November 18th 2023 Manildra will celebrate the 100th year of Amusu movies.

Allan Tom at age 21 showed his first movie "Cappy Ricks" and took over 10 pounds at the door. Movies were shown in the hall in Manildra and Cudal before the present theatre was built in 1936. Other theatres were purchased in Millthorpe and Tullamore.

Allan also started Amusu touring talkies with a touring team and a large tent. This team travelled many towns of the Central West until around 1950.

If available "Cappy Ricks" will be shown again on the November weekend.

The program for the weekend will be presented in a later magazine.

All interested people including our club members are invited to share the celebration.

EDITORS RAMBLE.

Welcome to the May 2023 edition of the ODAMC newsletter.

There has been an event added to the bottom of the events page for November 18th 2023. Manildra will celebrate the 100th year of Amusu movies. This will be added into the November events section once the second half of this year's events have been decided. This is always a great event and well attended by car clubs so look forward to this tradition continuing. And a wonderful old building. This a particularly auspicious occasion as it is 100-year celebration.

As mentioned in the minutes, I had a call from a gentleman called Elwyn Jordan from the South Coast Vintage Car Club who had read our story and seen our pictures in the March edition on the ODAMC Newsletter regarding our trip and donation to the Eugowra school. He commented on what a wonderful thing this was and where very impressed that such a small club, 45 members, had managed such a large donation. He was going to run the story in their newsletter as a good news theme. Take a bow for this little club.

As mentioned in last Month's newsletter, this will be the last hard copy edition I will be doing as I am leaving work and don't have the ability to print the hardcopy newsletter. Andrew has kindly agreed to take on this task for the next twelve months so there will be no change to your newsletter being printed and posted. Thank you, Andrew. My role as editor will remain unchanged, so please keep all the pictures and reports coming, as usual.

I was lucky enough to attend the Bathurst heritage trades trail on the weekend and whilst it was a very wet, cold, blustery day, the event was well attended and was very interesting with some great cars and old vintage bikes to look at plus some great interesting stalls. I have put some pictures in the OUT and ABOUT section.

This month's edition includes Dinkum oil #21.

I was looking through some old club news clippings to add an extra page to the newsletter to create an even number, of pages and came across this little gem, "Actual writing on Hospital Charts" and thought as I am retiring my career as a registered Nurse it was appropriate. I hope I didn't write any of them. No idea where it came from but hopefully brings a smile

Please forward any items of interest to Chris Bromley on 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated

A drop from the Council of Heritage Motor Clubs to keep you going

- CHMC Annual Rally will be at WaggaWagga, June 9th-12th 2023. Please book early to avoid disappointment as this is the June long weekend. Entry forms are available on CHMC website at www.heritagemotoringcouncil.org.au
- 2024 CHMC Annual Rally will be held at Parkes over the Easter weekend March 29th- April 1st.
- CHMC Annual General Meetings will now be held the last full weekend in October each year, and Council's General ½ Yearly meeting held at the Annual Rally will be a short business meeting.
- 2023 AGM will be held at Armidale, hosted by Classic and Specialist Car Club of Northern NSW. 2024 AGM will be held at Goulburn, hosted by Veteran & Vintage Car Club of Goulburn.
- 2025 Annual Rally Please consider if your club would like to host the 2025 annual rally. This can be a great opportunity to showcase your town and your club. Expressions of interest should be sent to CHMC secretary. secretarychmc@gmail.com
- Annual affiliation fees and club census details are DUE NOW so your attention to this would be appreciated. Thanks to those members who have already attended to this. Club Secretaries have been sent all renewal documents.
- Registration Matters. Q... "Who can drive a conditionally registered vehicle?" Any person who is the holder of the appropriate licence can legally drive a conditionally registered vehicle. They DO NOT have to be the operator/owner and they DO NOT have to be a member of a recognised historic vehicle club. The new RMS "Log Book and Club Run" Fact Sheet will be emailed by TfNSW directly to all clubs in a print ready format. We will alert you to this when it has been distributed.
- The CVS weight limit is still 3.5T GVM for all vehicles
- When renewing CVS registration please ensure that you use CVS Renewal Agreement Form from our website <http://heritagemotoringcouncil.org.au/Classic-Vehicle-Scheme.php>
- EV CONVERSIONS. Conversion of an historic internal combustion engine vehicle to electric drive is such a substantial departure from original design as to render it ineligible to be considered as a heritage vehicle by CHMC. This position was endorsed by delegates at CHMC's meeting on October 29th 2022, and is in accord with that of FIVA, the international peak body for historic vehicles: <https://fiva.org/download/electrification-of-historic-vehicles/> CHMC's Position Paper can be read at <http://www.heritagemotoringcouncil.org.au/PUBLICATIONS.php>
- The position of Assistant Secretary on the CHMC committee is still vacant. Please consider whether you may be able to help our secretary Christine during the few times she is having a break away from home. The role involves assisting with enquiries when the Secretary is away, supporting the Committee at Council's 2 annual meetings, and the opportunity to be involved in councils sub committees, if desired. Contact Christine for further details secretarychmc@gmail.com
- Once again CHMC has donated \$1000 (via CWA), on your behalf to assist flood affected people in the central west of NSW. We would encourage our member clubs to consider whether they can also afford to help.
