Orange District Antique Motor Club Inc. Presidents' report.

Another meeting with a good number of members attending.

The Thursday run via Amaroo and Molong to Euchareena in good weather was very enjoyable once I realised the Riley does not like to go from top gear straight to first. More members joined us at the Robin Hood for lunch.

Our Xmas in July Run was well attended. First stop at Anne and Owens for morning tea was a treat. It was hard to tell which got most attention- the scrumptious morning tea or their wonderful '37 Cadillac.

Then on to Wilga and Euan's. Their cars lined up on the drive like a mini-Bay to Birdwood run evoked a lot of interest and questions which were discussed over a very pleasant glass or two of Wilga's mulled wine ☐. Euan gave us an interesting talk on the vagaries of car restoration.

Angela and Nigel provided us with pulled beef rolls and delicious sweets followed by a very informative tour of the sheds with a couple of works in progress. Thank you to all our hosts. We left with full stomachs and new ideas.

The club's contribution to the time capsule opened after 50 years was given to members by Kathy Taylor (Gillett) who unfortunately was not able to be present. It is planned to have the documents framed and on display.

Safe motoring

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
Editors ramble.

Welcome to the August 2023 edition of the ODAMC newsletter. I hope you enjoy it. I have just returned from my thermal pools tour that took me to Longreach in Queensland and some great pools on the way back. What a fabulous country we live in and I met some extraordinary people on the way. Love it.

As mentioned in the last newsletter, this month's is being sent out later than usual, Next months will be back on track and should get to you by the end of the Month.

This Month's edition contains five pages of ten pages sent in by Rosemarie from the Lions club time capsule that was opened recently. What a great piece of our local history and of our car club. I was not able to include all pages as we are limited for space but will include the remaining five pages, that have some very old pictures, in next month's edition. Thank you, Rosemarie, for your time and effort.

I have included two more events and have added the flyers for each.

Sunday 20th August 34th Annual Bathurst swap meet. See flyer.

Saturday 2nd September Dubbo Motorfest. Flyer in newsletter

Also, this month's edition contains a Flyer and entrants registration form for the Forbes motor show to be held on Sunday 1st October 2023. This is a club run so if you would like to participate in the event rather than be a spectator, get your application in early. This has been a great event in the past so this year should be no exception.

The latest Dinkum Oil #24

There were no pictures or reports for the OUT and ABOUT section this month. If you attend any events, it would be greatly appreciated if someone could take a couple of pictures and send them in along with a few lines.

There was no correspondence forwarded to the editor for this month.

As this is a fairly short editors report I have taken the liberty of copying in a picture taken from crank case newsletter. I just love it and to me it somehow sums up where I feel we are as a nation at the moment.

There were no new FOR SALE items so have included one from another club. Very nice-looking car.

Don't forget to send in any articles and or pictures or stories of interest. Every article helps to make your newsletter also any ideas for future would be greatly appreciated.

Please forward any items of interest to Chris Bromley on 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.

Borrowed from the crank case newsletter, Just love it.

OUT AND ABOUT

LIONS CLUB TIME CAPSULE

As some of you may know, recently there was a time capsule opened in Orange. The capsule had been buried 50 years ago by the Lions Club in Robertson Park. Our club which was then known as Central Western Vintage and Veteran Auto Club placed an envelope in the time capsule. The contents have survived the 50 years underground very well.

Cathy Sharpe who is Andrew Sharpes sister compiled a history of the club which I have scanned for all to read. The motto was "You don't have to mad but it helps"! Terry Perks who was the President at the time also wrote a letter explaining that the club was only 13 months old. He wished us success and happiness for 2023. Also included are a list of Foundation members in 1972 and financial members, with their cars in 1973. Two black and white photos of cars with the names on the back and a couple of newspaper clippings.

You will recognise a few familiar names on the list - Richard & Rhbnda Bloomfied , Jim & Doreen Coomber, Les & Sandra Cridland, Kevin & Lorna Penson and Mim Moore who recently celebrated her 100th birthday.

