Friday 5th of May not Thursday 4th as printed in last month's newsletter, Lance also noted They are booked at Gooloogong for lunch...so would expect to be in Canowindra mid-afternoon.

I have taken the liberty of including an event in the events calendar that I read in the ASCC Newsletter for the Stuart Town, Man from Ironbark Festival, to be held on Saturday 8th of April. This is usually a great event. I have added a flyer with all the information.

Don't forget, it was decided at the February meeting to commence any runs out towards Millthorpe, Blayney or Bathurst direction from HOME AND LARDER at Lucknow (previously TWO FAT LADIES). This will help prevent people living in that direction from having to come all the way into town then having to drive all the way back out again.

I will finally be retiring from work at the end of April and as a result will not be able to print the hardcopy of the ODAMC newsletter from that date. Andrew has kindly agreed to take on this task for the next twelve months so there will be no change to your newsletter being printed and posted. Thank you, Andrew. My role as editor will remain unchanged, so please keep all the pictures and reports coming, as usual.

All our Library books are now at the club house after the move from our old club house. This is an extensive library and is open to all members to borrow items of interest. I will be sending out a separate 16-page directory of the library contents for your perusal. Electronically and as a hard copy to those who don't have email There are some very interesting and rare items in this list so we need to cherish them. It would seem that some information contained in them is not available on the internet so we need to be aware that this data could be lost without this resource.

I have added a random advertisement for a 1937 Desoto. To make up the page numbers for the hardcopy newsletter. I think these old adds are fantastic .

I attended the Wellington fair. I always enjoy this event. It has retained its country town feel and is always well patronised. Numbers were down a little this year, probably due to multiple other events occurring on the same day throughout the area, but still a great enjoyable day. Some pictures from Wellington are in the OUT and ABOUT section. Euan sent in this email regarding the Tenancy of the Lucknow Hall.

Tenancy of Lucknow Hall

There have been some enquiries from Members concerning the conditions of our Tenancy at Lucknow Hall, which is controlled by Orange Council and I am pleased to say the matter is now finalized.

We have a permanent booking, Ladies Day, for 4 hours (10am to 2pm) on the 2nd Monday monthly. We have a permanent booking for 2 hours, Monthly Meeting, (7pm to 9pm) on the 3rd Monday each month. The arrangement has to be renewed each year in January, for the ensuing year.

Because we are a non- profit group the payment is worked at \$12 per hour payable 6 months in advance. As you are aware the Lands Dept has agreed to pay 10 years rental as compensation for our removal from Bloomfield School. This has now been finalized and from the June Payment Orange Council will now Invoice the Lands Dept each half year direct for our ensuing 6 months.

Euan Coutts

Treasure

Please forward any items of interest to Chris Bromley on 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.

Out and about **2023 Wellington fair.**

Numbers were down a little this year probably, due to multiple other events occurring on the same day throughout the area but still a great enjoyable day. Some pictures in the OUT and ABOUT section.

The 1937 DE SOTO SIX

THE WORLD'S ULTRA SMART MOTOR CAR

Undoubtedly, this year's model is the best engineered and most sensationally designed motor car of a long line of world-famous De Sotos. Will you accept our invitation to inspect it?

REVEALING the master hand of the modern stylist, the 1937 De Soto is indeed the Chrysler-built masterpiece of real distinction. . . . But not by beauty of line alone does this car win the admiration of people who appreciate the finer things of life. The sumptuous interior deepens the impression of luxury first gained from its appearance. . . . All the features a discriminating motorist insists on having are found in De Soto—SafeSteel body built by Richards to De Soto designs, with seamless steel "Unitop"; SAFETY GLASS IN WINDSCREEN AND ALL SIDE WINDOWS; Roomier Luggage Trunk than ever before; Genuine Hydraulic Brakes; Centre-controlled Steering; Synchronised Transmission.

In performance, too, this De Soto Six is outstanding. The 100 h.p. L-head Engine on "Floating Power" mountings develops full power with perfect smoothness. The economy of operation and maintenance of a De Soto will come as a pleasant surprise to you.
