Thank you to the members who ran the August meeting. Sometimes out of club tasks take priority. The September meeting ran smoothly followed by an enjoyable supper and a chance to catch up. Thank you, Carol.

We shall miss the Junction Reefs run. The Dam wall is well worth visiting as is the Errowanbang wool shed.

Bob reminded us that all club vehicles must be sighted s by scrutineers to ensure they comply with our club's eligibility. Contact him prior to inspection day should you have any questions.

The presidents run to McFeeters museum is always interesting with a diverse range of cars and motor bikes. Lunch has been booked at the Sportsman's Hotel.

Keep enjoying your outing whilst you can still afford the fuel!!!!

It was agreed to utilize CWD. To advertise ODAMC events. Some members attended the Woodstock show saying it was a good day & Dubbo mototorfest was also considered a great turnout. Registration days would be as per events calendar at a venue to be confirmed. Bob McNeil explained that to qualify for Historic Registration, all cars had to be sighted by scrutineers as a pink slip was only to certify road worthiness not historic vehicles conditions of registration.

Euan explained the ongoing problems with the club maintaining a cheque account and this would be further discussed at a later meeting.

It was discussed and agreed that out Defibrillator would be mounted under cover of the veranda at entrance to thew building on an external wall. We will continue to maintain Defibrillator until such time as OCC can assume maintenance as they are already maintaining one at the service center.

*Editors ramble.*

Welcome to the October 2023 edition of the ODAMC newsletter. I hope you enjoy it. Wow. Spring seems to have been and gone and Summer is upon us. Got to have this warmer weather.

I have not been able to resolve the issue of Septembers newsletter. It would seem it was too big for my satellite to handle so I will endeavour now to try and keep the newsletter to 10 double pages maximum.

I think most of you have by now got some of the contents sent in by Rosemarie from the time capsule. Very interesting reading.

Kerrie was away for this month's meeting so Sue kindly offered to be secretary and do the minutes.

This Month's edition contains some updated events, so please make sure you are aware of them. We have some great runs ahead of us.

As next month, November, is our AGM, I have included,

- Notice of Annual General meeting.
- The minutes of last year's AGM.
- Nomination and acceptance form.
- Annual inspection days requirements..

Also in this month's edition is a Flyer from Gnoo Blas that outlines some great sounding events.

The Spring Hill coffee cars and bikes event to be held on Sunday October 22<sup>nd</sup> .

As usual If you attend any events, it would be greatly appreciated if someone could take a couple of pictures and send them in along with a few lines.

As there are no new FOR SALE items this month from the club, I have included a couple from other areas. Some beautiful cars. Wish I had the money and shed space.

I am sending out the newsletter a little earlier than usual this month to give me time to correct and satellite glitches this time. Should they occur.

Entry form for 2024 pre 1931 Autumn tour hosted by the Central Tablelands Historic car Club will be in next Month's edition of the ODAMC

I will not be nominating or accepting the position of Editor for next year. I have been in the position for 13 years and feel it is time to step down and get some new fresh

Don't forget to send in any articles and or pictures or stories of interest. Every article helps to make you're your newsletter also any ideas for rune would be greatly appreciated.

*Please forward any items of interest to Chris Bromley on 0428659224 or email at [cbromley111@skymesh.com.au](mailto:cbromley111@skymesh.com.au) for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.*

## **Secretary's Report:**

This has been a difficult year for the Club and the Executive. I would like to say that I am very grateful to the Members who supported the Committee and me during the year, without which I would have felt very isolated.

The move from Bloomfield to Lucknow has been very disruptive but is nearly complete. At Lucknow we are on very favourable terms with 10 years rent free, an exclusive storage area, with gas, electricity, cleaning and maintenance paid for by the Council. We also have the offer of the nearby Fire Shed for an Inspection area. The disruption of the move is largely behind us and we can continue to function as a CAR club.

Our membership has remained steady. We do need to concentrate on gaining some new members and I believe that one of the best ways is for as many members as possible to attend our events. It is pleasing to note that there has been an increased number of members at the last few outings making them most enjoyable. There is nothing like a group of older cars to gain the attention of the public.