Hopefully everyone will enjoy reading about our club and what it was like 50 years ago.

ORANGE,
June, 1973.

Dear Mr. President,

I write this letter in the firm belief that the C.W.V.V.A.C. will be a great motor club in the year 2023. It is indeed a great club now although it is an infant of only 13 months.

In the past 5 years the growth of interest in antique motor vehicles has been phenomenal with numerous clubs being formed and people from all walks of life finding the restoration of an old motor vehicle a fascinating and rewarding hobby.

Already the age of pioneer motoring is considered an era of historical interest and the motor car has been with us less than a hundred years. I have no doubt that when you read this letter, the late 1800's and early 1900 's will be an era of great historical importance, and the birth and establishment of the motor car will be considered one of the main factors.

Our club members, as you will see by the club register, are restoring a wide range and type of vehicles, and I feel confident that they will remain in good condition indefinitely and be available for car enthusiasts of the 21st century as invariably restoration work is of a high standard.

No doubt many current members of the club will not be with you in 2023, but I do hope that some of our younger members will have the opportunity to read this letter and that it will bring back happy memories of the early days of the C.W.V.V.A.C.

It is very difficult at this time to guess what the situation of the old car movement will be in 50 years time. It appears to me quite possible that many clubs may join forces. At the present time there is a move to form a national federation of antique motor clubs in an effort to consolidate generally and particularly to counter the exorbitant prices now charged for spare parts and tyres etc. when purchased by individuals in small quantities.

In closing Mr. President, I would like to express my appreciation to yourself and your members, and indeed to all antique motor enthusiasts who helped to foster the preservation of old vehicles and to wish yourself and the members success and happiness in the C.W.V.V.A.C. for 2023.

Yours Sincerely,

W.T. Perke
President of the Central Western
Vintage & Veteran Auto Club.

CHMC 2023 ANNUAL RALLY

This highly successful rally was hosted by the Wagga Wagga Veteran & Vintage Motor Club who are to be congratulated for their efforts.

It was held from on 9th to 12th June 2023 and attracted 180 entries ranging from a 1912 Overland to four 1990's vehicles. A 1908 International Motor Buggy and a 1912 Daimler double decker bus were also displayed.

The rally incorporated a CHMC general meeting, plus a run out to the historic town of Coolamon and visits to various attractions in Wagga Wagga.

Vehicle displays and indoor activities were held at the Range Function Centre which provided excellent facilities that enhanced the enjoyment and overall success of the rally.

FORBES MOTORSHOW INC

PO Box 747 FORBES NSW 2871

28th March 2023

Dear Club President, Committee & Members

What a year we experienced in 2022. Our Forbes Motorshow was one of the best yet. The day was sensational weather wise, and the amount of support was overwhelming. Entries were from far & wide as were our visitors which only cements our position as one of the better regional motorshows around.

With over 300 entries & displays for our 4000 plus spectators & visitors made for a huge event. All our vendors commented on how great their day was as well as having support from one of our local radio hosts supplying the music & commentary which added another level.

We've made great donations to our nominated Can Assist and other local charity groups only thanks to the support we received.

So now we are in the early phase of developing for another year with our date locked in for Sunday 1st October (long weekend) starting at 8am for registrations & displays & gates open for visitors & spectators from 10am. We once again have over 30 sponsored trophy categories on offer with entrants on the day only \$15 each with a special deal of \$5 for each subsequent entry per owner. Display vehicles only are again free to enter.

As usual we will have stalls for food, drink, coffee, refreshment, merchandise, kiddie rides & sponsors stalls creating a great family day.

The Forbes Motorshow Committee would like to extend an invitation to your club to join us for our 2023 Motorshow bringing as many members, family & friends as you wish.

We can also reserve group areas for Clubs on the day if contact is made prior to the event remembering the earlier the booking, the better the position.

Follow us on our Facebook page for regular updates

Thank you for your consideration & we look forward to seeing you there! Kindest Regards
