Orange District Antique Motor Club Inc. Presidents' report.

(G'day from drizzly Port Macquarie and welcome to my penultimate report □□□□□)

Our November meeting was well attended as was the AGM.

Thank you and congratulations to all who will be taking on the duties for the club in 2024. It was encouraging to see a mix of old and new faces and no doubt there will be fresh ideas put forward.

Thank you, Bob, for taking on the CHMC delegate role. It is important that we have a presence as I suspect there will be major changes affecting the historic car movement in coming times.

Our club runs for the month were well attended. They can only be as interesting as members want so if you have any thoughts, please let the events committee know.

Secretary's Report:

The past year has been most enjoyable in the role of Secretary. I wish to thank Susie Toy for filling in for me while out of the country and Euan and John for their guidance.

John and I are both stepping down from executive roles and hope to see a lot more of wonderful Australia and overseas.

Great to see four new members join our club in the last few months. I would like to see a membership promotion be undertaken by the new executive encouraging new members for 2024.

Runs have been well attended by members who are encouraged to make note of suitable runs and pass on to the Events Committee.

I wish the new executive all the best and look forward to another enjoyable year of motoring.
Kerrie Nicholson

President's Report

2023 has been a much better year for our club. The move to our new clubhouse went very smoothly. Thank you Richard, Euan, Peter and all members who made the transition so successful. We have a venue of which we can be very proud.

Anne thank you for your work on the Constitution. It has cleared up many inconsistencies. Chris is retiring after 13 years as our editor, a role he has given a great deal of time to. Our magazine is the public face of our club and Chris has from time to time had to act as censor. Thank you for your input.

June was the opening of the time capsule which gave us an insight into our club's beginnings. It was a fitting tribute to be able to present our foundation members with a plaque to celebrate the club's 50 years. Stay around until 2083 if you missed it this time.

Our club runs have been well attended and we have travelled to many interesting places and visited members' collections. A memorable visit was to Eugowra after the flood. We are fortunate in having a diversity of places of interest. The new events committee will be keen to hear of any venues members can recommend for 'roads less travelled'.

It has been privilege to be your President in 2022/ 23 and I thank Euan and Kerrie for their support this year. Thank you to all club members who have contributed in any way to the ongoing success of ODAMC in its 51st year. I wish the new executive and members continuing safe travels.

ORANGE DISTRICT ANTIQUE MOTOR CLUB INC
Editors ramble.

Welcome to the December 2023 edition of the ODAMC newsletter. I hope you enjoy it.

Well, it's that time of year again where I would like to wish you all a happy and safe festive season.

I'm stepping down from the position of club editor after 12 years and will be handing over to Rosemarie Amos. So, this will be my last edition. If you could address all future editor emails to amos@bigpond.net.au.

Since I took over the position, we have seen many changes to the club and its newsletter. We have had 12 Christmas parties, 12 changes to the Office bearers, we have changed club houses, lost some members and gained some members. The newsletter has changed from 55 hard copy to about 60 electronic and 10 hardcopies. There have been some great events and runs and some very memorable occasions. It's been a great privilege to have been the editor for this club. Thank you for all your support, articles and pictures over the years.

I would like to thank all the office bearers who are stepping down and welcome all the new office bearers who are stepping up to the positions. It's the members, like you, who keep this club running.

We had a great turn out for the visit to Neville coffee and garden. A nice little spot and an easy drive from Orange. About ten cars turned up and twenty club members. Very pleasant. The Neville pub was also open and doing a roaring trade. It has apparently been closed for about four years. The new owners have done a great job restoring it. They do lunches from Thursday to Sunday and will also open if there is a group. It had a very similar feel to the pub an Tarana, popular with car enthusiasts and weekend explorers. Let's hope it does well.

Rosemarie sent in a report and some pictures from the run out to Neville. In the OUT AND ABOUT PAGE.

I have double checked our booking for the Christmas party at Bloomfield Bowling club and it is a pay as you go situation. Pub prices and members of the club can show their card and get a discount. It's a great venue with a good menu and staff so should be a nice night out. See you all there.

Memberships are now due and can be paid at either at the club house before the meeting starts or via direct deposit into the club's account.

**ODAMC. Commonwealth Bank,
BSB 062587.**

Account 28028733.

Don't forget to put your name on the deposit so he knows who it's from.

In this month's edition, there is the usual minutes from the monthly meeting plus the minutes from the AGM with the appointed offices from that meeting. Office bearers page will be updated for the January edition. There is an email from Bernie in the Correspondence to the editor section. a Flyer from Gnoo Blas that outlines some great sounding events.

There is also an Introduction to and application for the Pre 1931 Autumn Tour hosted by the Central tablelands Historic Car Club, set down for 2nd – 5th of May 2024.

Whilst this is a new club, the members have a vast experience with running such an event so should be a great few days. All owners of pre 31 cars are encouraged to enter.

As usual If you attend any events, it would be greatly appreciated if someone could take a couple of pictures and send them in along with a few lines.

There are some new FOR SALE items this month from the club. Enjoy.

Don't forget to send in any articles and or pictures or stories of interest. Every article helps to make your newsletter also any ideas for future would be greatly appreciated.

Please forward any items of interest to Chris Bromley on 0428659224 or email at cbromley111@skymesh.com.au for any information, news, pictures or anything that we can add to the newsletter. All is gratefully appreciated.