I have to stand down this year. I offer all support to my replacement who I hope will find the position as satisfying as I have.

**Moved:** Euan Coutts **seconded:** Bernie Schell. **Carried**

## **President's Report:**

2022 has been a difficult year for our Club. After a shaky start with Covid, we were informally notified that after 40 years as custodians of the Bloomfield School site, we were required to vacate and find another building as a Clubhouse. Orange City Council offered a choice of 4 sites. It was decided by a majority of members that the Lucknow School was the best venue available. The move was a difficult one for many reasons including not being given a formal notice of a move date -which we are still waiting for.

The move has been almost completed with very favourable terms from OCC and Dept of Lands, and we can look forward to doing what our Club does best, which is to enjoy many car runs in the company of likeminded fellow members.

It would not have been possible to have achieved our goal without the support of the Secretary and Treasurer and Club Members. Both Euan and David have had trying times and I thank them for staying the course. It is the majority of ODAMC members who have supported the Executive in this difficult time that I thank you on their behalf.

Thank you, Anne and your team for the work you have done in redrafting the Constitution. It would not have been an easy task. I am confident the changes will provide a better understanding for the future.

The year had some enjoyable times and I thank Peter and Rosemarie for running another successful Autumn Tour despite inclement weather. It was heartening to see that there were very few non starters.

Our Club runs were limited due to Covid restrictions, inclement weather and the deteriorating state of the roads. It is hoped that things will improve next year. Thank you to the events committee for planning a diverse series of runs many of which can be incorporated into 2023.

The current Executive will stand down and it is the Members who will elect those to carry on the aims and ideals of our Club for 2023.

**Moved:** John Nicholson    **Seconded:** Kevin Bowyer.    **Carried.**

President declared all positions vacant and invited Peter Amos to conduct the election of Office Bearers for 2023.

Peter read out the Nominations and called for further nominations in for each position. There were no further nominations.

**General Business:** there was some discussion of reducing the fees in view of our now lesser expenses. The point was made that the Club was not involved as other Clubs were in Charitable work and in the end the motion was: That the fees remain at \$50 with \$10 earmarked for charitable purposes.

**Moved:** Euan Coutts    **Seconded:** Bruce Heinrich    **Carried**

There were further comments that we should develop our relationship with our neighbours the RFS.

Meeting closed at 9.10 pm

Euan Coutts  
Acting secretary

## Annual inspection Day

The Annual Club Inspection Days will be held on consecutive Sundays, Sunday 26<sup>th</sup> November and Sunday 3<sup>rd</sup> December 2023 at the Old Trotting Track clubhouse starting from 8.30am on both days.

Bob has requested that you bring a mug, some lunch or the BBQ will be available for you use, milk, tea and coffee will also be available.

Vehicles on conditional registration with the ODAMC with a registration expiry date between 29<sup>th</sup> November 2023 and 29<sup>th</sup> May 2024 will be inspected on this day. This is because the certificate of roadworthiness (Pink Slip) and the club safety checks are now valid for 6 months. If you are unable to attend on either day then a certificate of roadworthiness (Pink Slip) may be required for the vehicle. The following documentation will need to be sighted and details recorded by the Registration Officer on the day.

1. **Historic Vehicle Declaration (RMS form #1259) partially filled out.**
2. **Registration Papers Current or renewal.**
3. **Current certificate of Comprehensive Insurance.**
4. **Proof of Club Membership.**
5. **Certificate of Operations for the vehicle (Purple Form kept in the vehicle).**

### Note

The annual inspection of vehicles on Conditional Registration outside of the expiry dates listed above may require either an ODAMC roadworthy check or a certificate of roadworthiness (Pink Slip). This will be at the discretion of the Registration Officer.

The Historic Vehicle Declaration Form will not be signed off unless the above documents are sighted and details recorded by the Club Registration Officer beforehand.

Club members with vehicles of HCRS are reminded if their membership fees are not paid by the due date, they are not financial members and their registration and CTP will be void! (I.e. the vehicle is unregistered and uninsured).

Bob McNeill,  
Registration Officer.
