Presidents Report

Hi Members,

We have had a great couple of months with our club runs during the winter. 25 enthusiast members enjoyed Christmas in July at the Neville Hotel on the 26th. The hotel is under new management, and the staff gave us a lovely roast meal. We were challenged with a Christmas quiz and Don was named the best Santa of the day and also showed off his new Nash car featured on our cover page.

A big thankyou to the Ryan's for inviting us to their home for a delicious morning tea prepared by Carol on Thursday 6th. August and an inspection of Kevin's shed. Kevin's brother Trevor also opened up his shed for our interest on our return from Newbridge, where we had lunch at the Gladstone Hotel. Another well attended day with 17 members enjoying a run in our old cars.

This Saturday, 29th August we are off on the Presidents run to Goulburn. We have 8 cars tuned up and ready roll to see the sites of Australia's first inland city. A bonus attraction this weekend is the Model Train Expo at the recreation ground which has 50 exhibitors confirmed from all over the country! There is a lot to see and do in Goulburn, so I hope we don't lose anyone at the Model Trains, for some members it might be hard to move on from here.

Next Thursday 3rd September our mid week run is to the Carcoar pub for lunch. We are starting at the Bloomfield Café at 10 and will take the scenic route via Errowanbang to Carcoar for lunch. This will be the Andrew Sharpe Memorial Run. Please let Susan Toy know if you are coming.

Next month we are hosting the National Hupmobile Rally commencing Monday 14th. Several runs around the district have been organised for the week, including Errowanbang Woolshed, Bathurst and Eugowra. On Friday 18th the cars will be in Millthorpe for most of the day, based at the Museum. If you would like to see a group of fine looking cars, Millthorpe would probably be a good option. We will be finishing the rally with a dinner in Orange that night.

See you on the road, Peter

Club Runs

We have had two most enjoyable Club runs over the winter months. The Neville Hotel was the venue for Christmas in July, and we had a good role up of members to enjoy a roast dinner and some Christmas quizzing. Our mid-week run included two shed inspections in Blayney of the famous Ryan brother's collections of cars and motorbikes under restoration.

Don crowned the best Santa out of 25 members attending at Neville.

Kevin giving a guided tour of his shed after a delicious morning tea provided by Carol

There is not much in regard to vintage and classic machinery that they don't have!
